Notes: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 67200-4".
- b. Add the following restrictions to the use directions:  
"This product is restricted to outdoor residential use only. not for commercial use."
- c. Revise the precautionary statement under caution to read; "Do not allow children to play with this tablecloth".
- d. Ensure that the signal word (Caution) is of the proper size as required in 40 CFR 156.10.

- e. There is no tolerance for DEET products. Therefore, the statement "Can be used around food" must be removed because it is too general.
- f. Revise "Insect protection for all dining activities" to "Insect protection for outdoor dining activities".
- g. Revise "Keeps bugs & flying insects away" to "Repells bugs & flying insects".
- h. Add the precaution in prominent lettering "Place foods on plates or napkins. Do not place foods in direct contact with the tablecloth".
- i. You have indicated that this product is disposable, but you have not indicated how long this product is viable. If you wish more than a one-time use, then indicate storage requirements to maintain repellency. We would suggest you indicate this product "repels for days" or "repels for days with proper storage". If you wish further claims, you must submit properly formatted efficacy studies as detailed in 40 CFR, part 158.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Harvey L. Warnick
