Subject: Amended Product Labeling- Resubmission in response to Agency letter dated 12/16/96
R& M Hamster & Gerbil Spray
EPA Registration Number 65636-61. Transferred to 19713-429 on 2/5/97
Submission Dated December 27, 1996

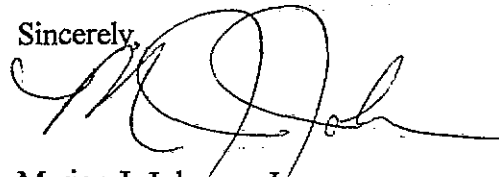

Dear Ms. Brown,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below.

1. The label "EPA EST #" should be corrected to reflect the final establishment number at which the product was produced.
2. The EPA Reg. No. should be changed from 65636-61 to 19713-429.

Five copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is attached for your records.

Sincerely,

Marion J. Johnson, Jr.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING - HOLD CONTAINER UPRIGHT

TO KILL FLEAS & LARVAE

CAGES: Hold sprayer at least two feet away from cage. Spray directly into cage. Also spray adjacent areas. DO NOT SPRAY ON PLASTIC CAGES.

PETS: Remove pet from cage. Hold sprayer and point nozzle opening in desired direction of spray. Spray the pet from a distance of 6-8 inches. Start spraying at the tail, moving the dispenser rapidly and making sure that the pet's entire body is covered, including the legs and under body. Fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Allow pet to dry before returning it to cage. As pet dries, keep it in a warm area to prevent it from getting chills. Repeat as necessary.

Pets and cages should be sprayed two to three times a week. It is advisable to replace bedding after each spraying.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area.

DISPOSAL: Do not re-use container. Wrap and discard in trash.

PRECAUTIONARY STATEMENT Hazards to Humans and Domestic Animals CAUTION

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and water after use.
