U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg.
Number:
67690-48

Date of Issuance:

NOV 19 2008

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:
Conditional

Name of Pesticide Product:
Sonar Extra

Name and Address of Registrant (include ZIP Code):

SePRO Corporation
11550 North Meridian Street, Suite 600
Carmel, IN 46032-4565

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit data.
2. Make the following label changes listed below before you release the product for shipment:
 - a. Add the phrase, "EPA Reg. No. 67690-48".
 - b. Delete the term "most" before "aquatic weeds". This term is vague and implies this product can control aquatic weeds not listed on the label.
 - c. Delete "and will not harm the environment". This is a safety claim that is prohibited on pesticide labeling

Signature of Approving Official:

Joanne I. Miller
Product Manager 23
Herbicide Branch
Registration Division (7505P)

Joanne I. Miller

Date:

NOV 19 2008

d. Since this product is in Toxicity Category IV for all acute routes of exposure, you may delete the Hazards to Humans and Domestic Animals and the First Aid sections, if you wish. Refer to the enclosed scientific reviews.

e. In the Environmental Hazards section delete "To protect the Environment". This is an implied safety claim. Delete "blow". The term is inappropriate for a liquid mixed into water. Add the following at the beginning of this section:

Do not apply directly to water except as specified on the label.

f. Any pesticide product referenced on the labeling must be registered with this Agency. We could not locate in our computer records a product name "Captain Algaecide". Assure a pesticide product with is name is approved or delete this sentence. We note your company does have a registered product named "Captain Liquid Copper Algaecide".

3. Submit one (1) copy of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sonar* Extra

For Ponds

Aquatic Weed Herbicide

READY-TO-USE

PRODUCT FACTS

This product controls most aquatic weeds.

AQUATIC WEEDS CONTROLLED

Controls **Most Types** of Nuisance Aquatic Weeds

Duckweed

Milfoil

Hydrilla

Coontail

Lily

(See complete list under the directions for use section of this label)

How Sonar Extra Works

Sonar Extra is applied directly to a pond and the active ingredient, fluridone, is quickly absorbed by aquatic plants. Any product not absorbed by the treated plants is broken down by sunlight and will not harm the environment. Treated plants begin to turn white and/or wilt 3 to 6 weeks after application.

Where to Apply

Natural or man-made ponds with little or no outflow.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Keep Out of Reach of Children

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or when going for treatment. In case of emergency endangering health or the environment involving this product, call INFOTRAC at 1-800-535-5053 .	

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Trees and shrubs growing in water treated with Sonar Extra may occasionally develop chlorosis.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read all Directions for Use carefully before applying.

SHAKE WELL BEFORE USING.

IMPORTANT GENERAL USE INFORMATION AND PRECAUTIONS

- There are no fishing, swimming, livestock/pet consumption restrictions for this product.
- **DO NOT** apply more than a total of 3 quarts Sonar Extra per acre foot in a single growing season.
- **DO NOT** use Sonar Extra treated water for irrigation of established turf, crops, or ornamental plants for 30 days after final application. Do not irrigate seedling grasses, crops, or other new plantings for 60 days after final treatment. For specific irrigation use questions, call **SePRO Corporation** at **1-866-869-8521**.
- **DO NOT** apply this product through any type of irrigation system.
- It is important that Sonar Extra stay in contact with the target weeds for a minimum of 45 days. Rapid water movement or any condition which results in dilution of Sonar Extra in treated water may reduce its effectiveness.
- Obtain Required Permits: Consult with appropriate state or local water authorities before applying this product. If the pond is not privately owned by yourself be sure to check with state or local water authorities who have regulatory authority over public water as permits may be required by state or local public agencies.

WHEN & HOW TO APPLY

- Apply during sunny, dry, non-windy conditions.
- Apply when weeds are actively growing. Best results typically achieved by starting applications just as weeds have started to grow.
- Apply Sonar Extra directly into the water either in one location or multiple locations and Sonar Extra will mix throughout the pond.
- Sonar Extra should be used with Captain Algaecide if algae infestation is present at time of application.
- Sonar Extra should be applied according to the schedule below, with the initial application followed by two additional applications at three-week intervals. **Table 1** should be used for general aquatic weed control. **Table 2** should be used for the additional benefit of partial control of watermeal.

TABLE 1		
SONAR EXTRA APPLICATION RATES & SCHEDULE		
(4 Foot Average Pond Depth)		
	Amount applied per one-half (1/2) acre pond	Amount applied per one (1) acre pond
Initial Application (Day 1)	2 quarts	4 quarts
2nd Application (Day 21)	1 quart	2 quarts
3rd Application (Day 42)	1 quart	2 quarts

- For ponds with average depth and size different than found in **Table 1**, utilize the following formulas and round the calculated result up to the nearest one-half (1/2) quart.

Initial Application (Day 1):

*Trademark of SePRO Corporation

Pond Acres x Pond Average Depth (in feet) = Number of Sonar Extra Quarts to Apply

Example: 0.6 Acre Pond x 3.0 Foot Average Depth = 1.8 which is rounded up to 2.0 Quarts Sonar Extra to be applied.

2nd (Day 21) and 3rd (Day 42) Applications:

Pond Acres x Pond Average Depth (in feet) x 0.5 = Number of Sonar Extra Quarts to Apply

Example: 0.6 Acre Pond x 3.0 Foot Average Depth x 0.5 = 0.9 which is rounded up to 1.0 Quart Sonar Extra to be applied.

TABLE 2		
SONAR EXTRA APPLICATION RATES & SCHEDULE For Partial Control of Watermeal [†] (4 Foot Average Pond Depth)		
	Amount applied per one-half (1/2) acre	Amount applied per one (1) acre
Initial Application (Day 1)	3 quarts	6 quarts
2 nd Application (Day 21)	1.5 quarts	3 quarts
3 rd Application (Day 42)	1.5 quarts	3 quarts

- **DO NOT** apply more than a total of 3 quarts Sonar Extra per acre foot in a single growing season.

NOTE: An acre foot of water = 1 surface acre of water with an average depth of 1 foot. (Example, a 1 acre pond with average water depth of 4 feet would contain 4 acre-feet of water).

TABLE 3			
AQUATIC WEEDS CONTROLLED BY SONAR EXTRA			
Bladderwort	Elodea, common	Paragrass	Water-lily
Coontail, common	Fanwort or Cabomba	Pondweeds, most	
Duckweed, common	Hydrilla	Spatterdock	
Egeria or Brazilian Elodea	Naiad	Watermilfoils, most	

*Trademark of SePRO Corporation

TABLE 4				
AQUATIC WEEDS PARTIALLY CONTROLLED BY SONAR EXTRA				
Alligatorweed	Giant cutgrass	Reed canarygrass	Spikerush	Waterprimrose, creeping
American lotus	Limnophila	Salvinia	Tapegrass or American eelgrass	Waterpurslane
Barnyardgrass	Parrotfeather	Smartweed	Torpedoglass	Watermeal, common†
Cattail	Pondweed, Illinois	Southern watergrass	Watermilfoil, variable-leaf	

† Partial control only when Sonar Extra is applied at the application rates recommended in table #2, and at this higher rate all weeds in table #3 & 4 will be controlled.

STORAGE AND DISPOSAL

Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available.

Pesticide Handling and Storage: Handle with care to avoid potential staining of skin, clothing or other surfaces, as product contains dye. Keep container stored with nozzle in closed position. Store product in original container in a safe place away from direct sunlight. Keep from freezing.

Pesticide and Container Disposal: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY DISCLAIMER

SePRO Corporation warrants that the product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. SEPRO CORPORATION MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

INHERENT RISKS OF USE

It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label such as unfavorable temperatures, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner or application, or other factors, all of which are beyond the control of SePRO Corporation as the seller. All such risks shall be assumed by buyer.

LIMITATION OF REMEDIES

The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories) shall be limited to, at SePRO Corporation's election, one of the following:

*Trademark of SePRO Corporation

- (1) Refund of purchase price paid by buyer or user for product bought, or
- (2) Replacement of amount of product used.

SePRO Corporation shall not be liable for losses or damages resulting from handling or use of this product unless SePRO Corporation is promptly notified of such losses or damages in writing. In no case shall SePRO Corporation be liable for consequential or incidental damages or losses.

The terms of the *Warranty Disclaimer* above and this *Limitation of Remedies* cannot be varied by any written or verbal statements or agreements. No employee or sales agent of SePRO Corporation or the seller is authorized to vary or exceed the terms of the *Warranty Disclaimer* or *Limitations of Remedies* in any manner.
