UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511W)
401 M Street, S.W.
Washington, DC 20460

EPA Reg. Number:

Date of Issuance:

67425-8

MAY 20 1999

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product:

EcoZAP™ Crawling and Flying Insecticide

Name and Address of Registrant (include ZIP Code):

EcoSMART Technologies, Inc.
555 Sun Valley Drive, Ste. F-3
Roswell, GA 30076

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Food Quality Protection Act (FQPA) was signed into law on August 3, 1996. Although full implementation of FQPA has not been achieved, the Agency has no reason to believe that the registration of this product will, in any way, violate the terms of the Act. If EPA determines, as a result of the FQPA implementation process, that the decision to register this product is no longer appropriate, the Agency will consider itself free to pursue whatever action may be appropriate, including, but not limited to, reconsideration of the registration decision.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and /or cite all data required for registration/reregistration of your product under FIFRA Sec.3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec.4.
2. Submit five copies of the final printed labeling before you release the product for shipment.
3. Make the labeling changes listed below before you release the product for shipment:
 - You must either delete all references and use directions for applications of this product to control the Public Health Pests -- cockroaches, fleas, mosquitoes, and Brown Dog Tick (re American Dog Tick), or submit efficacy studies supporting claims for controlling these pests.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

SHAKE WELL BEFORE USING. Hold container upright and aim nozzle away from person. Press button firmly to spray.

For Crawling Insects: Spray into hiding places such as cracks, crevices, openings around sinks, drains and pipes, around appliances, along baseboards and behind cabinets. Spray until wet. Contact as many insects as possible. Repeat as necessary. **Ants:** Spray ant trails, around doorsills, window frames, or in ant nest. Contact as many ants as possible. Repeat as necessary. **Bed Bugs:** Spray mattress lightly, particularly around seams and tufts. Take bed apart; spray bed frame and springs including all joints. Repeat as necessary. **Fleas and Brown Dog Ticks:** Spray infested areas such as pets bed and resting quarters, nearby cracks and crevices, along and behind baseboards, windows and door frames, and localized area of floor and floor covering where these pest may be present. Remove old bedding after treatment. Contact as many insects as possible. Repeat as necessary.

For Flying Insects: Close doors and windows. Direct mist upward in circular sweeping motion to all parts of the room especially around windows and other light sources. Whenever possible, keep doors and windows closed for 15 minutes after treatment. Also direct mist into areas where insects are present. Spray directly on insects for fastest action. Repeat as necessary. Avoid spraying over fish tanks.

Storage & Disposal: Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available. If recycling is not available, wrap in newspaper and place the empty container in a trash collector. Do not puncture or incinerate.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Wash thoroughly after handling. Avoid contact with eyes. Avoid breathing spray mist.

Physical or Chemical Hazards: Extremely Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not use this product in electrical equipment. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a doctor or get medical attention. Do not induce vomiting.

IF IN EYES: Flush with plenty of water. Consult physician if irritation persists.

IF INHALED: Remove victim to fresh air. Get medical attention if necessary.
