DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with this labeling.

**USE RESTRICTIONS:** This product may be used to repel deer, rabbits, tree squirrels and other animals that feed on edible crops, flowers, grass, bulbs, shrubs, plants, seedlings and trees. **DEER-OFF** discourages animals from feeding on bulbs dipped in concentrate formulation for 5 minutes and allowed to dry. Do not apply at temperatures below 40° F, or in wet, windy conditions.

**APPLICATION DIRECTIONS:** Shake container well before use. Spray leaves, stems and branches thoroughly from all angles, until run-off or leaves look wet. Treat vulnerable plants at the beginning of each damage season. Repeat as new growth emerges, and if the effects of the previous treatment appear to be waning.

One quart of **DEER-OFF** will treat 40-50 ornamental shrubs 4 ft. high or an area about 400-500 sq.ft.. Surface conditions and plant size will affect coverage area. Before large scale treatments, test product on a small area of each plant type.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store only in original container, in a cool, dry area. Keep away from children and pets. Protect from heat and freezing. Store between 40°-90°F. Keep container tightly closed to prevent evaporation. If spillage occurs, dilute with water and flush away.

**PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Do not reuse empty container. All containers should be triple rinsed then offered for recycling or reconditioning, or punctured and disposed of in a sanitary landfill, or incinerated, or, if allowed by state and local authorities, burned. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS (FIRST AID)

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. In case of contact, wash thoroughly with soap and water after handling. May be hazardous to humans and domestic animals.

**FIRST AID:** If in eyes, flush eyes with plenty of water. Call a physician if irritation persists.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Keep out of lakes, streams or ponds. Do not contaminate water by equipment cleaning or waste disposal.

LIMITED GUARANTEE

If the deer repellent is found defective when used in accordance with proper use, replacement or refund is our sole obligation. **DEER-OFF, Inc.** shall not be liable for any direct, consequential or incidental damage. Call **DEER-OFF, Inc.** for a copy of our limited guarantee.
