P.O. Box 493
Pleasanton, CA 94566-0803

Subject: PRIA Label Amendment – Efficacy review to add SARS-CoV-2
Product Name: CPPC Storm
EPA Registration Number: 67619-13
Application Date: October 16th, 2020
Action Case Number/Decision Number: 567089

Dear Mr. Herber:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. Pursuant to 40 CFR 156.10(a)(6), you must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Assurance.

Page 2 of 2
EPA Reg. No. 67619-13
Action Case No./Decision No. 567089

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Andrés Garzón by phone at (703) 347-8547, or via email at GarzonMoreno.Andres@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Hebert", with a stylized flourish extending from the end.

John Hebert, Chief
Regulatory Management Branch 1
Antimicrobials Division (7510P)
Office of Pesticide Programs

CPPC Storm, EPA Reg. No. 67619-13

R0621125

12:45 2/25/21

ACCEPTED

03/01/2021

Under the Federal Insecticide, Fungicide
and Rodenticide Act as amended, for the
pesticide registered under
EPA Reg. No. 67619-13

Formatting notes (applicable for all claims)

Now[!] -and/or- New[ly][!] -and/or- Improved[!] may be added anywhere to a claim and will only be used for the first 6 months of product on shelf.

Bold, italicized text and (italicized text within parentheses) is information for the reader and is not part of the label.

Optional text may be placed anywhere on the label -and/or- container.

Bracketed information is optional text.

All footnotes are on the last page, unless they are part of EPA's mandated text.

The word "and" may be substituted with "&". Plural words may be used in their singular form or singular words may be used in their plural form unless otherwise specified in 40 CFR.

All directions may be written in numbered form or in paragraph form.

All use surfaces -and/or- use sites on the label may be listed in conjunction with an image of the use surface and/or use site.

Highlighted text is new. Strike-through text means removed.

CPPC Storm

KEEP OUT OF REACH OF CHILDREN.

WARNING:

SEE BACK -or- SIDE PANEL FOR FIRST AID STATEMENTS

Active Ingredient:

Sodium Hypochlorite 2.4%

Other Ingredients: 97.6%

Total: 100.0%

[(Available Chlorine...2.28%)]

Contains no phosphorus

NET CONTENTS _____

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear safety glasses. Avoid contact with skin. Harmful if inhaled. Avoid breathing of spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. **Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease. Previous statement will appear in color.**

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. **If on skin [or clothing]:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. **In all cases:** Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

A potable water rinse is required for food contact surfaces.

Do not use on glassware, utensils, or dishes.

[Not Recommended For Use On -or- Avoid contact with: Aluminum -and/or- Brass -and/or- Carpet -and/or- Chipped enamel -and/or- Clear plastic -and/or- Clothes -and/or- Copper -and/or- Fabric -and/or- Natural marble -and/or- Painted surfaces -and/or- Sealed granite -and/or- Silver -and/or- Unfinished wood]

DISINFECTION

To [clean and] disinfect [and deodorize] hard, nonporous surfaces: For visibly soiled surfaces, precleaning is required. [Set trigger to SPRAY or FOAM.] Spray [6-8 in[ches] from] surface until [surface is] thoroughly wet. Let stand for contact time listed below -or- on label. [Wipe excess.] [Rinse.] Allow to air dry. Rinse with potable water for food-contact surfaces. For all others, no rinsing is required. [If streaking is observed, wipe with a clean [, damp] cloth -or- paper towel.] [This product [also] kills *insert organism(s) from Disinfectant Organism Table.*]

TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES: [including glazed ceramic tile]: Preclean visibly soiled surfaces. Spray [6-8 in[ches] from] surface until thoroughly wet, let stand 5 min[utes][, and rinse]. **To be added optionally if SARS-CoV-2 is also on the label:** To kill SARS-CoV-2, let stand 1 min[ute].

TO PREVENT -and/or- INHIBIT -and/or- CONTROL THE GROWTH OF MOLD & MILDEW ON HARD, NONPOROUS SURFACES: For visibly soiled surfaces, precleaning is required. Spray [6-8 in[ches] from] surface until thoroughly wet, let stand 5 min[utes][, and rinse]. [Repeat application every 7 days -or- 1 week -or- 2 -or- 3 -or- 4 weeks -or- when visible mold appears.]

To remove mildew stains: [Turn nozzle to FOAM position.] Spray [6-8 in[ches] from] surface until surface is thoroughly covered -or- wet. [Allow foam to deeply penetrate mildew and problem areas.] [Wait until stains disappear.] [Wipe with a wet sponge or cloth -and/or- Rinse.] Heavy mildew buildup may require a longer contact time, or two cleanings. [If excess foam dries on nozzle, rinse with warm water.] [This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.]

For non-foaming trigger TO REMOVE MILDEW STAINS: [Turn sprayer nozzle to SPRAY -or- ON [position]]. Spray [6-8 in[ches] from] surface until thoroughly covered -or- wet. [Wait until stains disappear -and/or- rinse]. Heavy mildew buildup may require longer contact time, or two cleanings.

To kill mold & mildew on hard, porous surfaces [including grout and cement]: Spray [6-8 in[ches] from] surface until thoroughly wet, let stand 10 min[utes][, and rinse].

The following is only for products with medical devices listed on the label:

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream, or normally sterile areas of the body, or (2) contacts intact mucous membranes, but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

To clean -and/or- remove stains: [Set trigger to SPRAY or FOAM.] Spray, wait a few minutes, [rinse] and allow to air dry. [If streaking is observed, wipe with a clean, damp [cloth or] paper towel.] [If excess foam dries on nozzle, rinse with warm water.]

To clean soap scum: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking. [If excess foam dries on nozzle, rinse with warm water.]

To clean and disinfect toilet bowls: Flush toilet and add 1 cup of this product to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 min[utes] before flushing.

To clean floors: Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup of this product per gallon of warm water. Rinse for best shine.

Optional text below

Rinse immediately after use on rubber, plastic and vinyl. [Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain.] [Do not use on wood or painted surfaces unless you plan to refinish or repaint them.] [This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.] Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor. [May cause discoloration of wood -and/or- fabric -and/or- metals.] [Prior to use **as part of a remediation -or- restoration program**, eliminate water source and remove excess water.]

Special Instructions for Use Against HIV-1, HBV, and HCV

This product kills HIV-1, HBV and HCV on precleaned hard, nonporous surfaces/objects previously soiled with blood/body fluids in health care settings or other settings in which there is an expected likelihood of soiling of hard, nonporous surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus (HIV-1) (associated with AIDS), Human Hepatitis B [(Virus)] (HBV) and Human Hepatitis C [(Virus)] (HCV).

Special instructions for using this product to clean and decontaminate against HIV-1, HBV and HCV on surfaces/objects soiled with blood/body fluids:

Personal Protection: When handling items soiled with blood or body fluids, use disposable impervious gloves, gowns, masks and eye coverings.

Cleaning Procedure: Blood and other body fluids must be thoroughly cleaned from surfaces and other objects before applying this product.

Contact Time: Allow surfaces to remain wet for **HIV-1 only** 30 sec[onds] -or- **HBV -and/or- HCV with HIV-1** 1 min[ute]. Wipe excess. [Rinse.] Allow to air dry. For all other organisms, see directions for contact times.

Disposal of Infectious Materials: Use disposable impervious gloves, gowns, masks and eye coverings. Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

FARM PREMISE AND POULTRY HOUSE DISINFECTANT [INSTRUCTIONS]:

[Directions For Use:]

1. Do not use in milking stalls, milking parlors, or milk houses (for phenolics, cresylic acid, and pine oils).
2. Remove all poultry or animals and feeds from premises, trucks, vehicles, coops, crates, and enclosures.
3. Remove all litter and manure or droppings from floors, walls and surfaces of barns, pens, stalls, chutes, and other facilities and fixtures occupied or traversed by animals or poultry.
4. Empty all troughs, racks, and other feeding and watering appliances.
5. Thoroughly clean all surfaces with soap or detergent and rinse with water.
6. Saturate all surfaces with the disinfecting solution for a period of 10 min[utes].
7. Immerse all halters, ropes, and other types of equipment used in handling and restraining animals, as well as forks, shovels, and scrapers used for removing litter and manure.
8. Ventilate buildings, cars, boats, coops, and other closed spaces. Do not house livestock or poultry or employ equipment until treatment has been absorbed, set, or dried.
9. Thoroughly scrub all treated feed racks, mangers, troughs, automatic feeders, fountains, and waterers with soap or detergent, and rinse with potable water before reuse.

Allergen¹ Destruction

To [clean and] destroy specified allergens: [Set trigger to SPRAY or FOAM.] Spray, wait 1 min[ute][, and wipe excess.] [Rinse.] Allow to air dry. [If streaking is observed, wipe with a clean, damp cloth -or- paper towel.]

Refillable bottles intended to be refilled by the consumer

STORAGE AND DISPOSAL: STORAGE: Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration.

DISPOSAL: Do not reuse or refill this container except as described in the directions for use. Refill only with this product. Offer for recycling or place in trash.

32 fl oz RTU Spray

Nonrefillable bottles

STORAGE AND DISPOSAL: STORAGE: Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration.

DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Recycle empty container or discard in trash.

64 fl oz, 128 fl oz Direct application -and/or- dilutable non-spray

STORAGE AND DISPOSAL: STORAGE: Do not contaminate water, food or feed by storage and disposal. Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration. **PESTICIDE DISPOSAL:** In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used must be diluted with water before disposal in a sanitary sewer. **CONTAINER DISPOSAL:**

Nonrefillable container. Do not reuse or refill empty container. [Offer for recycling if available or] discard in trash.

Antimicrobial Claims

- [5 min[utes]] broad spectrum no-rinse disinfectant for non-food hard, nonporous contact surfaces
- A disinfectant for use on **insert surface(s) from Table 1** -and/or- **insert surface material(s) from Table 3** -and/or- in **insert use site(s) from Table 2**
- [A] one-step⁸ cleaner/disinfectant
- Aids in reducing -or- in the reduction of cross-contamination between treated surfaces
- 3-in-one¹⁴ cleaner, disinfectant[,] [and] mold growth inhibitor -or- blocker **Must have all appropriate DFU to add this claim to container label**
- 3-in-one¹⁴ cleaner, disinfectant[,] [and] mold remover -or- killer
- 3-in-one¹⁴ cleaner, disinfectant & -or- and mold remover -or- killer
- 3-in-one¹⁴ cleaner, disinfectant, [mold] [and] [remover -or- killer and] growth inhibitor -or- blocker **Must have all appropriate DFU to add this claim to container label**
- Assures proper dilution strength, product effectiveness and standardizes technique
- Bactericidal
- Bactericide
- Breaks Down Many Allergens 1[!]
- Broad spectrum disinfectant [with Clorox® Bleach]
- [Cleans and] disinfects [hard, nonporous surfaces]
- [Cleans and] disinfects **insert use site(s) from Table 2**
- Cleans -and/or- Disinfects -and/or- Deodorizes [in One -or- 1 Step⁸]
- Clean[s] -and/or- disinfect[s] [the -or- your] **insert use site(s) from Table 2** [against -or- from] [99.9% of] [household] germs -and/or- bacteria -and/or- viruses[‡] [this season]⁸
- Clean[s] -and/or- disinfect[s] [the -or- your] **insert use site(s) from Table 2** [against -or- from] [99.9% of] [household] bacteria⁸
- Cleans, deodorizes and disinfects
- Cleans -or- removes and kills -or- treats -or- fights -or- eliminates 99.9% of mold [while it cleans] [at the same time]⁸
- Cleans, removes -or- kills -or- treats and blocks -or- prevents -or- inhibits -or- eliminates 99.9% of mold & mildew
- Cleans, removes -or- kills -or- treats -or- fights -or- eliminates 99.9% of mold [growth] [while it cleans] [at the same time]⁸
- Combines cleaners and bleach to clean and kill -or- remove -or- fight -or- treat mold⁸
- Convenient disinfecting [throughout the **insert use site(s) from Table 2**
- Deodorizes by killing odor-causing bacteria -and/or- mildew at their -and/or- its source
- Deodorizes by killing the germs that cause odors
- Deodorizes **insert odor(s) from Table 5**
- Deodorizes [**insert odor(s) from Table 5** -and/or- moldy -and/or- musty] odors caused by bacteria -and/or- non-fresh foods -and/or- mildew
- Destroys Many Allergens 1[!]
- Destroys mold and mildew in [just] 5 min[utes]
- Destroys mold, mildew and bacteria [in just 5 min[utes]]
- Destroys -or- deactivates dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- Disinfectant -and/or- deodorizer
- Disinfecting formula
- Disinfects [and deodorizes]
- Disinfects and deodorizes by killing [long term care -and/or- facility] bacteria -and/or- molds -and/or- mildew [and viruses[‡]]
- Disinfects and deodorizes by killing germs and their odors
- Disinfects as it cleans big jobs⁸
- Disinfects as it kills -and/or- destroys -and/or- eliminates 99.9% of] common household mold, mildew and bacteria
- Disinfects as it kills -and/or- destroys -and/or- eliminates -and/or- wipes out-and/or- removes mildew
- Disinfects hard, nonporous surfaces against SARS-CoV-2 [the cause of -or- the coronavirus that causes COVID-19]
- Disinfects hard, nonporous surfaces [throughout the **insert use site(s) from Table 1**]
- Disinfects with bleach
- Does not -or- Doesn't just mask **insert odor(s) from Table 5** -and/or- moldy] odors, it eliminates them at the source leaving behind a [light -and/or- pleasant -and/or- fresh] scent
- Don't just cover up -or- mask **insert odor(s) from Table 5** odors, eliminate them!
- Each use -or- application lasts for 1 week -or- 7 days -or- for as long as -or- up to 1 week -or- 7 days
- Easily removes mildew and mold from grout; destroys and kills them in hard-to-clean areas such as caulking, corners and crevices, without scrubbing
- Easily removes [visible] mildew and mold from grout
- Effective against -or- Kills SARS-CoV-2 [the cause of -or- the coronavirus that causes COVID-19]^P
- Effective against -or- Kills **insert organism(s) from organism table** [in the presence of organic soil [(5% blood serum)]]
- Effective against -or- Kills bacteria including Staphylococcus aureus, Salmonella enterica **tested as Salmonella choleraesuis**, Pseudomonas aeruginosa [in the presence of organic soil [(5% blood serum)]]
- [Effectively] disinfects hard, nonporous surfaces
- [Effective] (**insert use site(s) from Table 2**) disinfectant -and/or- cleaner
- Eliminate [urine -and/or- feces -and/or- mildew -and/or- mold[y]] odors at the source
- Eliminates 99.9% of germs -and/or- odors on hard, nonporous surfaces
- Eliminates 99.9% of mold and mildew in [just] 5 min[utes]
- Eliminates 99.9% of mold, mildew and bacteria [in just 5 min[utes]]
- Eliminates odors [caused by germs -or- bacteria -and/or- mildew] at their source
- Eliminates -or- Reduces odors [caused by germs -or- bacteria -and/or- mildew]
- Eliminates -or- removes -or- destroys **insert odor(s) from Table 5** -and/or- moldy odors [[on **insert use surface(s) from Table 1** -and/or- in **insert use site(s) from Table 2**] [at the source]]

- Kills odor-causing bacteria -and/or- mildew on [hard surfaces] **insert use surface(s) from Table 1** -and/or- **insert surface material(s) from Table 3**
- Kills Destroys -or- Eliminates 99.9% of -or- Wipes out -or- Removes mold, mildew and bacteria as it cleans⁸
- Kills Destroys -or- Eliminates 99.9% of -or- Wipes out -or- Removes visible mold
- Kills -or- Destroys -or- Eliminates 99.9% of [visible mold,] mildew [and bacteria] [in just 5 min[utes]]
- Kills Germs -and/or- Flu Virus⁶
- Kills many common bacteria and viruses[‡]
- Kills mold and mildew in [just] 5 min[utes]
- Kills mold, mildew and bacteria [in just 5 min[utes]]
- Kills mold -or- Works on all hard, porous and nonporous bathroom surfaces
- Kills most common household molds
- Kills odor-causing bacteria -or- germs
- Kills -or- Destroys mold and mildew
- Kills -or- Destroys -or- Eliminates 99.9% of household mold and mildew [in just 5 min[utes]]
- Kills -or- Destroys -or- Eliminates and removes 99.9% of mold and mildew
- Kills -or- Destroys -or- Eliminates mildew without scrubbing
- Kills -or- Destroys -or- Eliminates 99.9% of mold and mildew
- Kills -or- Destroys -or- Eliminates 99.9% of visible [mold and] mildew without scrubbing
- Kills -or- Disinfects against -or- Effective against [the] COVID-19 virus[◇] -or- virus that causes COVID-19[◇] [in 1 minute]
- Kills -or- Eliminates and destroys 99.9% of mold and mildew
- Kills -or- Eliminates -or- destroys [99.9% of] flu virus⁶
- Kills the mold [-and/or-mildew] you see and even what you don't -or- that you don't
- Lifts off and cleans soap scum to penetrate, kill and destroy mold, mildew and bacteria⁸
- Meets surface disinfection recommendations under OSHA[’s] Bloodborne Pathogen Guidelines -or- Standards
- Mildewcidal
- Mildewcide
- Mold is alive. Kill -or- Destroy -or- Eliminate 99.9% of -or- Wipe out -or- Remove it with this product -or- **insert ABN[!]**
- Mold Killer^α
- Mold killer^α & [growth] inhibitor -or- blocker -or- preventer
- Multi-purpose disinfectant
- Not only kills mold and mildew, but also destroys and removes the mold spores
- [One -or- 1 week -or- Seven -or- 7 days] -or- [Up to -or- As long as 1 week -or- 7 days] mold [and mildew] [growth] prevention -or- 1 week -or- 7 days of mold [& -or- and mildew] [growth] prevention
- [Penetrates and] breaks down dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- Prevents mold [& mildew] [growth] from resurfacing
- Penetrates to destroy and eliminate 99.9% of bacteria and visible mold, [and mildew] [at its source]
- Penetrates to kill and destroy bacteria and [visible mold and mildew] at its source
- Proven to kill household molds[!]
- [Ready-to-use] hospital disinfectant
- Reduces dust mite matter -or- particles, cockroach matter -or- particles, and pet dander allergens [found in dust]
- **Exposure Reduction Claim** Reduces exposure to Methicillin-resistant Staphylococcus aureus [(MRSA)] from treated surfaces.
- Reduces Many Allergens^{1[!]}

- Reduces odor-causing bacteria -and/or- mildew -and/or- germs on **insert use surface(s) from Table 1**
- Reduces the risk of cross-contamination
- Spray -or- Use weekly to help keep mold [-and/or- mildew] away
- Tested [and proven effective] against SARS-CoV-2 [the cause of -or- the coronavirus that causes COVID-19]^P
- The answer to your disinfecting needs
- The convenient way to clean and disinfect with Clorox® bleach⁸
- [The] convenient way to disinfect
- The right combination of cleaners and bleach to clean and kill -or- remove -or- treat mold⁸
- The right combination of cleaners and bleach to kill and prevent mold [growth]⁸
- [This product] reduces cross contamination of germs between treated hard, nonporous surfaces
- [This product] deodorizes areas that are hard to keep fresh smelling including **insert use site(s) from Table 2**, and other areas prone to odors caused by microorganisms
- This product -or- **insert ABN** doesn't just clean [the] stains, it kills -or- destroys -or- eliminates -or- wipes out -or- removes [the] mold[!]⁸
- This product kills **insert organism(s) from Disinfectant Organism Table**
- This product kills germs and destroys many allergens¹ while cleaning hard, nonporous surfaces
- This product was tested using the AOAC Germicidal Spray Test
- [This product] will deodorize surfaces in **insert use site(s) from Table 2** and other places bacteria -and/or- mildew growth can cause malodors
- Up to -or- as long as one -or- 1 week -or- 7 days mold [and mildew] [growth] prevention
- Up to -or- as long as 4 weeks -or- 3 weeks -or- 2 weeks -or- 1 week -or- 7 days mold [and mildew] [growth] prevention -or- Up to 4 weeks -or- 3 weeks -or- 2 weeks -or- 1 week -or- 7 days of mold [and mildew] [growth] prevention
- Use regularly to eliminate 99.9% of -or- prevent traces of mold [& mildew] [growth]
- Use this product weekly to kill mold before it stains
- Use weekly to block -or- prevent -or- inhibit -or- eliminate 99.9% of mold [mildew] [growth]
- Use where control of cross-contamination between treated surfaces is of prime importance
- Virucidal[‡]
- Virucide[‡]
- Your mold -and/or- mildew defense
- You've got mold. Kill -or- Destroy -or- Eliminate 99.9% of -or- Wipes out 99.9% of -or- Remove it with this product.

For use with Formula A0

- Attacks mildew at its roots
- Gets into and eliminates mildew even in hard-to-clean places – without scrubbing
- Kills mold and mildew at its roots
- Kills mold and mildew in hard-to-clean areas [places] [such as caulking, corners, crevices, cracks]
- Penetrates to kill mildew in hard-to-clean places
- [Seeks out] -and- kills mildew at its roots
- [Seeks out and] kills mildew even in hard-to-clean places
- This product has a penetrating foam that seeks out and kills mildew even in tile grout, caulking and corners
- This product penetrates deep beneath the surface
- With Deep Penetrating Foam

Mildew grows deep in cracks.

Foam penetrates deep to kill -or- get mildew at its roots.

Disinfectant Organisms

Bacteria	ATCC and/or Strain	Contact Time
Acinetobacter baumannii	[ATCC 15308]	30 sec[onds]

Miscellaneous Claims

- Easy Spray -or- Empt-Ease -or- Reliaspray -or- Spray-All [Bottle -or- Technology]
- Approved for [use in] [the] **insert applicator/sprayer name** -and/or- Clorox® Total 360® [System -or- Sprayer]
- Attacks grime [and stains¹⁰]
- Bleaches away stains
- Brilliantly cleans -and/or- whitens [tile, grout[,] [and] surfaces] before your eyes[!]
- Brilliantly whitens [tile, grout[,] [and] surfaces] for an intense clean[!]
- Cleans
- [Clorox®] essential for the purest clean
- Clorox® Total 360® [System -or- Sprayer] -and/or- **insert applicator/sprayer name** ready-to-use
- Cleans and Shines
- Cleans with[out] -or- no scrubbing
- Contains bleach
- [Contains] the power of Clorox® bleach [without the strong odor]
- Convenient
- Deodorizer
- Deodorizes food odors [like garlic and onion] [left behind on kitchen surfaces] [after cooking]
- Designed for [the] **insert applicator/sprayer name** -or- Clorox® Total 360® [System -or- Sprayer]
- Does not contain mercury
- Does not contain nonylphenol ethoxylates [(NPEs)] -and/or- alkylphenol ethoxylates [(APEs)]
- Does not contain VOCs
- Easy and convenient to use
- Easy to handle
- Economy size
- [Economy -or- Convenient] refill
- Effectively controls malodors
- Eliminates [daily] mixing and measuring
- Eliminates -or- removes -or- destroys **insert odor(s) from Table 5** odors
- Fast acting cleaning -or- whitening -or- bleaching
- Foam trigger eliminates airborne particles associated with sprays
- Foam trigger helps to minimize potential overspray
- For institutional -and/or- industrial use
- For Professional Use
- For use as a cleaner -and/or- deodorizer on hard, nonporous surfaces that have been exposed to a sewer backup, flooding, or water damage
- For use by [mold] remediation workers -and/or- contractors -or- certified [mold] remediators -and/or- contractors -and/or- professionals -and/or- companies -or- restoration -and/or- water damage -and/or- disinfection services
- For use by remediation workers -and/or- contractors -or- certified remediators -and/or- contractors -and/or- professionals -and/or- companies -or- restoration -and/or- water damage -and/or- disinfection services
- For use by restoration industries [including -or- such as water -and/or- fire -and/or- restoration]
- For use by restoration industries[:] water -and/or- fire -and/or- mold restoration
- Fresh lingering bleach scent
- Freshens -and/or- Deodorizes **insert use surface(s) from Table 1**
- Get -or- Spray Every Drop[!]
- Great for outdoor [and indoor] cleaning
- [**Insert odor(s) from Table 5**] Odor [and stain] removal -or- control
- [Intended] for [use by] [mold] remediation [service providers]
- Just spray and wipe; no scrubbing required!
- Last Drop Access
- Lavender -and/or- Meadow [Fresh] -and/or- Floral -and/or- Spring [Mint -or- Mist] Lemon -and/or- Citrus [Fresh] -and/or- [Fresh] Mint Refreshing -and/or- Breeze -and/or- Fresh -and/or- Light -and/or- Rain Clean [scent -or- fragrance]
- Leaves a fresh bleach scent
- Leaves no residue
- [Leaves -or- Has] a [new] [pleasing -or- pleasant -and/or- refreshing -or- fresh -and/or- light] scent -or- [Now] with a [new] [pleasing -or- pleasant -and/or- refreshing -and/or- fresh -or- light] scent
- Lifts off and cleans soap scum
- Makes scrubbing [virtually] obsolete!
- May be used on ceiling tiles
- May be used on concrete -or- cinder -or- masonry block
- May be used on grout
- Mercury free
- No measuring
- No mixing
- No Waste -or- Wasteless Bottle
- Nonylphenol ethoxylate [(NPE)] -and/or- alkylphenol ethoxylate [(APE)] free
- Plus [with] Clorox® bleach
- Pool and outdoor areas
- Perfect for eliminating your toughest odors [at their source]
- Perfect for removing your toughest **insert odor(s) from Table 5** odors [and stains]
- Pleasant smell -or- odor
- Ready to use
- Ready to use with [the] **insert applicator/sprayer name** -or- Clorox® Total 360® [System -or- Sprayer]
- Removes **insert odor(s) from Table 5** odors
- Removes **insert odor(s) from Table 5**
- Removes **insert stain(s)/soil(s) from Table 4**
- Removes stains
- Safe to -or- for use on **insert surface material(s) from Table 3**
- Scrub Less
- See it and believe it
- See the difference [this product makes]
- Shelf-stable formula
- Smart Tube[® -or- ™] Technology
- Stable for one year
- Sudsing -or- foaming action
- Tackles toughest malodors [and stains]
- [The] smell of clean

- [This product] works on -or- can be used on these materials [prior to disposal]: [painted] wood trim -or- moulding -or- baseboards -and/or- ceiling tiles -and/or- unfinished wood [studs -and/or- framing] -and/or- plywood -and/or- oriented strand board [(OSB)] -and/or- particle board -and/or- [painted] sheetrock -and/or- drywall -and/or- wallboard -and/or- construction -or- building materials
- [This product] eliminates [the toughest -or- tough] [***insert odor(s) from Table 5***] odors at their source
- [This product] is specially formulated to eliminate [urine -and/or- feces -and/or- mildew] odors from ***insert use site(s) from Table 2***
- [This product] is specially formulated to remove [***insert odor(s) from Table 5***] odors [and stains] from ***insert use site(s) from Table 2***
- [This product] Removes [the toughest -or- tough] [urine -and/or- mildew] odors [and stains]
- [This product] will deodorize hard, nonporous surfaces [of ***insert use surface(s) from Table 1***] [where obnoxious [***insert odor(s) from Table 5***] odors may develop]
- [This product] will deodorize surfaces ***insert use surface(s) from Table 1*** [where obnoxious [***insert odor(s) from Table 5***] odors may develop]
- To eliminate [urine -and/or- feces -and/or- mildew] odors use [this product] [around -or- in] ***insert use site(s) from Table 2***
- [Use as a] multi-surface cleaner
- Use beyond the bathroom for cleaning
- Use for cleaning beyond the bathroom
- VOC-free
- Watch this product clean
- With bleach
- Works on ***insert surface(s) from Table 1*** -and/or- ***insert surface material(s) from Table 3***

Table 1 Hard, Nonporous Use Surfaces

Animal equipment	External [surfaces of] ultrasound transducers	Playpens
Any washable food and non-food hard, nonporous surface where disinfection is required	External surfaces of [veterinary] equipment	Reception counters -or- desks
Appliance exteriors	Faucets	Refrigerator exteriors
Automatic feeders	Feed racks	Refrigerators
[Basement] floors ¹²	Finished -or- sealed [hard]wood ¹¹	Resilient flooring
[Bathroom] fixtures	Food cases ⁹	Salad bar sneeze guards
Bathroom surfaces	Food trays ⁹	Shelves
[Bath]tubs	Fountains	Shower doors
Bed pans	Freezer exteriors	Shower stalls
Behind -and/or- under counters	Garbage -or- trash cans	Showers
Behind -and/or- under [the] sinks	[Grocery store -or- supermarket] carts	Similar hard, nonporous surfaces except for those excluded by the label
Booster chairs	Gurneys	Sinks
Brick	Hampers	Stall doors
Cabinets	Hand railings	Stalls
Cages	Hard, nonporous dental -and/or- hospital -and/or- medical -and/or- veterinary surfaces	Stretchers
Ceilings ¹²	Headsets	Stove[top] ¹⁵ exteriors
Ceramic -or- porcelain tile	Highchairs ⁹	Stucco
Chairs	Hoods	Tables
[Common] hard, nonporous [household] surfaces	[Hospital -or- patient] bed railings -and/or- linings -and/or- frames	[Tiled] walls ¹²
[Computer] monitors	IV poles	Toilet rims
Cribs	Laminated [surfaces]	Toilet seats
[Dental] counter[top]s	Laminated wood flooring	Toilets
Dental operatory surfaces	Lamps	Towel dispensers
Dentist -or- dental chairs	Light lens covers	Troughs
Desks	Microwave [oven] exteriors	[[Un]sealed] concrete
[Diaper -or- infant] changing tables	[Natural -and/or- synthetic] stone	[Un]glazed ceramic [tile]
Diaper pails	No-wax floors	Vanities
Dish racks	Outdoor furniture [(except cushions and wood frames)]	Vanity tops
Doorknobs	Oven exteriors	Veterinary care surfaces
Drainboards	[Painted] wood trim -or- moulding -or- baseboards	[Vinyl -and/or- composite] siding
Exam[ination] tables	Patient chairs	Vinyl tile -and/or- curtains -and/or- flooring
Exterior -or- external toilet surfaces	Pens	Wash basins
Exterior -or- external urinal surfaces	Plastic mattress covers	Watering appliances
External surfaces of [medical] equipment -or- [medical] equipment surfaces		Wheelchairs
		Window sills
