

U.S. ENVIRONMENTAL PROTECTION AGENCY  
 Office of Pesticide Programs  
 Registration Division (7505P)  
 1200 Pennsylvania Ave., N.W.  
 Washington, D.C. 20460

EPA Reg. Number:

67702-29

Date of Issuance:

2/27/2026

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

LOXIRAN 126II ANT AND  
 CRAWLING INSECT KILLER

Name and Address of Registrant (include ZIP Code):

W. Neudorff GMBH KG  
 c/o Jennifer Brandon  
 Delta Analytical Corporation  
 12510 Prosperity Drive, Suite 160  
 Silver Spring, MD 20904

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on her/his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on 04/09/2018. EPA grants this request under the authority of section 3(c)(5) of FIFRA, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Pyrethrins have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

Signature of Approving Official:

Jacquelyn Herrick, Acting Chief  
 IVB1, Registration Division (7505P)

Date:

**CAUTION**

**EPA Registration No. 67702-29**

**EPA Establishment No.**

<b>FIRST AID</b>	
IF IN EYES	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. - Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For emergency information concerning this product, call the poison control center 1-800-222-1222. [Alternately insert subregistrant's toll free number and hours of operation].]	

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals:**

**CAUTION.** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

### **User Safety Recommendations**

- Users must wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users must remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

### **ENVIRONMENTAL HAZARDS:**

This product is toxic to aquatic organisms, including fish and invertebrates. Do not contaminate water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional precautions and requirements. Do not apply directly to or near water. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treated area. Sweeping any product that lands on a driveway, sidewalk or street back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### **USE RESTRICTIONS**

- Apply this product as specified on this label.
- Do not contaminate food or feedstuffs.
- Aerial applications are prohibited.
- Applications with power duster equipment are prohibited
- Only apply as a spot treatment to areas no greater than 3 feet by 3 feet per room.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Do not allow adults, children or pets to enter the treated area until dusts have settled.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, or wash them before use.
- Do not apply directly to or near water, storm drains or drainage ditches. Do not apply when windy. Do not make applications during rain. Do not water the treated area to the point of run-off or drip.

- Do not apply directly into drains, sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Remove pets, birds and cover fish aquariums before application.

## **PESTS**

Loxiran NEU1261I Ant and Crawling Insect Killer will kill foraging ants\* [optional list of ant species: foraging ants, sweet-feeding ants, pavement ants, moisture ants, little black ants, argentine ants, crazy ants, acrobat ants, bigheaded ants, cornfield ants, field ants, ghost ants, odorous house ants, thief ants, Texas leafcutting ants](excluding Carpenter Ants, Harvester ants, Fire ants and Pharaoh ants), beetles, carpet beetles, earwigs, millipedes, moths, pillbugs, silverfish, sowbugs indoors and outdoors.

## **USE SITES AND APPLICATION INSTRUCTIONS**

Indoor: Use in residential areas, homes, garages, out buildings, barns, equipment storage, and covered workplaces. Scatter in infested areas and insect hiding places: cracks and crevices; around baseboards, window and doorframes; underneath and behind refrigerators, stoves and garbage cans; in and around cabinets; under sinks; around plumbing; and in corners. Repeat treatment as necessary. Do not apply more than 32 lbs per 1000 square feet (0.056 lbs. ai per 1000 square feet) per application. Do not make more than 10 applications per year (0.56 lbs. ai per 1000 square feet).

Outdoors: Scatter as a perimeter or directly to infested areas around buildings, decks, patios, pathways, driveways, right-of-ways, grasses, turf, lawn areas, ornamental gardens, ornamental flowers, shrubs, and trees. If applying to an impervious horizontal surface, apply only to cracks and crevices. Apply as a 3 inch wide band around the foundations of structures. Apply in early morning and, if possible, in areas that are protected from direct sunlight. Apply at a rate of 2 to 3 level teaspoons per sq. yd. (0.3 to 0.45 oz per sq. yd.). Do not apply more than 32 lbs product per 1000 square feet (0.056 lbs ai per 1000 square feet) per application. Do not apply more than 320 lbs of product per 1000 square feet (0.56 lbs ai per 1000 square feet) per year. Do not apply more than 10 times per year. Do not reapply within 3 days except under extreme pest pressure. In case of extreme pest pressure do not reapply within 24 hours. Do not apply more than 1 time per day.

For Ants (excluding Carpenter Ants, Harvester Ants, Fire Ants and Pharaoh Ants): Scatter on ant runs, around nests, hills, mounds and other ant-frequented areas. Repeat treatment as necessary. Alternatively dissolve 2.5 oz in 1 gal of water (i.e., dissolve 1 part product in 50 parts water). Pour the solution on the

ant nest and ant runs (approx. 1 pint of diluted solution per sq. yd.) Apply in the early morning or evening when ants are in the nest.

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep this product in its original container and in a secured area that is inaccessible to children and domestic animals.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** **If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, or throw in trash. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### **BATCH CODE:**

{The registrant may use one or both of these two optional statements, either:}

**EPA Registration No. 67702-29**

**EPA Establishment No.**

<b>FIRST AID</b>	
IF IN EYES	-Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. -Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center of doctor, or going for treatment. [For emergency information concerning this product, call the poison control center 1-800-222-1222. [Alternately insert subregistrant's toll free number and hours of operation].]	

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals:**

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**Personal Protective Equipment (PPE) Requirements:** Mixers, loaders, applicators, and other handlers must wear the following: long-sleeved shirt, long pants, shoes and socks.

#### **User Safety Requirements**

- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

#### **USER SAFETY RECOMMENDATIONS**

- Users must wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users must remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users must remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS:** This product is toxic to aquatic organisms, including fish and invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through runoff. This product has a potential for runoff for several weeks after application. Poorly draining soils and soils with shallow water tables are more prone to produce runoff that contains this product.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are in the treatment area.

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash-waters or rinsate. See Directions for Use for additional precautions and restrictions.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### **USE RESTRICTIONS**

- Apply this product as specified on this label.
- Do not contaminate food or feedstuffs.
- Aerial applications are prohibited.
- Do not use in aircraft cabins
- When used in dairy barns or facilities: Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking.
- Applications with power duster equipment are prohibited.
- Do not enter or allow others to enter until dusts have settled.
- Do not apply directly to or near water, storm drains, or drainage ditches. Do not apply when windy. Do not make applications during rain. Do not water the treated area to the point of run-off or drip.
- Do not apply this product in a way that will contact workers or other persons, either directly or through drift.
- Only protected handlers may be in the area during application.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply directly into drains, sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Spot treatments must not exceed two square feet in size (e.g. 2 ft. by 1 ft. or 4 ft. by 0.5 ft.

### **PESTS/USE SITES AND APPLICATION INSTRUCTIONS**

Loxiran NEU1261I Ant and Crawling Insect Killer will kill listed foraging ants\* [optional list of ant species: sweet-feeding ants, pavement ants, moisture ants, little black ants, argentine ants, crazy ants, acrobat ants, bigheaded ants, cornfield ants, field ants, ghost ants, odorous house ants, thief ants, Texas leafcutting ants], beetles, carpet beetles, earwigs, millipedes, moths, pillbugs, silverfish, sowbugs indoors and outdoors.

\*excluding Carpenter Ants, Harvester Ants, Fire Ants and Pharaoh Ants

Indoor: Use in residential, commercial and agricultural buildings in which agricultural plants are not grown or maintained, poultry and dairy barns, stables, kennels, food handling and processing facilities, restaurants, hospitals and schools. Scatter in infested areas [and insect hiding places]: cracks and crevices; around baseboards and window and doorframes; underneath and behind refrigerators, stoves and garbage cans; in and around cabinets; under sinks; around plumbing; and in corners. Repeat treatment as necessary. Do not apply more than 32 lbs per 1000 square feet (0.056 lbs. ai per 1000 square feet) for surface applications. Do not apply more than 125 lbs per 1000 square feet

(0.22 lbs. ai per 1000 square feet) for spot or crack and crevice application. Do not apply more than 1 time per day.

Outdoors: Use around/on buildings, decks, patios, pathways, driveways, right-of-ways, grasses, turf and lawn areas, landscaped areas, ornamental gardens, flowers, shrubs, trees; roadsides, cemeteries, golf courses, commercial grounds, parks, picnic grounds, fields, and other recreational areas. If applying to an impervious horizontal surface, such as patios, apply only to cracks and crevices. Scatter as a perimeter treatment or directly to infested areas. Apply in early morning and, if possible, in areas that are protected from direct sunlight. Apply as a 3 inch wide band when used as a perimeter treatment including around the foundations of structures. Apply at a rate of 2 to 3 lbs per 1000 square feet. . Do not apply more than 4.2 lbs per 1000 square feet (0.0075 lbs ai per 1000 square feet) for broadcast applications. Do not apply more than 1.14 lbs of product per 1000 square feet for spot treatments to ornamental gardens and lawns (0.002 lbs ai per 1000 square feet). Do not apply more than 125 lbs per 1000 square feet as a spot or crack and crevice application to other permeable outdoor use sites (0.22 lbs ai per 1000 square feet). Do not apply more than 1 time per day.

For Ants (excluding Carpenter Ants, Harvester Ants, Fire Ants and Pharaoh Ants): Scatter on ant runs, around nests, hills, mounds and other ant-frequented areas. Repeat treatment as necessary. Alternatively dissolve 1 part product in 50 parts water. Pour the solution on the ant nest and ant runs (approx. 1 pint of diluted solution per sq. yd.). Apply in the early morning or evening when ants are in the nest.

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep this product in its original container and in a secured area that is inaccessible to children and domestic animals.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container.

**Plastic containers:** Triple rinse or equivalent. Then offer for recycling if available, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**Paper and plastic bags:** Completely empty into application equipment. Then dispose of bag in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
