NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

Please note you are not entitled to the formulator's exemption since the you are using unregistered sources. Therefore, you would be responsible for both generic and end use data requirements.

2. Make the labeling changes listed below before you release the product for shipment:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 67375-2.

Note the product you have cited to satisfy the data requirements for registration is currently undergoing reregistration. The labeling for this product is subject to further comments once that reregistration process is completed.

3. Submit one copy of your final printed labeling before you

[BACK LABEL - INSECT CONTROL]

Our insect control uses extract of chili and essential oil of mustard to create a unique, dual-action, pesticide alternative which kills on contact and maintains a repellent action against many insects as indicated below. This product is a ready-to-use formula.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

INDOOR
Use Restrictions

Do not use on fabric or carpet as stains will result. Apply only in areas inaccessible to children and pets. Avoid contamination of feed and food stuff.

FOR DOMESTIC USE

General: Product is for the control of adult insects. Use stream setting. apply at 0.07 oz. (approximately 2 full trigger sprays) per sq. ft.

COCKROACHES, WATERBUGS, SILVERFISH, CRICKETS, EARWIGS, CENTIPEDES, MILIPEDES: Spray until wet in cracks and crevices, around baseboards, behind and beneath cabinets and appliances, around plumbing, and other localized areas infested with insects. After application, any product that is accessible to children and pets or that may contaminate feed or food stuff must be wiped off. repeat as necessary.

ANTS: Spray until surface is wet. Apply to ant trails, around doors and window frames and wherever ants enter the house. After application, any product that is accessible to children and pets or that may contaminate feed and food stuff must be wiped off. repeat as necessary.

SPIDERS: Spray pests directly wherever possible. Apply to localized areas where infestations occur. Spray until surfaces are wet, particularly around windows, doors, baseboards and crawl spaces. After application, any product that is accessible to children and pets or that may contaminate feed and food stuff must be wiped off. Repeat as necessary.

OUTDOOR

ANTS: Thoroughly wet hill and runways. Spray around walkways, porch, patios and foundations to prevent insect infestation. Repeat applications as infestations warrant and as reinfestations occur.

BEST AVAILABLE COPY

PRECAUTIONARY STATEMENTS
Hazards to Humans and Animals

CAUTION: Avoid contact with skin or eyes. May cause burning sensation to skin and eyes or nose due to capsicum oleoresin.

Statement of Practical Treatment

If on skin, wash with soap and water. If in eyes, flush with plenty of water. IF swallowed, burning sensation will occur mostly in throat. Drink plenty of water. Get medical attention if irritation persists. Do not spray directly on humans or animals.

STORAGE AND DISPOSAL

STORAGE: Store only in original container in a dry place inaccessible to children or pets.

DISPOSAL: Do not reuse empty container. Rinse thoroughly. Securely wrap in newspaper and discard in trash.
