1 Gallon 128 fl. oz. • 3.78 l. net

DEER REPELLENT CONCENTRATE

Repels deer that browse upon flowers, bulbs, shrubs, and plants. Treats up to 1600 ornamental shrubs four feet high or approximately 16,000 sq. ft. depending on surface conditions and size of plantings.

Active Ingredients:

Putrescent Whole Egg Solids	6.2500%
Capsaicin and related Capsaicinoids	0.0045%
Garlic	0.0050%

Inert ingredients: 93.7405%

EPA Registration No. 67356-1
EPA Est. No. 067356-CT-001
Patent #5,368,866

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with this labeling.

USE RESTRICTIONS: This product may be used to repel deer that feed on flowers, bulbs, shrubs and plants, etc. Deer-off discourages deer from feeding on bulbs dipped in concentrate formulation for 5 minutes and allowed to dry. Do not apply directly on plants grown to produce human food or animal feed. Do not apply at temperatures below 40° F, when it is windy, or when vegetation is wet.

MIXING AND DILUTION DIRECTIONS: Shake container of DEER-OFF concentrate thoroughly prior to mixing. Mix concentrate with tap water at a ratio of 1 part concentrate to 7 parts water. Use 4 oz. of concentrate and 28 oz. of water to make a quart (32 oz.) of spray mixture. Contents of 1 gallon bottle makes 8 gallons of spray, when mixed with 7 gallons of water. **DO NOT OVER DILUTE THIS PRODUCT.**

APPLICATION DIRECTIONS: Shake container of DEER-OFF spray thoroughly before use. Spray leaves, stems and branches thoroughly from all angles, until run-off or leaves look wet. Treat vulnerable plants at the beginning of each damage season. Repeat treatment as new growth emerges or if the effects of the previous treatment appear to be waning.

One gallon of DEER-OFF concentrate yields enough spray to treat up to 1600 ornamental shrubs 4 ft. high or an area about 16,000 sq.ft. of treated plants. Surface conditions and size of plantings will affect the size of the area that can be treated with a given quantity of spray. Before large scale treatments, test product on a small area of each type of plant to be treated to make sure that DEER-OFF will not damage the plant.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store only in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°-90°. Keep tightly closed to prevent evaporation. If spillage occurs, dilute with water and flush away.

PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Sprayers should be triple rinsed before discarding. Do not reuse empty container. All containers, including mixing containers should be triple rinsed then offered for recycling or reconditioning, or punctured and disposed of in a sanitary landfill, or incinerated, or, if allowed by state and local authorities, burned. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS (FIRST AID)

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. In case of contact, wash thoroughly with soap and water after handling. May be hazardous to humans and domestic animals. **FIRST AID:** If in eyes, flush eyes with plenty of water. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Keep out of lakes, streams or ponds. Do not contaminate water by equipment cleaning or waste disposal.

LIMITED GUARANTEE

We guarantee to you, the original purchaser, that DEER-OFF will perform as promised on label, if it is applied within six months after date of purchase under normal conditions of use. This warranty shall not apply if product is not stored or not applied in manner described on label. If product is not effective, send us proof of purchase and letter of explanation. We will refund your purchase price or replace your purchase. DEER-OFF shall not be liable for any direct, consequential or incidental loss or damage. Refund or replacement is our sole obligation. If any other warranties are implied by law, such warranties shall be limited to the six-month period of above guarantee. Buyer assumes all risks of use and handling of this product especially when such use and handling are contrary to label instructions or under abnormal conditions.
