(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Clorox Professional Products Company  
P.O. Box 493  
Pleasanton, CA. 94566-0803

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.  
Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Revise the label as described below, changing the EPA File symbol 67619-RR to EPA Registration Number 67619-11.
3. Under the list of ingredients state the available chlorine.
4. Under Disinfection heading append "at room temperature" to Allow to air dry.
5. Under Claims caveats delete Clean and disinfect, anytime, anywhere.
6. Under Claims caveats delete The answer to your disinfecting needs.
7. In Table Two add exterior only after microwaves, ovens, and refrigerators.
8. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Your release for shipment of the product constitutes acceptance of these conditions.

Copies of our reviews of data submitted with your application are enclosed and are not part of the label.
