BACK PANEL

**Hot Pepper Wax Ready to Use**

**PRECAUTIONARY STATEMENTS  
Hazards to Humans and Domestic Animals**

Caution. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID**

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

**ENVIRONMENTAL HAZARDS**

This product may be toxic to aquatic organisms. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Hot Pepper Wax repels aphids, cabbage loopers, beet army worms, spider mites, thrips, whiteflies, lace bugs, leafhoppers and scale.**

**USES:** Hot Pepper Wax may be used to repel insects from fruit and vegetable plants, indoor/outdoor ornamentals, and grasses. Avoid use on Variegated African Violets, Sweet Basil, Parsley, Dicentra eximia, and fruit trees when in the pink bud stage until after the petals fall.

**MIXING:** Shake well before use.

**APPLICATION:** Apply Hot Pepper Wax Ready to Use as a foliar spray to the leaves, stems, fruits, and flowers of the plant until wet but not dripping. Good coverage of all portions of the plant will enhance repellency. Do not drench roots in soil or media.

Do not apply when rain is expected within 24 hours. During hot and humid weather, spray plants in the evening. Avoid use when plants are stressed by drought. Discontinue use if burning occurs.

**FREQUENCY:** For best results, keep new growth coated. In general, the repellency of Hot Pepper Wax is most effective on existing growth when applied every 7 to 14 days. However, more frequent application of up to every 3 days may be appropriate when infestation is heavy. Use increased frequency only until pest numbers begin to decrease.

**HOME GREENHOUSES:** Repeated use of this product on sensitive plants may cause burning of leaves. Avoid use of this product if greenhouse temperature will exceed 85°F before the product has dried. For best results, spray should contact all foliage surfaces.

**DIRECTIONS FOR USE (cont.):**

**Hot Pepper Wax Ready to Use repels rabbits and tree squirrels**

**USES:** Hot Pepper Wax Ready to Use may be used to repel rabbits and tree squirrels from fruit and vegetable plants, indoor/outdoor ornamentals, and grasses. Avoid use on Variegated African Violets, Sweet Basil, Parsley, Dicentra eximia, and fruit trees when in the pink bud stage until after the petals fall. Hot Pepper Wax Ready to Use also is effective in repelling rabbits and tree squirrels from chewing on wooden structures and fences.

**MIXING:** Shake well before use.

**APPLICATION:** Apply Hot Pepper Wax Ready to use as a foliar spray to the leaves, stems, fruits, and flowers of the plant until wet but not dripping. Good coverage of all portions of the plant is essential for repellency. Do not drench roots in soil or media.

Do not apply when rain is expected within 24 hours. During hot and humid weather, spray plants in the evening. Avoid use when plants are stressed by drought. Discontinue use if burning occurs.

**FREQUENCY:** Frequency of application depends on the rate of plant growth and occurrence of feeding by the animals. For best results, keep new growth coated with Hot Pepper Wax Ready to Use. If feeding occurs, reapply Hot Pepper Wax Ready to Use as soon as possible. Once feeding is under control maintain repellency by spraying every 7 to 14 days.

**WOODEN STRUCTURES AND FENCES:** Hot Pepper Wax Ready to Use repels rabbits and squirrels from chewing on wooden structures and fences. Apply until surface is wet. Repeat application as soon as possible after any nibbling is observed. Once control is established, reapply every 3 to 4 weeks to previously sprayed surfaces.

**STORAGE AND DISPOSAL**

**STORAGE:** Store only in original container, in a dry place inaccessible to children and pets.  
**DISPOSAL:** Do not reuse empty containers. Rinse thoroughly. Securely wrap in newspaper and discard in trash.

**WARRANTY**  
Buyer's guarantee limited to label claims.
