

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511C)
1200 Pennsylvania Avenue NW
Washington, DC 20460

EPA Reg. Number:

67356-4

Date of Issuance:

12/28/05

Term of Issuance:

Unconditional

Name of Pesticide Product:

WS-DOSP X03

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Woodstream Corporation
69 North Locust Street
Lititz, PA 17543-0327

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA Sec.3 (c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec. 4.
2. Submit Storage Stability and Corrosion Characteristics data within six months from the date of this letter.
3. Revise the EPA Registration Number to read, "EPA Reg. No. 67356-4."
4. Submit two (2) copies of your final printed label for the record, before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

James L. Anderson

16 FL. OZ (1PT.) (473 ml)
128 FL. OZ (1GAL.) (3.79 l)

WS-DOSP X03

Protects against deer, rabbits, and tree squirrels that feed on and damage flowers, plants, shrubs, grass, ornamental bulbs, trees and seedlings.

Patented Dual Deterrent System™ provides odor and taste barriers to repel deer, rabbits, and tree squirrels from browsing and feeding upon flowers, grass, ornamental bulbs, shrubs, plants, seedlings and trees. Weather-resistant formula provides effective protection [by forming both an odor and taste barrier to repel pests.]

[for 32 fl. oz size only]

Treats 45-50 ornamental shrubs four feet tall or approximately 400-500 square feet, depending on surface conditions, density and size of plantings.

[for 16 fl. oz size only]

Treats 20-25 ornamental shrubs four feet tall or approximately 200-250 square feet, depending on surface conditions, density and size of plantings.

[for 128 fl. oz. size only]

Treats 180-200 ornamental shrubs four feet tall or approximately 1600-2000 square feet, depending on surface conditions, density and size of plantings.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: This product contains egg solids, which may cause allergic reactions in some individuals. Not for direct use on plants intended for human consumption (i.e. food plants). Do not allow spray to drift onto plants intended for human consumption. Use this product to repel deer, rabbits, and tree squirrels that feed on flowers, plants, shrubs, grass, ornamental bulbs, trees and seedlings. Do not apply at temperatures below 40°F, or in wet, windy conditions.

APPLICATION DIRECTIONS: Shake the container of WS-DOSP X03 spray before use. Spray (non-food) leaves, stems, flowers and branches thoroughly from all angles, until run-off or leaves look wet. Treat vulnerable (non-food) plants at the beginning of each damage season. **Reapply every 2 – 3 months, or as new growth emerges, or if the effects of the previous treatment appear to be waning. Clean sprayer after each application to prevent clogging.**

[for 32 fl. oz size only]

One quart of WS-DOSP X03 ready-to-use spray treats 45-50 ornamental shrubs 4 feet tall or an area of about 500 sq. ft. Surface conditions, size and texture of planting will affect the area for treatment with a given quantity of spray. Before large-scale treatments, test product on a small area of plant type to avoid possible plant damage.

[for 16 fl. oz size only]

One pint of WS-DOSP X03 ready-to-use spray treats 20-25 ornamental shrubs 4 feet tall or an area of about 250 sq. ft. Surface conditions, size and texture of planting will affect the area for treatment with a given quantity of spray. Before large-scale treatments, test product on a small area of plant type to avoid possible plant damage.

[for 128 fl. oz size only]

One gallon of WS-DOSP X03 ready-to-use spray treats 180-200 ornamental shrubs 4 feet tall or an area of about 2000 sq. ft. Surface conditions, size and texture of planting will affect the area for treatment with a given quantity of spray. Before large-scale treatments, test product on a small area of plant type to avoid possible plant damage.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store only in a cool, dry area inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Contact your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID	
If in Eyes:	<ul style="list-style-type: none"> - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for treatment advice.
If on Skin or Clothing:	<ul style="list-style-type: none"> - Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a poison control center or doctor for treatment advice.
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment advice.</p>	

ENVIRONMENTAL HAZARDS: Do not apply directly to water or to areas where surface water is present, or to intertidal areas below the mean high water mark. Keep out of lakes, streams and ponds. Do not contaminate water when disposing of equipment washwater or rinsate.
