**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

**Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. Enclosed is a copy of your label stamped "Accepted", with comments. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.**

**Submit one (1) copy of final printed labeling with the following changes before you release the product for shipment:**

- 1. Below your misuse statement ("It is ... with its labeling.") in your "DIRECTIONS FOR USE", replace "Starlicide Technical ... blackbird control" with:**

**Starlicide Technical is an avicide for repacking or reformulating into registered products for use on structures; in livestock feedlots; feeding, roosting, staging and nesting areas; rangelands; pasturelands; refuges; decoy sunflower fields, and other non-crop areas.**
