**SIDE/BACK PANEL**

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed or inhaled. Avoid contact with skin, eyes or clothing. Avoid breathing of spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Do not wet the skin of animals. Avoid contamination of feed, foodstuffs, milk and milking utensils. Remove animals from barn when fogging or misting.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.

**If On Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**If In Eyes:** Flush eyes with plenty of water. Call physician if irritation persists.

**If Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

**DIRECTION FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

**Dairy Spray** is a quick knockdown contact spray for killing and repelling horn flies, house flies, mosquitoes and gnats and also kills lice. For fly control, apply daily; after using 3 days the residual repellent and killing action may be sufficient so that applications may be needed only every other day.

**Dairy Cattle:**

**Fly Control** - Apply **Dairy Spray** as a mist to the hair coat. Hold sprayer about 18 inches from the cow; apply mist to entire body from mid-neck region to tail, including the underline and the legs. The amount of spray used should not exceed 1 to 2 ounces per adult animal. Spray calves more sparingly. Do not wet the skin. Wash udder before milking.

**Lice Control** - Spray the animals with 2 ounces of **Dairy Spray**. Immediately rub the spray into the hair, paying particular attention to infested areas. Repeat as necessary, but not more frequently than once every three weeks.

**SIDE/BACK PANEL**

**DIRECTION FOR USE (Continued)**

**Dairy Barn and Milk Room** - When used as a space contact spray for flies and other insects, spray animals from barn and close doors and windows tightly. **Spray Dairy Spray towards ceiling** until a light fog hangs in air. Repeat as necessary.

**Beef Cattle, Hogs, and Other Farm Animals (Except Horses)** - Apply as a mist to the hair coat of farm animals for temporary repellent and killing action. Aids in controlling horn flies, house flies, mosquitoes and gnats. Do not wet the skin.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or food by storage or disposal.

**Pesticide Disposal:** Do not use, pour, spill or store near an open flame.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**NOTICE OF WARRANTY**

PM RESOURCES, INC. MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED CONCERNING THIS PRODUCT OR ITS USES WHICH EXTEND BEYOND THE USE OF THE PRODUCT UNDER NORMAL CONDITIONS IN ACCORD WITH THE STATEMENTS MADE ON THIS LABEL.
