U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

67619-10

JUL 10 2002

Term of Issuance:

Conditional

Name of Pesticide Product:

CPPC Everest

NOTICE OF PESTICIDE:

x Registration

 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Clorox Professional Products Company
c/o PS&RC
P.O. Box 493
Pleasanton, CA 94566-0803

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - A. Revise the EPA Registration Number to read, "EPA Reg. No. 67619-10".
 - B. Delete the term, "germs," from the label. Before a product can make a "germs" claim, they must demonstrate effectiveness against bacteria, viruses, and pathogenic fungi.
 - C. Delete all references to this product killing "common" bacteria. The use of the term, "common," in describing bacteria is too broad. You must be more specific by stating either "household, kitchen, or bathroom bacteria."
 - D. Under the deodorization -or- sanitization claims, remove the brackets from "hard, non-food contact surfaces" on claims 2, 4, and 16.

Signature of Approving Official:

Velma Noble
Product Manager 31
Regulatory Management Branch I
Antimicrobials Division (7510C)

Date

JUL 10 2002

- E. Under "Cleaning Continued," revise the 33rd claim by deleting the brackets around "glazed" because this adjective qualifies ceramic tile as a hard, nonporous surface.
- F. Disinfection Revisions (p.3)
 - 1. Add the following statements to the "To Disinfect" directions, *"For food contact surfaces; such as, institutional kitchen/restaurant counters, tables, and appliances, rinse disinfected surfaces with potable water. Do not use on glasses, dishes, or utensils."*
 - 2. Remove the brackets from "test method" in claim 6.
 - 3. Delete the claim, Why use an antimicrobial kitchen cleaner when this product provides antibacterial cleaning power" because it is a comparison claim with competitor products.
- G. Under General Claims, delete the "New and Improved Formula" claim. This claim is false and misleading because this formulation is substantially similar to a currently registered product. You may make the claim of "New" for a period of 6 months.
- H. Revise the Kennel directions by adding the following statements after the contact time: *"Do not house animals or employ equipment until product has been absorbed, dried, or set. Ventilate room thoroughly. For disinfection of feeding and watering appliances, scrub with use solution. Let surfaces remain wet for 10 minutes. Then thoroughly scrub all treated surfaces with soap or detergent and rinse with potable water."*
- I. Revise the Food Processing Plant directions to state *"follow the disinfection directions."*

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of this product constitutes acceptance of these conditions.

A stamped label is enclosed for your records. If you have any questions regarding this letter, please contact Velma Noble at (703) 308-6233.

Sincerely,

Velma Noble

Total Ingredients: 100.0%

NET CONTENTS _____

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Avoid contact with foods.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

For containers greater than 5 gallons: ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE/DISPOSAL:

For containers 1 gallon or less: Storage and Disposal: Store only in a tightly closed container in a secure area inaccessible to children. Do not reuse empty container. -or- Refill only with this product. Rinse (bottle) thoroughly before discarding in trash. -or- Rinse (bottle) and offer for recycling where facilities accept PET[1] -or- HDPE[2] plastic. Otherwise discard in trash.

For containers greater than 1 gallon: Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store only in tightly closed container in a secure area inaccessible to children.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse container with water. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE DISPOSAL: Use up product in accordance to use directions. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

OPERATING TRIGGER

To Operate:

Open hinged cover of sprayer and snap into opening on top. -or- Turn nozzle [counter-clockwise] to "spray" -or- "stream" [setting]. -or- Adjust [nozzle] to desired pattern.

-or- To open, turn the purple nozzle. Spray 6-8 inches from surface. Rub -or- wipe with [brush.] [paper towel.] [sponge.] [lint-free cloth] -or- [cloth]. Do not breathe spray or mist.

[This product] Can be used on -or- won't harm most washable surfaces, fabric, and carpet. Not recommended for use on soft vinyl, varnishes, or aluminum. If applied to those surfaces, rinse and wipe dry immediately. Apply to fabrics immediately before washing. For painted surfaces, test small area first. -or- For best results, always test a small area before washing -or- applying.

For surfaces that may come in contact with food, a potable water rinse is required.

To Fill Secondary Spray Bottles, Buckets: Using a drum bung wrench, remove the light colored drum bung. Remove spigot from under side of bung. Drill or punch hole in the center of the bung and screw spigot tightly on to the top of the bung. With drum handling equipment, [or drum on plate in rack] or cradle with the spigot facing down. Slightly loosen second drum bung with wrench for venting. Rotate spigot level with top of drum. Tighten and tighten vent when finished. [If drum pump is available.] remove light colored drum bung with drum bung wrench and insert drum pump for dispensing product.

Alternate for Refill Bottle: To Refill:

- | | | | |
|---|--|---|---|
| Remove | Pour | Use | -or- |
| 1. Remove trigger sprayer -or- cap from empty bottle. | 2. Unscrew cap on refill and pour contents directly into empty bottle. Use a funnel to minimize product spills -or- waste. | 3. Replace trigger sprayer and use as you normally would. | Unscrew cap and transfer your trigger to this bottle. |

ACCEPTED
JUL 10 2002
Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No 67819-10

CLEANING

DIRECTIONS FOR USE:

General [Kitchen/Bathroom/Floor] Cleaning: [Remove cooking ingredients and cooked food from areas to be cleaned.] [To Use Full Strength:] Spray product directly onto soils and wipe clean. -or- Directly apply [this product] with a cloth, sponge, mop, or trigger sprayer to completely wet surface and wipe clean. No rinsing needed. Repeat for heavily soiled areas. [To Use Diluted:] [To clean large hard surfaces and floors:] Mix 8 oz -or- 1 cup [of this product] with 1 gallon water. Wet surface completely with cloth, sponge, or mop.

To Clean/Remove Soap Scum: Spray product onto soils and wipe clean [with a dry paper towel or lint-free cloth or sponge]. -or- Just spray on and wipe off [with a dry paper towel or lint-free cloth or sponge]. No scrubbing or rinsing necessary. For best results, use a dry paper towel or lint-free cloth. Repeat for heavily soiled areas. For stubborn stains or heavily soiled areas or tougher jobs, allow product to penetrate [dirt and/or soap scum] before wiping. For best results, use regularly to prevent dirt and soap scum build up.

To Clean [Nonporous] Surfaces -and/or- Floors: Spray soiled area, then wipe clean. -or- For spot cleaning, spray straight from bottle and wipe clean with damp sponge -or- mop. [For larger areas, [remove trigger sprayer and] mix one cup of this product per gallon of warm water and apply with a sponge -or- mop.]

To Clean Toilets: To clean and deodorize toilet bowl, squirt liberally (1/2 cup) on toilet sides and upper toilet bowl rim. Swab -or- brush all surfaces thoroughly and flush.

See page 5 for additional cleaning instructions.

Claims:

- Removes -and/or- Cleans the following:
 - Mud • Dirt • [Splattered] Grease • Grime • Food Stains • Soap Scum • Fingerprints • Tough Soils • Crayon and Pencil [Marks] • Pen -or- Ink [Marks] • Heel Marks • Bathub Ring • Beverage Stains • Pet Stains • Juice Stains • Wine Stains • Outdoor Grime • Cosmetics • Smudges
- Starts to work before you do -or- [start to] wipe
- An effective [non-food contact surface] cleaner for use in the [institutional] kitchen, bathroom, bedroom, and other areas
- Cleaner [for institutional use]
- [The] One Step Cleaner

- [Still] Great for Kitchens
- [Still] Tough on Greasy Soils
- [Now] Works on Soap Scum
- [Now] Great for Kitchen[s] -and/or- Bathroom[s] [soils] [too]
- Still Great for Bathroom [Soils] -and/or- soap scum
- Still Great for Cleaning Power
- Formula for Bathrooms
- [Now] Great in the Kitchen and Bathroom
- Cuts -or- Cleans [Greasy Dirt,] -and/or- [Soap Scum] -and/or- [Bathroom Soils]
- Cuts -or- Cleans Grime in Kitchens and Bathrooms [Fast]
- Cuts -or- Cleans Kitchen and Bathroom Grime -and/or- Soils [Fast]
- Cleans [Fast] [in Kitchens and Bathrooms]
- [Great] For Everyday use [in Kitchens and Bathrooms]
- Cleans kitchen, bathroom and other [institutional] surfaces
- Cleans surfaces
- Cuts greasy dirt fast
- This product's formula cleans
- Floor cleaner
- Cleans everyday kitchen -and/or- bathroom messes
- Cleans kitchen -and/or- bathroom surfaces
- Cuts [through] tough kitchen -and/or- bathroom [grease,] [grime] [and] [soils]
- Cleans soap scum -or- dirt -or- build-up
- Cuts grease
- Degreases
- Powers through [tough] [kitchen] [grease] -or- [messes] -or- [dirt]
- Degreases and deodorizes
- Degreaser
- Powerful All Purpose Cleaner
- Powers through your toughest cleaning jobs
- Makes your [cleaning] job easier [in the] [kitchen] [bathroom]
- Good for everyday cleaning -and/or- for your toughest messes
- [Easily cleans the] toughest [on] grease [and grime]
- Cleans [everyday messes] [grease and grime]
- Can be used full strength or diluted [for a variety of heavy duty to lighter cleaning tasks]
- Strong enough to cut through automotive grease, yet won't harm fabric
- Can be used diluted for lighter cleaning tasks or full strength for [big] [tough] jobs
- Good for most indoor and outdoor cleaning tasks
- Strong [cleaner]

CLEANING CONTINUED

- Can be used for a variety of indoor and outdoor cleaning tasks
- Deep clean [formula]
- Prevents [odors] [dirt] [soap scum] [build up]
- Toughest on grease
- Makes your [cleaning] job easier [in the] [kitchen] [bathroom]
- Cuts cleaning time
- Cleans the toughest soils
- Quickly cuts through the toughest grease
- Contains more grease cutters
- Contains the most powerful grease cutters
- The most powerful APC -or- degreaser you can buy
- Starts cleaning on contact
- Improved [grease fighting] [formula]
- Unbearable [on] grease removal
- Fast action cleaner
- Fast [Strong] cleaning power
- Perfect [Ideal] for [greasy] [tough] [grimy] messes [in the] [kitchen/bathroom/bedroom]
- Fast, easy cleaning solution
- Powers through tough grease and grime [including bathroom soils] [such as soap scum]

- Cuts [tough] grease [and grime] quickly [and easily]
- Effectively removes [everyday] soils on: Table 1 use sites
- Tough cleaning with a [fresh] [light] [lemon] scent
- Improved [New] [Better] grease cutter -or- fighter -or- cutting formula -or- fighting formula
- [Improved] [New] formula fights grease
- Now [even] tougher on [kitchen] grease
- Now fights grease better
- Now more -or- improved grease fighting power
- Now cleans even better on grease
- [Improved] [New] [Better] grease fighting formula
- [Improved] [New] [Better] grease cutter
- [Now] Better -or- Tougher on [tough] -or- [kitchen] grease
- [Cleans and] Deodorizes
- Cleans all [washable] floors including ~~re-wax floors~~, linoleum, vinyl and [glazed] ceramic tile

DEODORIZATION -or- SANITIZATION

To Deodorize -and/or- To Sanitize Non-Food Contact Surfaces: Spray until thoroughly wet. -or- Apply [this product] with mop, cloth, sponge, or trigger sprayer to completely wet all surfaces. Let stand 30 seconds. Then wipe. For heavily soiled areas, a pre-cleaning is required.

Claims:

- Deodorizer [for Institutional Use]
- An effective [non-food contact surface] sanitizer for use in the kitchen, bathroom, bedroom, and other areas
- Sanitizer [for Institutional Use]
- This product is a sanitizer for hard [and nonporous, non-food contact] surfaces according to the method for Sanitizers - Non-Food Contact Surfaces, modified in the presence of 5% organic serum, in 30 seconds against: *see organism list*
- Kills 99.9% of the following organisms [in 30 seconds]: *see organism list*
- Kills 99.9% of ~~_____~~ bacteria [in seconds -or- in 30 seconds]
- Sanitizes [kitchen] [bathroom] surfaces in 30 seconds
- One step cleaning and sanitizing

- Kills ~~_____~~ bacteria [and sanitizes without bleaching]
- Kills odor causing bacteria in the kitchen -or- bathroom
- Cleans -or- shines -or- sanitizes washable kitchen -and/or- bathroom -and/or- surfaces and fixtures
- Eliminates odors caused by bacteria [and mildew] -or- [and non-fresh foods]
- Eliminates food odors like garlic and onion left behind on kitchen surfaces after cooking
- Removes -or- Eliminates odors
- Leaves surfaces sanitary
- Kills 99.9% of Staphylococcus aureus and Enterobacter aerogenes [on hard, nonporous surfaces] [in 30 seconds]
- [New] Antibacterial [Formula]

Organisms:

Enterobacter aerogenes, Staphylococcus aureus (Staph)

Use Sites:

See Table 1

DISINFECTION

To Disinfect: Spray until thoroughly wet. -or- Apply [this product] with mop, cloth, sponge, or trigger sprayer to completely wet all surfaces. Let stand 10 minutes. Then wipe. For heavily soiled areas, a pre-cleaning is required.

Claims:

- [New] Antibacterial [Formula]
- Antibacterial Cleaning Power [for Kitchens and Bathrooms]
- [Now] kills ~~_____~~ bacteria
- [Cleans and] Disinfects
- An effective disinfectant for use in the kitchen, bathroom, bedroom, and other areas
- This product is a Broad Spectrum disinfectant, bactericidal according to the AOAC Germicidal Spray Products [test method] against: *see organism list*
- Disinfectant [for Institutional Use]
- Kills [most] ~~_____~~ bacteria [while it cleans] [tough] [everyday] [kitchen] [bathroom] messes

- Antibacterial Cleaning Power [on hard, nonporous surfaces] [for Kitchens and Bathroom]
- Cleans and Disinfects ~~_____~~ [everywhere]
- Kills ~~_____~~ bacteria on washable kitchen -and/or- bathroom surfaces and fixtures
- ~~When use on antibacterial disinfectant power when this product provides antibacterial cleaning power (on hard nonporous surfaces)~~
- Cleaner and disinfectant in one

Bactericidal against the following [organisms]: -or- [This product] kills the following [organisms]: -or- Disinfects against the following [organisms]: Bacteria: Pseudomonas aeruginosa (Pseudomonas), Staphylococcus aureus (Staph), Salmonella choleraesuis (Salmonella)

Use Sites:

See Table 1

EPA Reg. No. 67519-XX CPPC Evtel Page 4 of 5

GENERAL CLAIMS:

Non-disinfectancy-related bullets/bursts/sentences:

- (New) [Non-Chlorine] Formula
- Contains no abrasives, harsh acids
- Non-abrasive formula (will not scratch surfaces)
- Just spray and wipe
- No mixing
- Pump spray
- Trigger spray
- Mild, clean, pleasant, pleasing, citrus, lemon, light, fresh, mint, powder, floral scent(ed)
- Non-Chlorine Formula: Will not bleach clothing or colored surfaces
- For use on both white and colored hard surfaces

- Cleans without bleaching
- Contains no bleach
- No streaking or filming
- Clear formula
- Works quickly
- Works on a wide range of surfaces, both indoors and outdoors
- Versatile
- Fresh (Clean) (Lemon) (Light) Scent
- Leaves area smelling clean with a light fresh (lemon) scent
- Leaves no soapy residue
- Easy to use
- Cleaner, degreaser, disinfectant

**TABLE 1
Use Sites**

Use on hard, nonporous surfaces in:

- Bathrooms • Restrooms • Kitchens • Garages • Hotels • Motels • Institutions • Public Facilities • Offices • Public Telephone(s) [Booths] • [Institutional] Laundromats • Churches • Military Installations • Schools • Day Care Centers • Nurseries • Dorms • Shelters • Laboratories • Pharmacies • Health Clubs • Gymnasiums • Recreational Centers • Recreational Facilities • Cafeterias • Restaurants • Institutional Kitchens • Supermarkets • Grocery Stores • Butcher Shops • [Food Processing] Plants • Warehouse Clubs • Automobiles • Cars • School Buses • Boats • Campers • Mobile Homes • Ambulances • Bowling Alleys • Playgrounds • Vacation Homes • Play Areas • Factories • Shops • Convenience Stores • [Damp] Storage Areas • Bathroom -or- Locker Room Facilities • Kennels

[Special] (Instructions for) Kennels: Remove all animals, feeds, animal transportation vehicles, crates, litter, and droppings from premises. Empty feeding and watering appliances. Thoroughly clean surfaces with soap or detergent and rinse with water. Wet surfaces with 1 cup per gallon of disinfectant solution for 10 minutes. Rinse treated surfaces with water. Rinse feeding and watering appliances with potable water. Ventilate room thoroughly. Do not house animals or employ equipment until the treatment has been absorbed, set or dried.

[Special] (Instructions for) Food Processing Plants: Before disinfecting area, food products and packaging materials must be removed from room or carefully protected. Follow similar instructions described for kennels.

Use on non-critical surfaces in:

- Hospitals • Patient Rooms • Nursing Homes • Medical Clinics • Examination Rooms • Dental Offices • Physicians' Offices • Veterinary Offices

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Surfaces: [Use this product on] [Washable] Hard, Nonporous Surfaces: • Shelves and Drawers • [Washable] Floors [including linoleum, no-wax, vinyl, and [glazed] ceramic tile] • Countertops -or- Counters • Sinks • Tables • Chairs • [Washable] Walls • Doors • Cabinets • Door Knobs • Telephones • Glazed Porcelain Tiling -or- Tile • Garbage Cans • Finished or Painted Woodwork • [Hard] Plastic • Hard Vinyl • Glass • Windows • Finished Window Sills • Fixtures • Glass-topped Furniture • Enamel • Synthetic Marble • Chrome • Stainless Steel • Glazed Porcelain • [Vinyl] Linoleum • Metal • Fiberglass • Metal Blinds • Light Fixtures • Piano Keys • Refrigerator Exterior • Freezer Exterior • Microwave Exterior • Stove-tops or Stoves • Exhaust Fans • Range Hoods • [Kitchen] Appliance Exteriors • Highchairs (Non-Food Contact Areas) • Burner Trays • Oven Doors • Washable Kitchen Surfaces • Bottoms of Pots and Pans • Crystal (Non-Food Contact Area) • Diaper Pails • Plastic Laundry Hampers -or- Baskets • Shower Stalls -or- Showers • Tubs • Glazed [Ceramic] Tile • Toilets • Portable Toilets • Fixtures • Bed Frames • Cribs • Changing Tables • Vanity Tops • Picnic Tables • Outdoor -or- Patio Furniture • Tires • Tools • [Hard] Plastic • Boats • Garage Surfaces • Trailers • RVs • Sports Equipment • Windshields • Vehicles • Outdoor Grill Exteriors
