Date of Issuance:

MAR 21 2005

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product: NEU
1161 PEST SPRAY

Name and Address of Registrant (include ZIP Code):

W. Neudorff GmbH KG
c/o Mr. Walter Talerek
1008 Riva Ridge Dr.
Great Falls, VA 22066

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 67702-14".
- b. Delete the term ~~Residual~~ from the product name.
- c. Change ~~will control insect pests~~ to read ~~will kill insect pests~~.

Signature of Approving Official:

See page 2

Date:

March 21, 2005

4/5

Please read entire label. Use only as directed. Shake well before each use.

PESTS/SITES AND APPLICATION INSTRUCTIONS

NEU1161 Residual Pest Spray will control insect pests such as: ants, beetles, carpet beetles, caterpillars, centipedes, cockroaches, crickets, earwigs, flies, millipedes, moths, pillbugs, silverfish, spiders, sowbugs, wasps, waterbugs.

For use indoors. Spray thoroughly into infested areas and insect hiding places, such as cracks and crevices; around baseboards and window and doorframes; underneath and behind, refrigerators, stoves, cabinets and garbage cans; under sinks; around plumbing; and in dark corners. Product can also be sprayed directly onto pests. Use stream setting for cracks and crevices. Repeat treatment as necessary. For plywood surfaces apply more often.

[The registrant may use this optional statement:

"NOTICE TO BUYER

Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either expressed or implied."
