UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF
CHEMICAL SAFETY
AND POLLUTION PREVENTION

Mr. Walter G. Talarek
W.Neudorff GmbH KG
1008 Riva Ridge Dr
Great Falls, VA 22066-1620

Subject: Neudorff Ant Buffet, EPA Reg. No. 67702-30
Date of Registrant Submission: July 20, 2011
Decision: 452420

SEP 27 2011

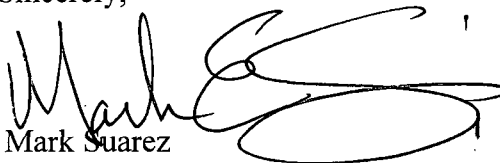

Dear Mr. Talarek:

The labeling referred to above, submitted in connection with registration under the Federal insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

Should you wish to retain a reference to the company's website on your label, please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance. As an alternative, you may refer consumers to the company's phone number or email address.

Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records. If you have any questions regarding this letter, please contact Samantha Hulkower at (703) 603-0683.

Sincerely,

Mark Suarez
Product Manager 13
Insecticide Branch
Registration Division (7505P)

NEUDORFF ANT BUFFET

(Alternate Brand Names: to be identified)

MASTER LABEL contains:

Sublabel A: Refillable Neudorff Ant Buffet
Sublabel B: Nonrefillable Neudorff Ant Buffet
Sublabel C: Refill for Neudorff Ant Buffet

Active Ingredient:

Spinosad (a mixture of spinosyn A
 and spinosyn D) 0.015%

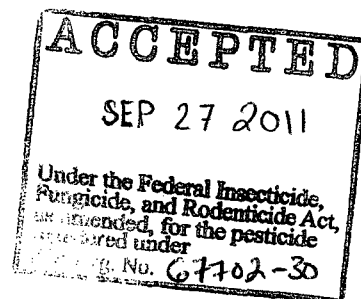

Other Ingredients: 99.985%

Total: 100.000%

EPA Reg. No.: 67702-30

EPA Est. No.: XXXXX-XXX-XXX

Registrant: W. Neudorff GmbH KG, An der Mühle 3,
 31860 Emmerthal, Germany
 011-49-5155-624-100
www.neudorff.com

Sublabel A: Refillable Neudorff Ant Buffet

NEUDORFF ANT BUFFET

Active Ingredient:

Spinosad (a mixture of spinosyn A
and spinosyn D) 0.015%

Other Ingredients: 99.985%

Total: 100.000%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

NET WEIGHT: 0.25 oz to 16 oz

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLICATION DIRECTIONS

Set the Neudorff Ant Buffet beside ant nests or where ants crawl before filling with the bait solution. Avoid setting the Neudorff Ant Buffet in direct sun to decrease evaporation of the bait solution. Use two traps to control larger ant nests.

To fill the Neudorff Ant Buffet open the lid and carefully pour the blue bait solution [Refill for Neudorff Ant Buffet] into the two depressions inside the bait station. Check traps every day and refill when the bait solution has been consumed or dried out. When the ant nest has been controlled, the bait station may be cleaned and moved to a different location.

PESTS CONTROLLED: Ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants).

USE SITES: Gardens, decks, patios, balconies, garden paths and around homes where ants are prevalent.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not refill this container except to refill with Neudorff Ant Buffet Refill Solution. Follow the refilling instructions in the Directions for Use.

If empty: Place in trash or offer for recycling, if available.
If partly filled: Call your local solid waste agency or (800) 858-7378 (National Pesticide Information Center) for disposal instructions. Never place unused product down any indoor or outdoor drain.

BATCH CODE: _____

[The registrant may use one or both of these two optional statements, either:

"WARRANTY

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated on this label only when used in accordance with directions under normal use conditions. To the fullest extent permitted by law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied."

or

OUR COMMITMENT TO YOUR SATISFACTION: If you are not happy with the way this product works in your garden, please let us know. We will be happy to replace the product or refund your money. Simply send your name, address and proof of purchase to [insert name and address of supplemental registrant]."]

[OPTIONAL LABEL CLAIMS: The following claims and product information may or may not be presented on the product's label and labeling:

- New (*claims effective for six months from the date of initial registration*)
- Read the Label First!
- Ant Bait
- Kills ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants)
- Spinosad is derived from the fermentation of a naturally occurring soil dwelling bacterium.
- Spinosad is biologically derived from the fermentation of *Saccharopolyspora spinosa*, a naturally occurring soil organism.
- Spinosad is derived from a soil dwelling bacterium
- Controls foraging ants
- Controls sweet eating ants (and common household ants)
- Mode of Action: the bait solution is taken by the worker ants into the colony where it is fed to other worker ants, larvae and the queen ant so that the entire ant nest population is exterminated within 1 to 2 weeks.
- For use indoors and outdoors

- Refillable
- Refillable ant trap
- Kills entire colony
- Kills the colony and queen
- Destroys the colony
- Ants carry bait back to the colony
- Place where ants are present
- Clean trap and reuse as needed
- Weather proof bait station
- Weather proof ant trap
- Place out of direct sunlight
- For best results, place out of direct sunlight
- Starts killing within 24 hours
- Kills within 24 hours
- Fast Acting
- Kills foraging ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants)
- Children and pets may enter treated area when (Neudorff Ant Buffet) is in use
- Ready-to-Use
- The blue bait solution may become discolored when it is exposed to sunlight, indicating that the trap location is not ideal.
- Can be used on listed household ants around the home
- Place near ant infestations
- Use where ants are entering home
- Place where ants are entering
- Place around house near where ants are entering
- Home ant control for listed ants
- Controls listed ants around the home
- SATISFACTION GUARANTEED.
- Money Back Guarantee: If you are not satisfied with this product, we will gladly refund your original purchase price.
- Read Entire Container Label Before Using This Product.
- Unconditionally guaranteed by [insert name of supplemental registrant].
- www.neudorff.de
- Sold under a license of W. Neudorff GmbH KG, Germany
- Manufactured under a license of W. Neudorff GmbH KG, Germany.
