Great Falls, VA 22066

Subject: Label Amendment – Revision of Several Label Sections  
Product Name: Aerosol NEU1161 Residual Pest Spray  
EPA Registration Number: 67702-16  
Application Date: September 3, 2014  
Decision Number: 495863

Dear Mr. Talarek:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

### PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals:** CAUTION. Avoid contact with skin or clothing. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

### User Safety Recommendations

- Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**Environmental Hazards:** This product is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate

water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional precautions and requirements.

**Physical or Chemical Hazards: Contents under pressure.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

#### **STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Protect from freezing. If frozen, thaw and shake well. Store in a cool, dry place (preferably locked) inaccessible to children and pets, and away from heat, open flame or other sources of ignition.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Do Not Puncture or Incinerate!

**If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

**If partly filled:** Call your local waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### **BATCH CODE**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For residential areas only. Please read entire label. Use only as directed. Shake well before each use.

#### **PESTS/SITES AND APPLICATION INSTRUCTIONS**

Aerosol NEU1161 Pest Spray will kill insect pests such as: ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants), beetles, carpet beetles, caterpillars, centipedes, American cockroaches, crickets, earwigs, firebrats, fleas, house flies, millipedes, moths, pillbugs, silverfish, sowbugs, spiders (excluding black widow, brown recluse, and hobo spiders), and stink bugs.

To treat indoors, spray as a perimeter treatment and/or spray thoroughly into infested areas and insect hiding places, such as cracks and crevices; around baseboards and window and doorframes; underneath and behind refrigerators, stoves, cabinets and garbage cans; under sinks; around plumbing; and in dark corners. Product can also be sprayed directly onto pests. Use stream setting for cracks and crevices. Repeat treatment as necessary.

Use outdoors on window and door frames, building foundations, under wood siding and any cracks and crevices around building foundation or stucco where pests may find entry and wherever pests are observed. Thoroughly spray surfaces and pests. Use stream setting for cracks and crevices. Repeat treatment as necessary.

**USE RESTRICTIONS:**

- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Remove pets, birds, and cover fish aquariums before spraying.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply more than 1 time per day.
- Do not apply more than 5.6 fl. oz. per 100 square feet per application.
- Not for use in outdoor residential misting systems.
- Do not apply into sewers or drains or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application
- Do not make applications during rain
- Do not water the treated area to the point of run-off
- All outdoor applications must be limited to spot or crack and crevice treatments only except for the following permitted uses:
  - 1) Treatment to soil or vegetation around structures;
  - 2) Applications to lawns, turf, and other vegetation;
  - 3) Applications to building foundations, up to maximum height of 3 feet.
- Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches, and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack and crevice applications, only.

**BATCH CODE:**

[The registrant may use this optional statement:

**“NOTICE TO BUYER**

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.”

**OPTIONAL STATEMENTS**

(Marketing claims and product information that may be presented on the container or supplemental labeling):

- Patented technology
- Unique, patented formula.

- Patented
- U.S. Patent # 5,700,473
- Insect (bug) spray
- Kills listed insects (bugs)
- Kills listed bugs (insects), including larvae and pupae
- Kills listed insects (bugs) in minutes
- Kills listed insects (bugs) fast
- Kills (ants) (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants), (carpet beetles), (American cockroaches), (earwigs), (house flies), (silverfish), (sowbugs)
- Kills (ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants)), (beetles), (carpet beetles), (American cockroaches), (crickets), (earwigs), (firebrats), (house flies), (silverfish), (sowbugs), (spiders (excluding black widow, brown recluse, and hobo spiders)), (stink bugs)
- (Controls) (Kills) ants including (foraging ants), (sweet-feeding ants), (pavement ants), (moisture ants), (little black ants), (Argentine ants), (crazy ants), (acrobat ants), (bigheaded ants), (cornfield ants), (ghost ants), (odorous house ants), (thief ants), (field ants), (and other common ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants))
- No unpleasant odor
- Drives pests from hiding places and kills
- Based on plant oils.
- Water based.
- Non-staining.
- Kills listed bugs on contact
- Kills listed insects on contact.
- Provides quick control of pests
- Quick control
- Indoor – outdoor
- Indoor/outdoor
- Plant based insect spray.
- Use regularly to keep areas free of bugs
- Regular use prevents infestation
- Made from chrysanthemum flowers.
- Made with botanical pyrethrins from chrysanthemum flowers.
- Actives derived from plant extracts.
- Easy to use.
- Can be used in/around household food preparation areas.
- Contains sesame oil.
- Fast knockdown.
- Quick knockdown
- Fresh citrus scent.
- Mild citrus scent.
- Pleasant citrus scent.
- Spray surfaces where pests (bugs) crawl.
- For household use only.

- Avoid spraying plants directly
- Avoid spraying directly on plants
- Avoid spraying on vegetation directly
- Kills ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants) for up to 14 days (2 weeks) on non-porous surfaces
- Kills sowbugs for up to 14 days (2 weeks) on non-porous surfaces
- Kills spiders (excluding black widow, brown recluse, and hobo spiders) for up to five (5) days on non-porous surfaces
- Kills house flies for up to 14 days (2 weeks) on non-porous surfaces
- Kills (house flies) (sowbugs) (ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants)) for up to 14 days (2 weeks) on non-porous surfaces
- (Provides) Residual control of (house flies) (sowbugs) (ants (excluding fire ants, harvester ants, Pharaoh's ants, and carpenter ants)) for up to 14 days (2 weeks) on non-porous surfaces
- People and pets may re-enter after the treated area is dry
- (Insects) (Pests) contacting sprayed areas will die
- Kills (insects) (pests) that contact sprayed areas
- For ant control, apply directly to ants, their nests and trails, and wherever ants enter the house
- Can be used around livestock and animal dwellings
- Can be used in out buildings, barns, equipment storage, and covered workplaces
- Caution: some floors may be slippery after spraying
- Some floors may be slippery after spraying
- Manufactured under a license of Neudorff.
- Sold under a license of W. Neudorff GmbH KG, Germany.
- Manufactured under a license of W. Neudorff GmbH KG, Germany.

- Gentle mist
- Contains no aerosol propellants. [Powered by (compressed) air].
- Sprays in any direction – even upside down
