Office of Pesticide Programs  
Registration Division (7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

67064-2

MAR 14 2000

Term of Issuance:

Conditional

Name of Pesticide Product:

Admiral™ Liquid

NOTICE OF PESTICIDE:  
  X   Registration  
       Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code :

Becker-Underwood, Inc.  
801 Dayton Avenue  
Ames, IA 50010

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.

2. Make the following label changes before you release the product for shipment:

- a. Revise the EPA Registration Number to read "EPA Reg. No. 67064-2".
- b. Delete the following use sites from the label:  
"marshes", "non-potable water reservoirs", "crop and non-crop conveyance irrigation canals", and "ditches".
- c. Move the "Environmental Hazards" section from its current position within the Directions for Use to a position at the end of the Precautionary Statements (after the First Aid section).

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Signature of Approving Official:

*Susan L. Stanton, for Joanne I. Miller*

Date:

MAR 14 2000

page 2  
 EPA Reg. No. 67064-2

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**ACCEPTED  
with COMMENTS  
In EPA Letter Dated**

MAR 14 2000

**Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.  
67064-2**

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION.** Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**FIRST AID**

If on skin	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
------------	---

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**APPLICATIONS**

Use in natural or manmade ponds, marshes, lakes, non-potable water reservoirs, fountains, fish farms, fish hatcheries, crop and non-crop conveyance irrigation canals, ditches, golf course and swimming ponds. Water must be under the complete control of the user and have little or no outflow (dye concentration must be maintained). Do not apply directly to streams, or any body of water that may be used for human consumption. Do not apply to water for swimming pools if chlorine is used, as color will degrade.

**APPLICATION PROCEDURES**

Admiral™ Liquid is easy to apply and rate calculations are simplified. Consult the recommended dosage chart for suggested rates.

Optimum results are achieved by applying prior to or early in the growing season when weeds are on the bottom of a body of water or when aquatic vegetation is growing at depths greater than 2 feet. Reapply as needed during the growing season.

Admiral™ Liquid is usually applied directly from the container near the shoreline. However Admiral™ Liquid may even be applied while ice is still covering a body of water. Pour Admiral™ Liquid on the ice in a circle approximately one yard (~1 meter) in diameter. The ice will melt and Admiral™ Liquid will be dispersed in to the water beneath the ice.

Physical removal or other aquatic weed control methods may be used before or after applications of Admiral. When using an aquatic herbicide, follow all label restrictions, precautions, and directions for use.

**RECOMMENDED DOSAGE RATES**

Area to be Treated	Rate of Admiral™ Liquid	
	1 ppm <sup>1</sup>	2 ppm <sup>2</sup>
1 Acre-foot (325,851 gal) <sup>3</sup> [1,234 cubic meters]	1 quart [0.95 liters]	2 quarts [1.9 liters]
4 Acre-feet [4,936 cubic meters]	1 gallon [3.8 liters]	2 gallons [7.6 liters]
8 Acre-feet [9,872 cubic meters]	2 gallons [7.6 liters]	4 gallons [15.2 liters]

<sup>1</sup>The following weeds are controlled at 1 ppm when growing at depths greater than 2 feet: Chara, Filamentous Blue and Bluegreen Algae, Leafy pond Weed, Spirogyra, Slender Naiad, Water Milfoil (treat early).

<sup>2</sup>For prevention of *Hydrilla* tuber production, apply at 2 ppm after an herbicide treatment.

<sup>3</sup>One (1) Acre-foot is an area comprising 1 Acre, 1 foot deep.

**ENVIRONMENTAL HAZARDS**

Shoreline non-target plants (cattails, water lilies) may suffer contact burn if material is accidentally poured on them. Apply this product only as specified on the label. Do not make applications when weather conditions favor drift from target area. Do not apply where runoff is likely to occur.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store above 32°F (0°C) to prevent freezing.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**Notice:** Becker Underwood, Inc., makes no express or implied warranties of fitness or merchantability or any other kind whatsoever, except that the product conforms to the specifications on the label. Becker Underwood, Inc.'s, sole liability on the warranty is limited, at Becker-Underwood's option, to replacement of the defective product or return of the purchase price paid for the defective product. Under no circumstances shall Becker Underwood, Inc., be liable for incidental, consequential, or special damages. The buyer assumes all risks and liability resulting from the use of this product, whether used singly or in the combination with other goods. Becker Underwood, Inc., neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale or use of this product.
