Ms. J. Evelyn Lawson
 Clorox Professional Products Company
 c/o PS &RC; P.O. Box 493
 Pleasanton, CA 94566-0803

Subject: CPPC Storm
 EPA Registration Number 67619-13
 Application Date: 10/13/05
 Receipt Date: 10/17/05

Dear Ms. Lawson:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

- To add additional organisms (Clostridium difficile (vegetative form), Streptococcus pneumoniae, Avian Influenza A virus and Norwalk virus (as Feline calicivirus) to your label.

Conditions

- On front panel, center the signal word "WARNING" underneath "Keep Out Of Reach Of Children".
- Under the "First Aid" statement place the "Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage".
- On page 2, the contact time must be listed on the chart as following:

Streptococcus pneumoniae	30 seconds
Clostridium difficile (vegetative form)	1 minute
Avian Influenza A virus	1 minute
Norwalk virus (as Feline calicivirus)	1 minute

- On page 3 and 5, delete the following claims: "That the product, applied with Formula A02 and a foaming trigger, kills mold and mildew on hard, porous surfaces (e.g., grout, cement) at a 10-minute contact time". "That the product, applied with Formula A02 and a foaming trigger, destroys mold spores". You must provide data to support the use of Formula A02 with foaming trigger to kill mold and mildew on hard porous and nonporous surfaces.

		CONCURRENCES					
SYMBOL	7510c						
SURNAME	Law						
DATE	2/23/06						

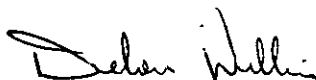

5. The label needs to be revised to comply with DIS/TSS-18 (Label Requirements for Farm Premise Disinfectants) and DIS/TSS-19 (Label Requirements for Poultry House Disinfectants). The Agency, in a letter dated November 24, 2004, previously requested that these revisions be made.
6. Make the following revisions to the proposed label, as appropriate:
 - On page 3, under “**To remove mildew stains**” change “may a require longer On page 6, change “[Seeks out and] kills mildew at its roots” to read: “[Seeks out] and kills mildew at its roots”.
 - On page 3, under “**To clean and disinfect toilet bowls**” change “add 1 cup this product” to read: “add 1 cup of this product”.
 - On page 3, under “**Floors**” change “add 1 cup this product” to read: “add 1 cup of this product”.
 - On page 8, change “outdoor furniture” to read: “outdoor furniture (except cushions and wood frames)”.

General Comments

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Delores Williams at (703) 308-6372.

Sincerely,

for Emily Mitchell

ACCEPTED
with COMMENTS
EPA Letter Dated:
FEB 23 2006

CPPPC STORM

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No.

67619-13

Active Ingredient:
Sodium Hypochlorite 2.40%
Other Ingredients: 97.60%
Total..... 100.00%
(Available Chlorine...2.28%)

KEEP OUT OF REACH OF CHILDREN.

WARNING: Eye irritant. Use only in well ventilated areas.

SEE BACK LABEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

NET WT _____

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes substantial, but temporary, eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Vapors may irritate. Use only in well ventilated areas. Avoid prolonged breathing of vapors. Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

STORAGE AND DISPOSAL: Store this product in a cool [dry] area [away from direct sunlight and heat] to avoid deterioration. Do not reuse empty container. -or- Refill only with this product. Offer empty container for recycling. If recycling is not available, discard container in trash.

CPPC STORM

AVOID PROLONGED BREATHING OF VAPOR

Use in well ventilated areas. Open windows and turn on fans before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves.

[Refill only with this product]

Alternate for Refill Bottle: To Refill (Spray Bottles):

- | | | |
|---|--|--|
| <p>Remove</p> <p>1. Remove trigger sprayer -or- cap from empty bottle.</p> | <p>Pour</p> <p>2. Unscrew cap on refill and pour contents directly into empty bottle.</p> | <p>Use</p> <p>3. Replace trigger sprayer and use as you normally would.</p> |
|---|--|--|

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DISINFECTION

To [clean and] disinfect [and deodorize] hard, nonporous surfaces: [Set trigger to SPRAY or FOAM.] Spray 6-8 inches from surface until surface is thoroughly wet. Let stand for contact time listed below -or- on label. Wipe excess. [Rinse.] Allow to air dry. Rinse with potable water for food-contact surfaces. For all others, no rinsing is required. Gross filth should be removed prior to disinfecting. [If streaking is observed, wipe with a clean, damp [cloth or] paper towel.]

EPA Reg. No. 67619-13 CPPC Storm Page 3 of 8

CPPC STORM

The following is only for products with medical devices listed on the label:

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream, or normally sterile areas of the body, or (2) contacts intact mucous membranes, but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Special Instructions for Use Against HIV-1

This product kills HIV-1 on precleaned environmental surfaces/objects previously soiled with blood/body fluids in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus (HIV-1) (associated with AIDS).

Special instructions for using this product to clean and decontaminate against HIV-1 on surfaces/objects soiled with blood/body fluids:

Personal Protection: When handling items soiled with blood or body fluids, use disposable impervious gloves, gowns, masks and eye coverings.

Cleaning Procedure: Blood and other body fluids must be thoroughly cleaned from surfaces and other objects before applying this product.

Contact Time: Allow surfaces to remain wet for 30 seconds. Wipe excess. [Rinse.] Allow to air dry. For all other organisms, see directions for contact times.

Disposal of Infectious Materials: Use disposable impervious gloves, gowns, masks and eye coverings. Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

To clean -and/or- remove stains: [Set trigger to SPRAY or FOAM.] Spray, wait a few minutes, [rinse] and allow to air dry. [If streaking is observed, wipe with a clean, damp [cloth or] paper towel.] [If excess foam dries on nozzle, rinse with warm water.]

To remove mildew stains: Turn nozzle to FOAM position. Spray 6-8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. [If excess foam dries on nozzle, rinse with warm water.] [This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.]

~~**For use with Formula AD2 and foaming trigger:** To kill mold and mildew on hard, porous surfaces [such as grout and cement], spray surface until thoroughly wet, let stand 10 minutes, and rinse. [Repeat application, if necessary]. [If excess foam dries on nozzle, rinse with warm water.] [This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.]~~

To clean soap scum: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking. [If excess foam dries on nozzle, rinse with warm water.]

To clean and disinfect toilet bowls: Flush toilet and add 1 cup this product to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 minutes before flushing.

Floors: Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup this product per gallon of warm water. Rinse for best shine.

Works on grout, [bath]tubs, toilets, fiberglass, shower doors, vinyl curtains, counters -or- countertops, sinks, glass, plastic, glazed ceramic tile, unglazed ceramic tile, no-wax floors, basement floors, windowsills, refrigerator seals, and under the sink. Rinse immediately after use on rubber, plastic and vinyl. [Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain.] Do not use on wood or painted surfaces unless you plan to refinish or repaint them. [This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.] Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor.

Note: **Bold, italicized text** and (*italicized text within parentheses*) is information for the reader and is not part of the label. [Bracketed] information and phrase sequence are optional unless specified in 40 CFR 156.10. Variables such as CAPITALIZATION, plurals or singular, bold and italics are optional unless specified in 40 CFR. Listed uses and use sites can be used partially or in their entirety. Underlined text is new. Strike-through (~~text~~) means removed.

CPPC STORM

Cleaning Claims:

- Bathrooms, sinks and faucets and floor areas
- Cleans
- [Clorox] essential for the purest clean
- Commercial solutions
- Contains bleach
- Fresh lingering bleach scent
- Just spray and wipe; no scrubbing required!
- Leaves a fresh bleach scent
- Leaves no residue
- [New] sudsing -or- foaming action
- Plus [with] Clorox® Bleach
- Pool and outdoor areas
- Removes _____ (*insert stain(s)/soil(s) from list below*)
- Removes stains
- [The] smell of clean

Stains/Soils:

- Blood
- Body oils
- Coffee [stains]
- Dead skin
- Dirt
- Fecal matter
- Fingerprints
- Food residue[s] -or- soil[s]
- Fruit [stains]
- Grease
- Grime
- Laboratory stains
- Mildew stains
- Mold stains
- Other common soils -and/or- stains
- Other organic matter
- Tea [stains]
- Urine

ALLERGEN DESTRUCTION

To [clean and] destroy specified allergens: [Set trigger to SPRAY or FOAM.] Spray, wait 1 minute, and wipe excess. [Rinse.] Allow to air dry. [If streaking is observed, wipe with a clean, damp [cloth or] paper towel.]

Allergens:

- Cockroach matter -or- particles
- Dust mite matter -or- particles
- Pet dander -or- dog and cat dander

Claims:

- Breaks Down Many Allergens[!]
- Destroys Many Allergens[!]
- Destroys -or- deactivates dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- [Penetrates and] breaks down dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- Reduces dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- Reduces Many Allergens[!]
- This product kills germs and destroys many allergens while cleaning hard, nonporous surfaces.

General Claims:

- Convenient
- Does not contain mercury
- Does not contain nonylphenol ethoxylates (NPEs) -and/or- alkylphenol ethoxylates (APEs)
- Does not contain VOCs
- Easy and convenient to use
- Easy to handle
- Eliminates [daily] mixing and measuring
- Foam trigger eliminates airborne particles associated with sprays
- Foam trigger helps to minimize potential overspray
- Mercury free
- No measuring
- No mixing
- Nonylphenol ethoxylate (NPE) -and/or- alkylphenol ethoxylate (APE) free
- Ready to use
- Shelf-stable formula
- Stable for one year
- [Contains] the power of Clorox Bleach [without the strong odor]
- VOC free

Note: **Bold, italicized text** and *(italicized text within parentheses)* is information for the reader and is not part of the label. **[Bracketed]** information and phrase sequence are optional unless specified in 40 CFR 156.10. Variables such as CAPITALIZATION, plurals or singular, bold and italics are optional unless specified in 40 CFR. Listed uses and use sites can be used partially or in their entirety. CPPC STORM

Pesticidal/Disinfecting Claims:

- Destroys mold and mildew in [just] 5 minutes
 - Destroys mold, mildew and bacteria [in just 5 minutes]
 - Disinfects as it cleans big jobs
 - Disinfects as it kills [destroys] [eliminates] common household mold, mildew and bacteria
 - Disinfects as it kills [destroys] [eliminates] [wipes out] [removes] mildew
 - Disinfects with bleach
 - Eliminates mold and mildew in [just] 5 minutes
 - Eliminates mold, mildew and bacteria [in just 5 minutes]
 - Even mold isn't too tough for this product!
 - Got Mold? Kill [Destroy] [Eliminate] [Wipe out] [Remove] it with this product!
 - Kills [Destroys] [Eliminates] 99.9% of household molds
 - Kills [Destroys] [Eliminates] 99.9% of household molds and mildew in just 5 minutes
 - Kills [Destroys] [Eliminates] and removes mold and mildew
 - Kills [Destroys] [Eliminates] mildew without scrubbing
 - Kills [Destroys] [Eliminates] mold and mildew
 - Kills [Destroys] [Eliminates] tough mildew without scrubbing
 - Kills [Destroys] [Eliminates] tough mold and mildew without scrubbing
 - Kills [Destroys] [Eliminates] tough mold, mildew and bacteria in just 5 minutes
 - Kills [Destroys] [Eliminates] [Wipes out] [Removes] mold, mildew and bacteria as it cleans
 - Kills [Destroys] [Eliminates] [Wipes out] [Removes] visible mold
 - Kills [Eliminates] and destroys mold and mildew
 - Kills mold and mildew in [just] 5 minutes
 - Kills mold, mildew and bacteria [in just 5 minutes]
 - Kills most common household molds
 - Lifts off and cleans soap scum to penetrate, kill and destroy mold, mildew and bacteria
 - Mold is alive. Kill [Destroy] [Eliminate] [Wipe out] [Remove] it with this product!
 - Penetrates to eliminate and destroy tough mold, mildew and bacteria at its source
 - Penetrates to kill and destroy tough mold, mildew and bacteria at its source
 - Proven to kill most common household molds!
 - This product doesn't just clean [the] stains, it kills [destroys] [eliminates] [wipes out] [removes] [the] mold!
 - This product kills Staphylococcus aureus (Staph), Streptococcus pyogenes (Strep), Trichophyton mentagrophytes (Athlete's Foot Fungus), Aspergillus niger (mildew), Salmonella choleraesuis (Salmonella), Pseudomonas aeruginosa (Pseudomonas), Penicillium chrysogenum (Penicillium), Alternaria alternata, Cladosporium herbarum, Mucor bainieri
 - You've got mold. Kill [Destroy] [Eliminate] [Wipe out] [Remove] it with this product.
- ~~Use with Formula 102 and foaming trigger:~~
- Easily removes mildew, mold and bacteria from grout and also quickly destroys and kills them in hard-to-clean areas such as caulking, corners and crevices, without scrubbing.
 - Easily removes tough mildew and mold from grout.
 - Not only destroys mold and mildew, but also destroys and removes the mold spores.
 - Not only eliminates mold and mildew, but also destroys and removes the mold spores.
 - Not only kills mold and mildew, but also destroys and removes the mold spores.
 - Works [kills mold] on all [hard, porous and nonporous] bathroom surfaces.

Note: **Bold, italicized text** and (*italicized text within parentheses*) is information for the reader and is not part of the label. Pesticidal/Disinfecting Claims continued:

For use with Formula A02:

- Attacks mildew at its roots
- Gets into and eliminates mildew even in hard-to-clean places – without scrubbing
- Kills mold and mildew at its roots
- Kills mold and mildew in hard-to-clean areas (places) [such as caulking, corners, crevices, cracks]
- Penetrates to kill and destroy tough mold, mildew and bacteria at its source
- Penetrates to kill mildew in hard-to-clean places
- [Seeks out and] kills mildew at its roots
- [Seeks out and] kills mildew even in hard-to-clean places
- This product has a penetrating foam that seeks out and kills mildew even in tile grout, caulking and corners
- This product penetrates deep beneath the surface
- With Deep Penetrating Foam

Mildew grows deep in cracks.

Foam penetrates deep to [kill] [get] mildew at its roots.

- [5 minute] broad spectrum no-rinse disinfectant for non-food contact surfaces
- A Clorox breakthrough in [medical/dental/veterinary/health care] bleach disinfection
- [A] one-step cleaner/disinfectant
- Aids in reducing -or- in the reduction of cross-contamination between treated surfaces
- Assures proper dilution strength, product effectiveness and standardizes technique
- Bactericide -or- Bactericidal
- Broad spectrum disinfectant [with Clorox Bleach]
- [Cleans and] disinfects [hard, nonporous surfaces]
- Cleans, deodorizes and disinfects
- Deodorizes by killing the germs that cause odors
- Disinfecting formula
- Disinfects [and deodorizes]
- Disinfects and deodorizes by killing germs and their odors
- Effective against -or- Kills _____ (insert any organism(s) from table on page __) [in the presence of organic soil [(5% blood serum)]]
- Effective against -or- Kills a wide range of bacteria including Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa [in the presence of organic soil [(5% blood serum)]]
- [Effectively] disinfects [hard, nonporous] [environmental] surfaces
- Eliminates odors [caused by germs -or- bacteria -and/or- mildew] at their source
- Eliminates -or- Reduces odors [caused by germs -or- bacteria -and/or- mildew]
- Exhibits effective virucidal activity
- Fungicide -or- Fungicidal
- Germicide -or- Germicidal
- Kills bacteria, viruses, mold, mildew
- Kills many common bacteria and viruses
- Kills odor-causing bacteria -or- germs
- Kills -or- Destroys mold and mildew
- Kills -or- Effective against bacteria
- Kills -or- Effective against germs
- Kills -or- Effective against viruses
- Meets [the disinfection requirements of] OSHA[s] Bloodborne Pathogen Guidelines -or- Standards
- Mildewcide -or- Mildewcidal
- Multi-purpose disinfectant
- Prevents -or- controls mold and mildew growth
- Pseudomonocidal
- [Ready-to-use] hospital [grade] disinfectant
- Reduces the risk of infection and cross-contamination
- Staphylocidal
- Streptocidal
- The answer to your disinfecting needs
- The easy, convenient way to clean and disinfect with Clorox Bleach
- [The] quick -and/or- easy -and/or- convenient way to disinfect
- [This product] controls the spread of germs on most hard, nonporous surfaces
- This product meets AOAC efficacy testing requirements -or- standards for hospital disinfection
- Tuberculocide -or- Tuberculocidal
- Use where control of the hazards of cross-contamination between treated surfaces is of prime importance
- Virucide -or- Virucidal
