

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

EPA Reg. Number:

67702-57

Date of Issuance:

4/15/19

Term of Issuance:

Unconditional

Name of Pesticide Product:

Neudorff Liquid Ant Bait Station

Name and Address of Registrant (include ZIP Code):

Mr. Walter G. Talarek, Agent
W. Neudorff GmbH KG
c/o Walter G. Talarek PC
5153 Allison Marshall Drive
Warrenton, VA 20187-8980

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 67702-57."

Signature of Approving Official:

Michael Walsh, Product Manager 11
Invertebrate & Vertebrate Branch 2
Registration Division (7505P)

Date:

4/15/19

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is attached for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 08/23/2018
- Alternate CSF 1 dated 08/23/2018
- Alternate CSF 2 dated 08/23/2018

If you have any questions, please contact Debra Rate by phone at (703) 306-0309, or via email at rate.debra@epa.gov

Attachment

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

{NOTE to PM: Directions can be bulleted or numbered.}

1. [Separate bait stations before placement.] Peel off and dispose of activation film on each bait station before placement.
2. For best results, place bait stations where you see ants in and around your home. For thorough ant control, use [all] [2] [4] [6] [8] bait stations at one time. For larger areas or particularly heavy infestations, use additional bait stations.
3. Avoid setting [the bait station] in direct sun to decrease evaporation of the bait solution.
4. When ant problem is controlled, remove [bait station] and dispose of according to the Storage and Disposal instructions.

PESTS CONTROLLED: Ants (excluding fire ants, carpenter ants, harvester ants, and pharaoh ants)

-including foraging ants, sweet-feeding ants, pavement ants, moisture ants, little black ants, argentine ants, crazy ants, acrobat ants, bigheaded ants, cornfield ants, ghost ants, odorous house ants, thief ants, Texas leafcutting ants, field ants, and other common ants

USE SITES: {Note to PM: one or more of the following use sites will be listed, with 'in', commas, 'around', and 'and' inserted for grammatical correctness where necessary}

Use indoors and outdoors [in] [and] [around] [homes,] along baseboards, along kitchen baseboards, corners of rooms, corners of cabinets, under appliances, behind appliances, under and behind appliances, under and behind kitchen appliances, around refrigerators and stoves, on window sills, doorways, around garbage cans, on or around decks, on decks, on patios, on balconies, on garden paths, ornamentals, on lawns, electrical conduits, vents, pipe chases, on concrete slabs, crawlspaces, skylights on roofs, on sidewalks, on driveways, home greenhouses, on ground around home or structure, gardens, next to the wall along baseboards, under sinks, under kitchen sinks, near plumbing fixtures, pantries, around waste receptacles, and other areas where listed ants are found.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area inaccessible to children and domestic animals.

Disposal:

Non-refillable label. Do not reuse or refill the bait station.

If empty: Place in the trash or offer for recycling if available.

If partially filled: Call your local solid waste agency [or call {insert toll free hotline}] for disposal instructions. Never place unused product down any indoor or outdoor drain.

Batch Code:

{Individual Station Label}

Neudorff Liquid Ant Bait Station

DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH BAIT STATIONS

CAUTION

See [back] [inside] [bottom] [side] [panel] [container] [box] [outer package] [for] additional precautionary statements [and complete] [directions] [use instructions] [on back]

ACTIVE INGREDIENT:

Spinosad (a mixture of spinosyn A
and spinosyn D)..... 0.015%
