Subject: Label Amendment – Addition of Efficacy Claims and Updating CSFs
Product Name: NEU1161 Pest Spray
EPA Registration Number: 67702-14
Application Date: January 27, 2014
Decision Number: 487227

Dear Mr. Talarek:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Carlyn Petrella by phone at 703-347-0439, or via email at petrella.carlyn@epa.gov.

Sincerely,

A handwritten signature in black ink, reading "Richard J. Gebken". The signature is written in a cursive style with a large initial "R" and a stylized "G".

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

User Safety Recommendations

- Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Environmental Hazards: This product is toxic to aquatic organisms, including fish and invertebrates. Do not contaminate water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional precautions and requirements.

Physical or Chemical Hazards: Combustible. Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Keep this product in its tightly closed original container when not in use. Store in a cool, dry, well-ventilated (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

If empty: Nonrefillable. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

BATCH CODE

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For residential areas only. Please read entire label. Use only as directed. Shake well before each use.

PESTS/SITES AND APPLICATION INSTRUCTIONS

NEU1161 Pest Spray will kill the following listed insects: ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants), beetles, carpet beetles, caterpillars, centipedes, American cockroaches, crickets, earwigs, firebrats, house flies, millipedes, moths, pillbugs, silverfish, sowbugs, spiders (excluding black widow, brown recluse, and hobo spiders), and stink bugs.

For use indoors. Spray as a perimeter treatment and/or thoroughly into infested areas and insect hiding places, such as cracks and crevices; around baseboards and window and doorframes; underneath and behind refrigerators, stoves, cabinets and garbage cans; under sinks; around plumbing; and in dark corners. Product can also be sprayed directly onto pests. Use stream setting for cracks and crevices. Repeat treatment as necessary. For plywood surfaces apply more often.

USE RESTRICTIONS:

- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- This product is not for use in outdoor residential misting systems.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Remove pets, birds, and cover fish aquariums before use.

- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply more than 29 fl. oz. per 100 square feet per application.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

[The registrant may use this optional statement:

“NOTICE TO BUYER

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.”]

[Marketing claims and product information that may be presented on the container or supplemental labeling:

- Patented technology
- Unique, patented formula.
- Patented
- U.S. Patent # 5,700,473
- Insect spray
- Kills listed insects
- Kills (ants (excluding fire ants, harvester ants, Pharaoh’s ants and carpenter ants)), (beetles), (carpet beetles), (American cockroaches), (crickets), (earwigs), (firebrats), (house flies), (silverfish), (sowbugs), (spiders (excluding black widow, brown recluse, and hobo spiders)), (stink bugs)
- (Controls) (Kills) ants including (foraging ants), (sweet-feeding ants), (pavement ants), (moisture ants), (little black ants), (Argentine ants), (crazy ants), (acrobat ants), (bigheaded ants), (cornfield ants), (ghost ants), (odorous house ants), (thief ants), (field ants), (and other common ants (excluding fire ants, harvester ants, Pharaoh’s ants and carpenter ants))
- Drives pests from hiding places and kills
- Water based.
- Non-staining.
- No unpleasant odor
- Kills listed insects on contact.
- Contains pyrethrins, a botanical insecticide derived from chrysanthemums
- Easy to use.
- Can be used in/around household food preparation areas.
- Fast knockdown.
- Quick knockdown

- Spray surfaces where pests crawl.
- For household use only.
- Avoid spraying plants directly
- Avoid spraying directly on plants
- Avoid spraying vegetation directly
- Avoid spraying on vegetation directly
- Kills ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants) for up to 14 days (2 weeks) on non-porous surfaces
- Kills sowbugs for up to 14 days (2 weeks) on non-porous surfaces
- Kills spiders for up to five (5) days on non-porous surfaces
- Kills house flies for up to 14 days (2 weeks) on non-porous surfaces
- Kills (house flies) (sowbugs) (ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants)) for up to 14 days (2 weeks) on non-porous surfaces
- (Provides) Residual control of (house flies) (sowbugs) (ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants)) for up to 14 days (2 weeks) on non-porous surfaces
- People and pets may re-enter after the treated area is dry
- (Insects) (Pests) contacting sprayed areas will die
- Kills (insects) (pests) that contact sprayed areas
- For ant control, apply directly to ants, their nests and trails, and wherever ants enter the house
- Can be used around livestock and animal dwellings
- Can be used in out buildings, barns, equipment storage, and covered workplaces
- Caution: some floors may be slippery after spraying
- Some floors may be slippery after spraying
- Contains Permanent TM, a trademark of Neudorff
- Manufactured under a license of Neudorff.
- Sold under a license of W. Neudorff GmbH KG, Germany.
- Manufactured under a license of W. Neudorff GmbH KG, Germany.]
