Ms. Sally S. Christopher
Regulatory Compliance Specialist
The Clorox Company
c/o PS&RC; P.O. Box 493
Pleasanton, CA 94566-0803

Subject: CPPC PS Spray 19054
EPA Registration No. 67619-05
Application Date: 10/6/03
Receipt Date: 10/16/03

Dear Ms. Christopher:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable:

- Response to PR Notice 2001-1
- Additional text on page 3

LABEL COMMENTS

- On page three (3) and four (4) of the label add the word "glazed" before the word "porcelain".
- Under the "Storage and Disposal" statement, add the "Pesticide Storage" statement with the following language: Open dumping is prohibited. Store only in original container. Do not reuse empty container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

GENERAL COMMENTS

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

CPPC PS SPRAY 19054

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Clean: Rotate nozzle to ON position. Pull [blue] ring nozzle OUT for FOAM (great for walls), or push -or- leave it IN for SPRAY. Spray 6-8 inches from [the] surface. [and] Allow product to penetrate dirt and soap scum. Wipe with a wet sponge or cloth, or rinse with water. No scrubbing required. For tougher jobs, let product stand on surface for several minutes before wiping. For best results, use regularly to prevent soap scum build-up.

To Disinfect: Thoroughly clean the surface to be disinfected by following the above directions (remove excess dirt first in heavily soiled areas); re-apply, spraying entire surface until completely wet. Let stand 10 minutes before wiping.

TO INHIBIT mold and mildew growth on hard nonporous surfaces, spray surface thoroughly, let stand 10 minutes before wiping. Re-apply as new growth appears.

For 55 gallon drums: To Fill Secondary Spray Bottles, Refill Bottles or Buckets: Using a drum bung wrench, remove the light colored drum bung. Remove spigot from underside of bung. Drill or punch hole in the center of the bung and screw spigot tightly on to the top of the bung. With drum handling equipment, lay drum on side in rack or cradle with the spigot facing down. Slightly loosen second drum bung with wrench for venting. Rotate spigot lever 180° for dispensing. Close spigot and tighten vent when finished.

[If drum pump is available,] remove light colored drum bung with drum bung wrench and insert drum pump for dispensing product.

For Refill Bottles: To Refill:

Remove	Pour	Use	-or-
1. Remove trigger sprayer -or- cap from empty bottle.	2. Unscrew cap on refill and pour contents directly into empty bottle.	3. Replace trigger sprayer and use as you normally would.	Unscrew cap and transfer your trigger to this bottle.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if absorbed through skin. Harmful if inhaled. Avoid breathing spray mist. Do not get in eyes, on skin or on clothing. Wear safety glasses or goggles. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID:

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- Call a poison control center doctor immediately for treatment advice.
 - Have person sip a glass of water if able to swallow.
 - Do not induce vomiting unless told to by a poison control center or doctor.
- Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For further information, call 1-800-292-2200.

PHYSICAL AND CHEMICAL HAZARDS: Do not use or mix with bleach-containing products. To do so will release hazardous gases.

For containers greater than 5 gallons:

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal. **STORAGE:** Store only in a tightly closed container in a secure area inaccessible to children.

PESTICIDE DISPOSAL: Use up product in accordance to use directions. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse container. Triple rinse with water. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

[This package -or- bottle is made from [a minimum of] ___% [post-consumer] recycled plastic -or- resin -or- material [minimum].]
