Subject: Alternate Brand Name - Labeling Amendment
Strawberry Best (Eco San 1000)
EPA Reg. No. 67652-1
Your Letter Dated September 20, 1995

Dear Mr. Richter:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two copies of the final printed labeling must be submitted prior to releasing the product for shipment. A stamped copy is enclosed for your records.

Under MIXING DIRECTIONS AND INSTRUCTIONS section, delete the second sentence since the "literature" was not submitted for review. Add the following statements from the primary Eco San 1000 label: "Fill the spray tank 1/2 full of water and with the agitator running, add the required amount of Strawberry Best. Add water to fill the spray tank 3/4 full and when a spreader sticker cleared for application to strawberries is recommended, add the recommended amounts. Fill the spray tank and keep agitator running until spraying is completed."

If you have any questions, please call me at (703) 305-7740.

Sincerely,

Theresa A. Stowe

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
DANGER

Corrosive. Causes irreversible eye damage. Do not get in eyes, on skin, or on clothing. Harmful if swallowed, inhaled or absorbed through skin. May cause allergic skin response. Avoid contact with skin.

USER SAFETY RECOMMENDATIONS:

Wash hands before eating, drinking, chewing gum, using tobacco or the toilet. Remove clothing immediately if pesticide gets inside, wash yourself thoroughly and put on clean clothing.

PERSONAL PROTECTIVE EQUIPMENT:

Applicators and other handlers must wear: Long-sleeved shirt, Long pants, Waterproof gloves, protective eyewear, and Shoes plus Socks. Maintain this clothing separately from other laundry, and wash with detergent and hot water, or according to the manufacturer's label. If these items become drenched with this product's concentrate, discard the clothing, and do not re-use.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of excess StrawberryBest or equipment washwaters. Do not apply where runoff or drift is likely to occur. (See Disposal Instructions).

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or others, directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

STORAGE AND DISPOSAL:

Application, handling, or storage equipment MUST consist of either fiber, fiberglass, PVC's, polypropylenes, viton, most plastics, aluminum or stainless steel. Never use mild steel, nylon, brass or copper around full strength StrawberryBest concentrate.

STORAGE:

Do not contaminate water, food or feed by storage or disposal. Always rinse equipment free and clean of StrawberryBest concentrate each night with plenty of fresh, clean water. STORE AWAY FROM EXCESSIVE HEAT. ALWAYS STORE StrawberryBest ABOVE 32 F. Freezing may cause product separation. Seller makes no warranty for the performance of product which has been frozen.

PESTICIDE DISPOSAL:

Excess StrawberryBest concentrate should be disposed of through use. Open dumping of excess pesticide or spray mixture is a violation of federal law. If these wastes cannot be disposed by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Form StrawberryBest BK 9/7/95

CONTAINER DISPOSAL:

Do not reuse empty container. Triple rinse (or equivalent), then offer for recycling or reconditioning, or dispose of empty containers in a sanitary landfill after puncturing or, if incineration is allowed by state and local officials, by burning. If burned, stay out of smoke.

GENERAL FUNGI/BACTERIA CONTROL:

MIXING DIRECTIONS AND INSTRUCTIONS:

StrawberryBest is ONLY to be used with the accompanying mixing directions and instructions for StrawberryBest. It is a violation of law to use this product without this literature. For Strawberry Leaf Spot--Use 6.5 oz. per 100 gallons water. Apply prebloom and postbloom. Do not apply this product through any type of irrigation system.

AGRICULTURAL USE REQUIREMENTS:

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), restricted-entry interval, and notification to workers. Do not enter or allow entry into treated areas during the restricted entry interval (REI) of 24 hours. PPE for early entry into treated areas as permitted by the Worker Protection Standard, involving anything that has been treated, such as plants, soil, or water requires: coveralls, protective eyewear, waterproof gloves, shoes plus socks.

LIMITED WARRANTY AND LIMITATION OF LIABILITY AND REMEDIES:

The directions on this label are believed to be reliable and should be followed carefully. Failure to follow the label directions may cause injury to crops, man, animals, or the environment. Insufficient control of pests and/or injury to the crop to which the product is applied may result from unusual weather conditions, incorrect label usage, or poor application practices, none of which are the control of BACTROL Laboratories, Inc. or the seller. Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label for use under normal conditions, but makes no other warranties or FITNESS OF MERCHANTABILITY expressed or implied, or any other warranty if the product is used contrary to the label instructions, or under normal conditions not foreseeable to the seller. In no case shall the seller be liable for more than the cost of this product to the buyer, and will in no event be liable for any consequent, special or indirect damages connected with the use or handling of this product including, but not limited to, loss of profits or income. This product is offered and the buyer or user accepts it subject to the foregoing terms which may not be varied.
