P.O. Box 1508
Covington, GA 30209-1508

[Back Panel]

**READ ENTIRE LABEL BEFORE EACH USE.
USE ONLY ON DOGS, CATS AND HORSES**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

DOGS AND CATS

Hold bottle in upright position when spraying cats and dogs: Cover animal's eyes with hand and with a firm stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks.

For Use As A Wipe

Cover pet's eyes with hand. Wipe head, ears and chest until damp. Rub into face around mouth, nose and eyes, avoiding direct contact with the eyes. For best penetration to the skin, direct wipe against the normal lay of the hair. Make sure wipe thoroughly wets ticks.

Do not repeat treatment for one week. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

Pet Sleeping Quarters

Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. The pet's bedding should be sprayed, making sure the area beneath the bedding is sprayed too. After the spray has dried, remove old bedding and replace with fresh bedding. Treat pets with a registered flea and tick control product before allowing them to enter treated area.

HORSES

To control stable flies, horse flies, deer flies and face flies apply to face, legs, flanks, top line and other body areas commonly attacked by these flies. Repeat treatment as needed.

For Use As A Wipe

Horses and Foals: First, brush animal to remove excess dirt and dust. Rub wipe into face around mouth, nose, eyes, ears and areas where flies are often seen. Then wipe the neck, legs, shoulders and shanks. Avoid using an excessive amount and do not wet skin. After application, brush thoroughly to bring out a bright sheen on the coat. Repeat as required. Avoid treatment of nursing foals. If treatment is necessary, spray on tips of fingers and rub into coat.

Storage and Disposal

Storage: Store in a cool, dry area. Protect from freezing. **Disposal:** Do not use empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Humans: Harmful if swallowed or inhaled. Avoid breathing mist. Avoid contamination of food. Wash hands with soap and water after using. **Animals:** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Environmental Hazards

This product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur.

Buyer assumes all risk of use, storage, or handling of this product in accordance with the label.
