U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505C)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

67702-29

Date of Issuance:

JUL 21 2009

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

LOXIRAN NEU1261I ANT AND  
CRAWLING INSECT KILLER

Name and Address of Registrant (include ZIP Code):

W. Neudorff GmbH KG  
Postfach 1209, An der Muhle 3  
D-31860 Emmerthal, Germany  
011-49-5155-624-100

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA provided that you:

1. Submit and/or cite all data required for registration of your product under sec 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under section 4 of FIFRA.

(continued on page 2)

Signature of Approving Official:

See page #2.

Richard J. Gebken, Product Manager (10)  
Insecticide Branch, Registration Division (7505P)

Date:

JUL 21 2009

2. Make the following change(s) to the label:

- a. Change the product registration number to "EPA Reg. No. 67702-29"
- b. Make the following label revision provision(s):

First Aid Statement section, Hotline Number subsection comment(s):

1. Revise the 2<sup>nd</sup> sentence in this section to read: "For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-xxx-xxxx."<sup>1</sup>

Optional Marketing Claims comment(s):

2. On the 19<sup>th</sup> optional marketing claim, replace the word "ants" with the word "ant."
3. On the 40<sup>th</sup> optional marketing claim, insert the word "listed" immediately preceding the word "insects."

Conditional Data Requirements:

4. Within one (1) year from the date of this registration, W. Neudorff GmbH KG is obligated to submit a One Year Storage Stability (830.6317) study and a Corrosion Characteristics (830.6320) study on this product in support of this registration.<sup>2</sup>
3. You must submit two (2) copies of the revised final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

Should you wish to add/retain a reference to the company's website on your label, please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR §156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not be substantially differ from those claims approved through the registration process. Therefore, should the Agency find, or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to EPA's Office of Enforcement and Compliance Assurance (OECA). As an alternative, you may refer consumers to the company's phone number or e-mail address.

A copy of your label stamped "Accepted with Comments" is enclosed for your records along with hard copies of the efficacy, acute toxicity and product chemistry reviews for this product. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov).

Sincerely yours,

*For*  

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7505P)

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals:

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**Environmental Hazards:** This product is toxic to aquatic organisms, including fish and invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through runoff. This product has a potential for runoff for several weeks after application. Poorly draining soils and soils with shallow water tables are more prone to produce runoff that contains this product.

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water

4/7

when disposing of equipment wash-waters or rinsate. See Directions for Use for additional precautions and restrictions.

### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### **GENERAL PRECAUTIONS & USE RESTRICTIONS**

- Apply this product as specified on this label.
- Do not contaminate food or feedstuffs.
- Aerial applications are prohibited.
- Applications with power duster equipment are prohibited.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Do not allow adults, children or pets to enter the treated area until dusts have settled.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, or wash them before use.
- Do not apply directly to or near water, storm drains or drainage ditches. Do not apply when windy. To prevent run-off, do not over-water the treated areas or apply prior to heavy rainfall.
- For Home Garden or Home Greenhouse Applications: Do not apply more than 10 times per season. Do not reapply within 3 days except under extreme pest pressure. In case of extreme pressure, do not reapply within 24 hours.
- For Outdoor Ornamental and Lawns and General Outdoor Sites: Do not apply more than 1 time per day.
- Remove pets, birds and cover fish aquariums before application.

### **PESTS/SITES AND APPLICATION INSTRUCTIONS**

Loxiran NEU12611 Ant and Crawling Insect Killer will kill insect pests such as foraging ants (excluding Carpenter Ants and Pharaoh Ants), beetles, carpet beetles, earwigs, millipedes, moths, pillbugs, silverfish, sowbugs indoors and outdoors.

Indoor: Scatter in infested areas and insect hiding places, such as: cracks and crevices; around baseboards and window and doorframes; underneath and behind refrigerators, stoves and garbage cans; in and around cabinets; under sinks; around plumbing; and in corners. Repeat treatment as necessary. Do not apply more than 3.2 lbs per 1000 square feet per application.

Outdoors: Scatter around decks, patios, pathways, grass and lawn areas, and ornamental gardens. Apply as a half inch wide band around the foundations of

structures. Apply in early morning and, if possible, in areas that are protected from direct sunlight. Apply at a rate of 2 to 3 level teaspoons per sq. yd. (0.3 to 0.45 oz per sq. yd.). Do not apply more than 3.2 lbs per 1000 square feet (3 teaspoons per sq. yd.).

Scatter on ant runs, around nests and other ant-frequented areas. Repeat treatment as necessary. Alternatively dissolve 2.5 oz in 1 gal of water (i.e. dissolve 1 part product in 50 parts water). Pour the solution on the ant nest and ant runs (approx. 1 pint of diluted solution per sq. yd.). Most effective in the early morning or evening when ants are in the nest.

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep this product in its original container and in a secured area that is inaccessible to children and domestic animals.

**CONTAINER DISPOSAL:** **If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### **BATCH CODE:**

[The registrant may use one or both of these two optional statements; either:

##### **"WARRANTY**

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated on this label only when used in accordance with directions under normal use conditions. To the fullest extent permitted by law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied."
