Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 67405-2".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read All Directions Before Using This Product

To repel the listed insects, apply just enough repellent to cover exposed clothing. Do not use on skin or under clothing. Avoid overexposure; frequent reapplication and saturation is unnecessary for effectiveness. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated clothing and exposed skin with soap and water.

Avoid contact with plastics, such as eyeglass frames, and fabric such as acetate or rayon.

STORAGE: Store in original container in a cool, dry place inaccessible to children and pets. **DISPOSAL:** Do not reuse empty container; wrap in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Keep out of reach of infants and younger children. May cause eye injury. Instruct older children in the proper use of this product. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center immediately. **If In Eyes:** Flush with plenty of water. Get medical attention.

Physical or Chemical Hazards

Flammable. Keep away from heat or open flame.
