NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) since you have agreed in writing to our data and labeling requirements in our letter dated April 13, 1994.

1. Make the labeling additional changes listed below before you release the product for shipment:

- a. Change active ingredient to its singular form.
- b. The words, Active Ingredient and Inert Ingredients, must be printed in the type of the same size, given equal prominence and aligned to the same margin.
- c. Revise the following Statement of Practical Treatment:

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

Please note that the IF SWALLOWED and IF ON SKIN statements need not appear on the labeling based on the product's toxicity profile.

SIGNATURE OF APPROVING OFFICIAL	DATE
---------------------------------	------

d. The active ingredient should be identified as **Silicon Dioxide (from diatomaceous earth)....5%**.

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

4. With regards to the Confidential Statement of Formula (CSF), the upper and lower certified limits for the active ingredient should be 5.25 and 5.75 respectively. Please submit a corrected CSF.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca

Precautionary Statements

Hazard to Humans and Domestic Animals---CAUTION

Avoid breathing dust. Avoid contact with eyes.

Statement of Practical Treatment:

IF SWALLOWED: Drink water to reduce drying effects. Consult physician if irritation persists.

IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

IF ON SKIN: wash off with water. Use an over-the-counter moisture renewing lotion if drying occurs. Consult physician if irritation develops.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Apply in cracks and crevices, along baseboards and where bugs hide. For whole room coverage apply in a light misting motion over area to be treated. Let stand for 2 days to allow powder to work its way into base of carpet before vacuuming. For indoor use. Effective on ants and roaches.

STORAGE AND DISPOSAL: Do not contaminate water, feed or foodstuffs by storage or disposal. Store only in original container in a dry place inaccessible to children or pets.

Bottles: Do not reuse bottle. Rinse thoroughly before discarding in trash.

Bags: Do not reuse bag. Discard bag in trash.
