U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:
67690-28

Date of Issuance:
3-19-09

Terms of Issuance:
Unconditional

Name of Pesticide Product:
SpinOut Spray

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Attn: Amy Dugger-Ronyak
SePRO Corporation
11550 North Meridian Street, Suite 600
Carmel, Indiana 46032-4565

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Based on your response to the Reregistration Eligibility Document(s), EPA has reregistered the product listed above. You submit a final printed label within 30 days which makes this change – on page 3 after “Pesticide and Container Disposal” add “Nonrefillable container. Do not reuse or refill this container.” A copy of the stamped label is enclosed for your records.

Note: Regarding reference to company's website on your label, please be aware that the language presented in the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to the false and misleading provisions of 40 CFR 156.10(a)(5). Therefore should the Agency find or if it is brought to our attention that a website contains claims substantially differing from the EPA approved section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Keep Out of Reach of Children

CAUTION

Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wear a long sleeved shirt, long pants, shoes, socks.

FIRST AID	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact INFOTRAC at 1-800-535-5053 for emergency medical treatment information.	

USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates and may contaminate water through runoff. For terrestrial uses, do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

PHYSICAL OR CHEMICAL HAZARDS

Extremely Flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read all Directions for Use carefully before applying.

PRODUCT INFORMATION

SpinOut Spray is a root growth regulator that acts as a root pruning agent to control root spiraling and promote the development of a fibrous root system. SpinOut Spray treated plastic, clay, wood, concrete or cellulose plant containers can be used to control root growth on container-grown trees, shrubs, bedding plants and houseplants at any stage of plant development from seedlings to large container-grown trees.

SpinOut Spray can also be sprayed over wounds and cuts in tree bark to seal the wound and help prevent bacterial and fungus infections of the tree. Spray an even coat of SpinOut Spray over tree wounds or cuts. One coat of SpinOut Spray should protect wounds or cuts for up to one year or until average size wounds have healed.

RESTRICTIONS

- Do not apply SpinOut Spray in a way that will contact adults, children, or pets, either directly or through drift.
- Use/apply only in areas with adequate ventilation.
- **Do not** apply SpinOut Spray directly on plants or soil except as a tree wound dressing.
- **Do not** apply SpinOut Spray when the temperature is below 50°F (10°C).
- **Do not** allow adults, children or pets to enter the treated area until sprays have dried.

PRECAUTIONS

- Some containers, particularly bedding plant containers, may be treated with a slipping agent for easy unstacking. Slipping agents usually appear waxy and can prevent the adhesion of SpinOut Spray. SpinOut Spray applications are not recommend under these conditions.
- SpinOut Spray may be reactive on metal surfaces. Avoid contact with metal surfaces.

APPLICATION DIRECTIONS

Plant Containers and Tree Wound Dressing

Plant containers/tree wound areas should be clean and dry before applying SpinOut Spray. Used containers should be free of any loose soil.

1. Protect surrounding areas with drop cloth or newspapers.
2. For best results, the aerosol can temperature should be between 70°F (21°C) and 90°F (10°C).
3. Shake the aerosol can vigorously for at least one minute after mixing balls begin to rattle.
4. Aim the opening of spray button toward the application site surface and away from you, taking care that fingertips do not extend over the front of the spray button.
5. While holding the aerosol can about 6 to 8 inches from the application site surface, press spray button firmly and move the aerosol can back and forth in a steady even motion. Do not try to achieve full coverage in one coat. Following the first coat, apply a minimum of two (2) additional coats for a better finish and longer root control/bacterial and fungus infection protection.
6. If clogging develops, carefully remove spray button from the aerosol can with a twisting motion and clean the opening. **DO NOT STICK PINS OR OTHER OBJECTS INTO CAN.** While holding the aerosol can and spray button opening away from you, replace spray button with a twisting motion.
7. Clean the spray button immediately after use by turning can upside down and pressing the spray button until no more product comes out.
8. Allow SpinOut Spray to dry thoroughly before filling plant container with soil.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage: Store in a cool, dry place.

Pesticide and Container Disposal: Do not puncture or incinerate! If Empty: Place in trash or offer for recycling, if available. If Partly Filled: Call your local solid waste agency for disposal instructions.

WARRANTY DISCLAIMER

SePRO Corporation warrants that the product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent consistent with applicable law, SEPRO CORPORATION MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

INHERENT RISKS OF USE

It is impossible to eliminate all risks associated with use of SpinOut Spray. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label such as unfavorable temperatures, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of SePRO Corporation as the seller. To the extent consistent with applicable law, all such risks shall be assumed by the buyer.

LIMITATION OF REMEDIES

To the extent consistent with applicable law, the exclusive remedy for losses or damages resulting from SpinOut Spray (including claims based on contract, negligence, strict liability, or other legal theories) shall be limited to, at SePRO Corporation's election, one of the following:

- (1) Refund of purchase price paid by buyer or user for product bought, or
- (2) Replacement of amount of product used.

To the extent consistent with applicable law, SePRO Corporation shall not be liable for losses or damages resulting from handling or use of SpinOut Spray unless SePRO Corporation is promptly notified of such losses or damages in writing. To the extent consistent with applicable law, in no case shall SePRO Corporation be liable for consequential or incidental damages or losses.

The terms of the *Warranty Disclaimer* above and this *Limitation of Remedies* cannot be varied by any written or verbal statements or agreements. No employee or sales agent of SePRO Corporation or the seller is authorized to vary or exceed the terms of the *Warranty Disclaimer* or *Limitations of Remedies* in any manner.
