DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To shampoo and kill *Fleas* and *Ticks*, wet pet's coat with warm water. Starting at the head, work shampoo thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. Pet bedding and quarters should be treated simultaneously with an approved product. As a precaution, prior to bathing, a bland ophthalmic ointment may be placed in the eyes to prevent possible irritation.

Storage and Disposal

Storage: Store in original container in a cool, dry place inaccessible to children and pets. Protect from freezing. Avoid contamination of feed or foodstuffs. **Disposal:** Do not reuse empty container; wrap and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. **Animals:** Do not use on lactating or very young animals. In case of infection or skin irritation, discontinue use and consult a veterinarian.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center. Drink one or two glasses of water and induce vomiting by touching back of the throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. **If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

Environmental Hazards

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

NOTICE OF PESTICIDE:

Registration
 Reregistration

Name of Pesticide Product:

Espree Concentrated
 Pet Shampoo

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Espree Animal Products, Inc.
 c/o Regwest Company
 P.O. Box 2220
 Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 66963-7".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
