Subject: Label amendment and minor formulation changes for EcoPCO™ G
EPA Registration No. 67425-3

Dear Mr. Bessette:

We have completed our review of the label amendments and minor formulation changes for EcoPCO™ G, submitted with your letter dated December 8, 1998. We have no objections to the proposed amendments and minor formulation changes for this product. A stamped copy of the product label is enclosed.

However, we do object to the use of this product to mitigate the public health pest: cockroaches. You must either delete this pest (i.e., cockroaches) from the product label, or submit/cite efficacy data supporting claims for mitigating this public health pest.

Questions concerning our decision for this product should be directed to Richard King at (703) 308-8052.

Sincerely,

Kathleen D. King
