UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

22 AUG 1994

OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

Mr. Thomas Penna
Universal Services
P.O. Box 5092
Ft. Lauderdale, FL 33310-5072

Dear Mr. Penna,

Subject: Additional Container Size-Revised Labeling :
Tri-Tech
EPA Registration Number 67538-1
Submission Dated May 26, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Three (3) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the product label is enclosed for your records.

1. Please note that a product submission made to the Agency must be accompanied by an **Application for Pesticide Registration form (EPA Form 8570-1)**, upon which is detailed the purpose of the submission and other relevant information as requested on the form.

2. It is assumed that the label as referenced above was submitted to reflect an additional container size of 12 ounces, in addition to the 20 pound container size currently on record with the Agency. The **STORAGE AND DISPOSAL** section of the product label must be revised as follows for a 12 ounce container.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store container in a dry area inaccessible to children and pets.

DISPOSAL: Wrap container in several layers of newspaper and discard in trash!

3. It has been noted that the company name has been changed from **Universal Services** to **Safe and Sure Products** on the submitted label. Make a formal submission requesting an adjustment of Agency records to reflect this change to the Agency using the Amendment Form 8570-1 as referenced in above.

Sincerely,

A handwritten signature in cursive script, appearing to read "M. J. Johnson, Jr.".

Mr. Marion J. Johnson, Jr.
Acting Product Manager 10
Insecticide-Rodenticide Branch
Registration Division

Kills: Cockroaches, Palmetto

Commercial

Residential

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. To control cockroaches, ants, and silverfish, apply liberally scattering under and behind refrigerator, stove, sink, dish-washer, washing machine & dryer, tub; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then scatter liberally in drawer wells. Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Avoid contamination of food and food stuffs.

Directions For Applying in New Construction to Control Cockroaches:
When treating large areas, such as wall voids, soffit and sub cabinet voids in new and existing construction dust liberally using dusting application equipment.

CRACK AND CREVICE TREATMENT

Food and Feed Handling Establishments: Places other than private residences in which food or food is held, processed, prepared or served.
Food Area Application Limited to Crack and Crevice Treatment Only: Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (When food is exposed and facility is in operation) also would be considered a food area. Apply in small amounts directly into cracks and crevices using a bulbous duster or other suitable equipment capable of applying insecticide directly into cracks and crevices, in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, conduits, motor housings and electrical switch boxes where cockroaches hide. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

Serving Areas: Facilities where prepared foods are served, such as dining rooms, but excluding areas where food may be prepared or held. Apply as a spot treatment to selected surfaces such as baseboards, under elements of construction into cracks and crevices. Avoid treating surfaces likely to be contacted by food (Do not apply when facility is in operation or foods are exposed).

Non-Food Areas: Includes garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, garages, mop closets and storage (after canning or bottling). Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets, and similar areas where insects hide or through which they may enter.

Precautionary Statements

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

HARMFUL IF SWALLOWED. MAY CAUSE EYE IRRITATION AVOID EYE CONTACT. WASH THOROUGHLY AFTER HANDLING.

Statement of Practical Treatment: Immediately contact poison control center or physician if swallowed. If eye contact occurs, flush eyes with plenty of water, get medical attention if irritation persists.

STORAGE AND DISPOSAL

Do not Contaminate Water, Food or Food by Storage or Disposal. Store in a Dry place. Do Not store where children or animals may gain access.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty container into application equipment. Dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities by burning. If burned stay out of smoke
