### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Please read entire label before using. Use only as directed.

Shake container before use. Thoroughly spray insect pests to wetting on all plant parts, including undersides of leaves. Repeat treatment weekly or bi-weekly if needed. May be used on edible crops up to and including day of harvest.

Do not use on sweet peas, nasturtiums, delicate ferns. Use with care on new seedlings, transplants and blooms. Avoid spraying during full sun. If concerned about sensitivity of plants, apply to individual plants or small areas of plants and wait to determine if plant damage occurs prior to treatment of larger areas.
