An insect repellent made of essential oils

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labelling.

Shake the bottle and spray on exposed skin as needed and apply evenly over skin. For face, dispense on hands then spread on face and neck. Repeat application every hour to maintain effectiveness.

Storage and Disposal

Store in closed cabinet away from children

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

Causes moderate eye irritation. Avoid contact with eyes. Washing hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco will reduce exposure.

FIRST AID

If in eyes: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, first 5 minutes, then continue rinsing.

- Call a poison control center or doctor for treatment advice.

This pleasant scented water-based mist lets the skin breathe, repels mosquitoes and lets you enjoy the outdoors.
