67702-27

Date of Issuance:

DEC 09 2008

Unconditional

Term of Issuance:

Name of Pesticide Product:

NEU1173H RTU

NOTICE OF PESTICIDE:

☒ Registration

☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (Include ZIP Code):

Neudorff GmbH KG  
C/O Walter G. Talarek  
Walter G. Talarek, P. C.  
1008 Riva Ridge Drive  
Great Falls, VA 2206

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/ re-registration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Revise the EPA Registration Number to read, "EPA Reg. No. 67702-27."
3. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

NET CONTENTS: 12, 16, 22, 24, 32 and 64 fluid ounces, and 1 gallon

### **PRECAUTIONARY STATEMENTS**

#### **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or chewing tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

#### **DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### **Use Sites:**

Use to selectively control/suppress broadleaf weeds growing in lawns.

#### **Pests:**

Controls or suppresses the following weeds such as but not limited to: Dandelion, English daisy, False dandelion, White clover, Black medic, Bull thistle, Canada thistle, Common chickweed, Creeping buttercup, Persian Speedwell, Slender speedwell, Broadleaf plantain, Narrow-leaved plantain, Dovefoot geranium, Healall, Shepherd's-purse, Silverweed cinquefoil, Wild chamomile, Moss, Liverworts, Algae, Lichens.

**Page 3 of 5**  
**Application Directions**

Shake well before using.

Do not dilute. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Repeat treatment in 3 to 4 weeks for best results.

**What will I see?**

Works quickly; dying weeds will be seen within hours of application. Treated weeds, moss or algae will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment, however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn); this does not affect the health of the grass.

**Use Precautions:**

Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of your lawn. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year, not including spot treatments.

**STORAGE AND DISPOSAL**

**STORAGE:** Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame.

**DISPOSAL:**

**If empty:** Do not reuse this container. Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
