

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7505P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

67702-16

Date of Issuance:

2/27/2026

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

AEROSOL NEU1161 RESIDUAL
 PEST SPRAY

Name and Address of Registrant (include ZIP Code):

W. Neudorff GMBH KG
 c/o Jennifer Brandon
 Delta Analytical Corporation
 12510 Prosperity Drive, Suite 160
 Silver Spring, MD 20904

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on her/his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on 11/29/2018. EPA grants this request under the authority of section 3(c)(5) of FIFRA, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Pyrethrins have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

Signature of Approving Official:

Jacquelyn Herrick, Acting Chief
 IVB1, Registration Division (7505P)

Date:

EPA Reg. No. 67702-16

Decision No. 550463, Case No. 473108

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 02/22/2012
- Alternate CSF 1 dated 02/22/2012
- Alternate CSF 2 dated 02/22/2012
- Alternate CSF 3 dated 02/22/2012

If you have any questions, please contact Hester Dingle at 202-566-2596 or at dingle.hester@epa.gov.

Text in braces { } is for the reviewer and will not appear on the label.
Text in brackets [] is optional and may or may not appear on the label.
Text in parentheses () will appear on the label.

AEROSOL NEU1161 PEST SPRAY

Active Ingredients	By Wt.
Pyrethrins	0.30%
Canola Oil	1.00%
Other Ingredients	98.70%

EPA EST.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION. Avoid contact with skin or clothing. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

User Safety Recommendations

- Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas.

Physical or Chemical Hazards: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For residential areas only. Please read entire label. Use only as directed. Shake well before each use.

PESTS/SITES AND APPLICATION INSTRUCTIONS

Aerosol NEU1161 Pest Spray will kill listed insect pests ants (excluding fire ants, harvester ants, pharaoh ants and carpenter ants), beetles, carpet beetles, caterpillars, cockroaches, crickets, earwigs, firebrats, house flies, millipedes, moths, pillbugs, silverfish, sowbugs, spiders (excluding black widow, brown recluse, and hobo spiders), and stink bugs.

To treat indoors, spray as a perimeter treatment and/or spray thoroughly into infested areas and insect hiding places: cracks and crevices; around baseboards and window and doorframes; underneath and behind refrigerators, stoves, cabinets and garbage cans; under sinks; around plumbing; and in dark corners. Spray cockroaches directly. Use stream setting for cracks and crevices. Repeat treatment as necessary.

Use outdoors on window and door frames, building foundations, under wood siding and any cracks and crevices around building foundation or stucco where pests may find entry and wherever pests are observed. Thoroughly spray surfaces and pests. Use stream setting for cracks and crevices. Repeat treatment as necessary.

Do not use more than 289 fl. oz. per 1000 square feet for indoor surface or spot/crack and crevice applications, or outdoor spot/crack and crevice applications. Do not apply more than 10 fl. oz. per 1000 square feet for outdoor surface applications.

USE RESTRICTIONS:

- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Remove pets, birds, and cover fish aquariums before spraying.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply more than 1 time per day.
- Do not use in outdoor residential misting systems.
- Do not apply into sewers or drains or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application
- Do not apply directly to or near water, storm drains, or drainage ditches. Do not apply when windy. To prevent product run-off, do not over water the treated area(s) or apply prior to heavy rainfall.
- Do not make applications during rain
- Do not water the treated area to the point of run-off
- Do not apply to lawns, turf or any desirable vegetation; leaf burn will occur.
- All outdoor applications must be limited to spot or crack and crevice treatments only except for the following permitted uses:
 - 1) Treatment to soil or vegetation around structures;
 - 2) Applications to building foundations, up to maximum height of 2 feet.
- Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches, and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack and crevice applications, only.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Protect from freezing. If frozen, thaw and shake well. Store in a cool, dry place (preferably locked) inaccessible to children and pets, and away from heat, open flame or other sources of ignition.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate!

If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

If partly filled: Call your local waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

BATCH CODE:

[The registrant may use this optional statement:

[WARRANTY STATEMENT] {or} [WARRANTY AND DISCLAIMER NOTICE]

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.]

{OPTIONAL STATEMENTS}

Marketing claims and product information that may be presented on the container or supplemental labeling:}

[

- Patented technology
- Unique, patented formula.
- Patented
- U.S. Patent # 5,700,473
- Insect (bug) spray
- Kills listed [insects] [bugs]
- Kills listed [bugs] [insects], including larvae and pupae
- Kills [ants (excluding fire ants, harvester ants, pharaoh' ants and carpenter ants), [carpet beetles], [cockroaches], [earwigs], [house flies], [silverfish], [sowbugs]
