**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Please read entire label. Use only as directed. Shake well before each use.

## PESTS/SITES AND APPLICATION INSTRUCTIONS

NEU1161 Pest Spray will kill insect pests such as: ants, beetles, carpet beetles, caterpillars, centipedes, American cockroaches, earwigs, house flies, millipedes, moths, pillbugs, silverfish, sowbugs.

For use indoors. Spray thoroughly into infested areas and insect hiding places, such as cracks and crevices; around baseboards and window and doorframes; underneath and behind, refrigerators, stoves, cabinets and garbage cans; under sinks; around plumbing; and in dark corners. Product can also be sprayed directly onto pests. Use stream setting for cracks and crevices. Repeat treatment as necessary. For plywood surfaces apply more often.

[The registrant may use this optional statement:

### "NOTICE TO BUYER

Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either expressed or implied."
