JUN 26 2013

Subject: Label Amendment to Update Marketing Language and Graphics and Make  
Minor Revisions to Directions for Use  
Product Name: Aloe Herbal Horse Spray  
EPA Reg. No: 66963-8  
Your Submission Dated June 18, 2013

Dear Ms. Anastasiou:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. Should you have any questions regarding this action, you may contact Gina Burnett at (703) 605-0513 or via email at [burnett.gina@epa.gov](mailto:burnett.gina@epa.gov). A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief  
Biochemical Pesticides Branch  
Biopesticides and Pollution  
Prevention Division (7511P)

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**ENVIRONMENTAL HAZARDS**

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

A gentle blend of ingredients, including botanical oils, to repel flies, gnats and other flying insects on horses. Aloe Herbal Horse Spray contains coat conditioners and sunscreen which promote a healthy coat and protection from the sun.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General [Directions]:** Apply in a covered area such as a barn or stall. For best results apply to a clean horse. Prior to application, brush coat to remove excess dirt and dust.

**Dilution Directions:** To be used in a clean spray container of your choice. Dilute with 5 parts water to 1 part horse spray. When pest pressure is high, dilute 4 parts water to 1 part horse spray.

**Application [Directions][Instructions]:** **SHAKE CONTAINER BEFORE EACH APPLICATION.** Hold spray container 10 to 12 inches from coat for best application. Do not spray solution directly onto horse's facial area. Instead, spray solution onto clean cloth and use cloth to apply Aloe Herbal Horse Spray to horse's facial area. Reapply every 3 hours or as needed.

Do not use on animals intended for human consumption.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store only in a cool, dry area inaccessible to children and pets. Keep container tightly closed when not in use.

**PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be used on site or at an approved waste disposal facility.

**CONTAINER HANDLING:**

Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple Rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or place in trash or in a sanitary landfill.
