 <p align="center">U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505P) Ariel Rios Building 1200 Pennsylvania Ave., NW Washington, D.C. 20460</p>	EPA Reg. Number: 67064-002	Date of Issuance: SEP 15 2009
	NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration (under FIFRA, as amended)	
	Term of Issuance: Name of Pesticide Product: Admiral Liquid	
Name and Address of Registrant (include ZIP Code): Becker Underwood, Inc. 801 Dayton Avenue P.O. Box 667 Ames, IA 50010		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is reregistered in accordance with FIFRA section 4(g)(2)(C) provided you:</p> <ol style="list-style-type: none"> 1. Submit and/or cite all data required for registration/reregistration review of your product when the Agency requires all registrants of similar products to submit data. 2. Per the acute toxicity review, the First Aid statements must be revised to read: "IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice." 		
Signature of Approving Official: Joanne I. Miller Product Manager 23 Herbicide Branch Registration Division (7505P)	Date: SEP 15 2009	

3. Per the acute toxicity review, the Hazards to Humans and Domestic Animals statements must be revised to read:

“CAUTION

Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wear long sleeved shirt, long pants, shoes, socks, and chemical-resistant gloves made of any waterproof material. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.”

4. The Agency recommends that the following User Safety Requirement text be added to the label:

“Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.”

5. Per the acute toxicity review, the following User Safety Recommendations should be added to the label and placed in a box:

“User Safety Recommendations

User should wash hands before, eating, drinking, chewing gum, tobacco, or using the toilet.

User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.”

A stamped copy of your labeling is enclosed for your records. You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after 12 months from the date of this Notice or the next printing of the label, whichever occurs first, must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

ADMIRAL® LIQUID

FIRST AID

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going in for treatment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

IN CASE OF EMERGENCY

CALL CHEMTREC AT 800-424-9300

ENVIRONMENTAL HAZARDS

Shoreline non-target plants (cattails, water lilies) may suffer contact burn if material is accidentally poured on them. Apply this product only as specified on the label. Do not make applications when weather conditions favor drift from target area. Do not apply where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLICATIONS

Use in natural or man made ponds, lakes, fountains, fish farms, fish hatcheries, golf courses and swimming ponds. Water must be under the complete control of the user and have little or no outflow (dye concentration must be maintained). Do not apply directly to streams, or any body of water that may be used for human consumption. Do not apply to water for swimming pools if chlorine is used, as color will degrade.

APPLICATION PROCEDURES

Admiral Liquid is easy to apply and rate calculations are simplified. Consult the recommended dosage chart for suggested rates. Optimum results are achieved by applying prior to or early in the growing season when weeds are on the bottom of a body of water or when aquatic vegetation is growing at depths greater than 2 feet. Reapply as needed during the growing season.

Admiral Liquid is usually applied directly from the container near the shoreline. However, Admiral Liquid may even be applied while ice is still covering a body of water. Pour Admiral Liquid on the ice in a circle approximately one yard (approx. 1 meter) in diameter. The ice will melt and

Admiral Liquid will be dispersed into the water beneath the ice. Physical removal or other aquatic weed control methods may be used before or after applications of Admiral Liquid. When using an aquatic herbicide, follow all label restrictions, precautions and directions for use.

RECOMMENDED DOSAGE RATES

Area to be treated	Rate of Admiral® Liquid	
	1 ppm ⁽¹⁾	2 ppm ⁽²⁾
1 acre-foot (325,851 gal) ⁽³⁾ (1,234 cubic meters)	1 quart (0.95 liters)	2 quarts (1.9 liters)
4 acre-feet (4,936 cubic meters)	1 gallon (3.8 liters)	2 gallons (7.6 liters)
8 acre-feet (9,872 cubic meters)	2 gallons (7.6 liters)	4 gallons (15.2 liters)

(1) The following weeds are controlled at 1 ppm when growing at depths greater than 2 feet: Filamentous Blue and Bluegreen Algae, Chara, Leafy Pond Weed, *Sprogyra*, Slender Nalad, Water Milfoil (treat early).

(2) For prevention of *Hydrilla* tuber production, apply at 2 ppm after a herbicide treatment.

(3) One acre-foot is an area comprising 1 acre, 1 foot deep.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Store above 32°F (0°C) to prevent freezing.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by State and local authorities, by burning. If burned, avoid inhalation of smoke.
