Your Submissions Dated October 13, 2000

Dear Ms. Davis:

Your application The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

- 1) Please reinstate related compounds plus percentage for permethrin in the ingredient statement. These related compounds still appear on the labeling for your source products and it's active/inert status has not been determined.
- 2) Reinstate the asterisk and cis/trans ratio for permethrin since the toxicity of this chemical varies by ratio.

If you have any questions regarding this action, please contact Tracy Keigwin of my team at (703) 305-6605.

Sincerely,

George T. LaRocca
