Subject: Submission of a proposed final label in response to an EPA letter dated June 25, 1997
Product Name: Dryacide®
Registration No.: 67595-1
Date of Submission: November 30, 2001
OPP Ident. No.: 271030

Dear Mr. Stang;

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

1. The Agency has recently published Pesticide Registration (PR Notice 2001-6) entitled "*Disposal Instructions on Non-Antimicrobial Residential/Household Use Pesticide Product Labels*". Contained within this PR Notice are specific requirements for Storage and Disposal statements for residential products. A copy of the PR Notice is available from the internet at the following URL address:
http://www.epa.gov/opppmsd1/PR_Notices/pr2001-6.pdf The Storage and Disposal Statement on your proposed label accordingly should be corrected to state the following:

"Store unopened or recapped in original container in a dry or well-ventilated area. If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain."
