Hot Pepper Wax, Inc.  
305 Third Street  
Greenville, PA 16125  
Attn: Linda Grotzinger

Subject: Notification to add 2 Alternate Brand Names per PR Notice 98-10.  
Product Brand Name: Hot Pepper Wax Ready To Use.  
Alternate Brand Names: 1) Hot Pepper Wax Insect Repellent Ready To Use.  
2) Hot Pepper Wax Animal Repellent Ready To Use.  
EPA Reg. No: 67238-2.  
Your Submission Dated July 26, 2012.

Dear Ms: Grotzinger:

The Biopesticides and Pollution Prevention Division is in receipt of your application for Notification under Pesticide Registration Notice (PRN) 98-10 dated above. A screen of this request has been conducted for its applicability under PRN 98-10, and it has been determined that the action(s) requested falls within the scope of this Notice. Our records have been duly noted, and the label submitted with this application has been stamped "Notification Accepted" and will be placed accordingly in our records.

Three (3) copies of final printed labeling must be submitted to the Agency before your product as modified, may be sold or distributed [PR Notice 82-2 and 40 CFR 156.10(a) (6)].

If you have any questions regarding this action, you may contact Mr. Sylvester George at (703) 603-0688 or via e-mail at [george.sylvester@epa.gov](mailto:george.sylvester@epa.gov).

Sincerely,

*Linda A. Hollis*

Ready To Use

# HOT PEPPER WAX INSECT REPELLENT

## PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals  
Caution: Causes moderate eye irritation. Wear protective eyewear. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Contact 1-800-222-1222 for emergency medical treatment information.

### ENVIRONMENTAL HAZARDS

For Terrestrial Use, This product is toxic to fish, aquatic invertebrates, oyster and shrimp. Drift and runoff may be hazardous to aquatic organisms in waters adjacent to treated areas. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Hot Pepper Wax repels aphids, cabbage loopers, beetle armyworms, spider mites, and whiteflies.**  
**USES:** Use Hot Pepper Wax to repel insects from fruit and vegetable plants, indoor/outdoor ornamentals, and grasses. Do not use on Variegated African Violets, Sweet Basil, Parsley, Dicentra eximia, and fruit trees when in the pink bud stage until after the petals fall.

**MIXING:** Shake well before use.

**APPLICATION:** Apply this product as a foliar spray to the leaves, stems, fruits, and flowers of the plant until wet but not dripping. Good coverage of all portions of the plant is essential for repellency. Do not drench roots in soil or media.

Do not apply when rain is expected within 24 hours. During hot and humid weather, spray plants in the evening. Avoid use when plants are stressed by drought. Discontinue use if burning occurs.

**FREQUENCY:** For best results, keep new growth coated. In general, the repellency of this product is most effective on existing growth when applied every 7 to 14 days. However, more frequent application of up to every 3 days is appropriate when infestation is heavy. Use increased frequency only until pest numbers begin to decrease.

**HOME GREENHOUSES:** Repeated use of this product on sensitive plants has been reported to cause burning of leaves. Avoid use of this product if greenhouse temperature will exceed 85°F before the product has dried. For best results, ensure that spray contacts all foliage surfaces.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**STORAGE:** Store only in original container, in a dry place inaccessible to children and pets.

**DISPOSAL:** Do not reuse or refill this container. Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency for disposal instructions.

Never place unused product down any indoor or outdoor drain.

**WARRANTY:** To the extent allowable by state law, buyer's guarantee limited to label claims.

Produced Under Patents:  
United States No.: 5,466,459  
Canada No.: 2,116,237  
Other Patents Pending
