Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg.  
Number:

67760-48

Date of Issuance:

FEB 22 2001

## NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Glyphos Ready-To-Use  
0.96% Weed & Grass  
Killer

Name and Address of Registrant (includes ZIP Code):

Cheminova, Inc.  
Oak Hill Park  
1700 Route 23, Suite 300  
Wayne, NJ 07470

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit the results of the one year storage stability (830.6317) and corrosion characteristics (830.6320) studies once they are completed,
2. Submit/cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment.
  - a. Add the phrase "EPA Registration No. 67760-48".
  - b. Delete the following statement

OR

## ACTIVE INGREDIENT

Glyphosate.....0.96%  
Other Ingredients .....99.04%  
Total 100.00%

- c. Replace the deleted statement with

"Acid equivalent or Glyphosate content=0.71%..."

Signature of Approving Official

Date:

2/22/01

-2-

d. The statement "Reformulation or Repacking for sale is Prohibited" must be deleted or revised to read to similar to the following "This is an end-use product. Cheminova, Inc. does not intend and has not registered it for reformulation or repackaging."

3. Submit three (3) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of labeling is enclosed for your records.

Please note for future submissions labeling requiring revisions will not be stamped "Acceptable". Submissions requiring label revisions will be rejected pending submission of corrected labeling.

Submit three (3) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec.6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. *ukw*

# Glyfos®

## Ready-To-Use 0.96% Weed and Grass Killer

*[Optional proposed text appears in brackets – the final label may include some or all of the optional text]*

[Ready-To-Use]

[No mixing required] [Covers approximately [n] sq. ft. (*n depends on container size*)]

[Systemic weed and grass killer for spot treatment of unwanted weeds and grasses]

[Kills weeds and grasses listed on the label][Kills to the Root]

[No soil activity] [No residual activity in soil]

[Water-based formula]

[For use around flower beds, trees and shrubs, fences, walks, mulch beds, gravel and driveways]

[This [24] [64] or [128] fl oz [(1 gallon)] empty container can be refilled using **Glyfos Concentrate** [*specific product number*] **Weed and Grass Killer**] [See label for instructions]

Wayne, New Jersey 07470

[Product of Denmark] [Product of USA]

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans and Domestic Animals**  
**CAUTION**

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Keep children and pets away from treated areas until spray has dried. Avoid contamination of food. Do not contaminate water supplies.

**FIRST AID**

**IF ON SKIN:**

- Take off contaminated clothing. Rinse skin with plenty of water for 15–20 minutes.

**IF IN EYES:**

- Call a poison control center or doctor for treatment advice.
- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**Have the product container or label with you when calling a poison control center or doctor, or**

going for treatment.

You may also call 1-800-228-5635, ext. 153, [or other designated emergency medical toll-free number] for emergency medical treatment information.

## ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

## [CONSUMER INFORMATION

[This container treats approximately:

- 50 weeds (6 oz)
- 200 weeds (24 oz)
- 250 weeds (32 oz)
- 500 weeds (64 oz)
- 1000 weeds (128 oz)
- 1300 weeds (170 oz)

[This container covers approximately xx sq ft] *[varies with container size]*

*(values may be reduced if large harder-to-control brush species are claimed/treated)*

**[Glyfos Ready-to-Use 0.96% Weed and Grass Killer** eliminates nearly all common weeds and grasses. [Illustrations]

This product is a general purpose [non-selective] weed and grass killer for control of unwanted vegetation in driveways, walkways, curbs, along fences and foundations, near trees and shrubs, flower beds, mulch beds, and other similar garden areas [similar areas of the yard]. This product is not recommended for use in lawns because **Glyfos** will kill lawn grasses too.

**[Important:** This product is a non-selective herbicide and will kill all vegetation contacted. This herbicide kills plants by inhibiting the production of a substance found only in plants. It enters plants through the sprayed foliage and moves down to the roots. Avoid direct spray or drift onto desirable plants, lawn grasses, shrubs and trees. Protect desirable plants and vegetation with a piece of plastic or cardboard. If desirable plants are accidentally sprayed, wash plants with water immediately. Any **Glyfos** not absorbed by the plant is broken down into natural materials. This product has no soil activity and thus will not affect nearby untreated plants. Do not mow, cut or otherwise disturb treated vegetation for at least 7 days following application.

[For product information and a complete list of weeds controlled] [For more information] [For questions or comments], [call toll-free 1-800-xxx-yyyy or visit [www.xxxxx.XXX](http://www.xxxxx.XXX)]

## WEEDS CONTROLLED

\*Annual or Perennial

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow label instructions and all precautionary statements.

**Note:** See the **CONSUMER INFORMATION** section of this label for important information on protecting plants you like.

**[When to use] [When to apply]:** Apply when weeds are actively growing. It is best to apply on a warm sunny day when daytime temperatures are above 60° F and no rain is forecasted for 24 hours. Re-apply if rain occurs with 24 hours after application. To avoid drift to desirable plants, apply when the air is calm.

**[How to use] [How to apply]:** Glyfos Ready-to-Use 0.96% Weed and Grass Killer is pre-mixed, pre-measured and ready to use. To re-fill empty container, see **REFILLING INSTRUCTIONS**. This product is formulated for "spot" treatment of individual weeds and grasses. Apply with a plastic, aluminum or stainless steel tank-type sprayer. Adjust nozzle to make a coarse spray. **Do not apply with galvanized or unlined steel sprayer, or through any irrigation system or sprinkling can.**

Make application when the air is calm. Position the sprayer-tip approximately 1-2 feet from the target weed and apply to the foliage. Thoroughly wet the foliage of the target weeds and

grasses. Do not overspray. A single application of **Glyfos** controls most listed weeds. Sprayed plants begin yellowing and wilting within about 1 week, with a complete kill, including the roots, in 2 to 4 weeks. Harder-to-control weeds may require a repeat application after 4 weeks.

[Optional Edger Sprayer text]

**Glyfos Ready-to-Use 0.96% Weed and Grass Killer** is an easy edger for use along driveways, walkways, sidewalk cracks, around landscaping, ornamentals, trees, and shrubs. Use in larger areas such as patios and brick and gravel walks.

**To use:** Remove cap and fasten the built-in sprinkler applicator. For edging, turn container upside down. Walk slowly holding nozzle 2 to 6 inches [above weeds and grasses] [area to be treated]. Thoroughly wet the foliage of the unwanted vegetation. A one-gallon container covers a 2 inch band 1200 feet long. For larger area coverage, adjust the width of the spray pattern by varying the height of the container.]

## REPLANTING INSTRUCTIONS

Ornamental trees, shrubs and flowers may be planted 1 day after application.

[Optional Text:

## REFILLING INSTRUCTIONS

[24 fl oz hand sprayer]

Add 1½ cups [12 fl oz] of [water] [clean tap water] to this empty [container] [sprayer], then add 3 tablespoons of **Glyfos Concentrate 18% Weed and Grass Killer** or 4 teaspoons of **Glyfos Concentrate 27% Weed and Grass Killer**. Continue to add water slowly until full. Close container and shake to mix. Follow label directions for use. Do not reuse this container for any other product or purpose.

[32 fl oz hand sprayer]

Add 2 cups [16 fl oz] of [water] [clean tap water] to this empty [container] [sprayer], then add 1.75 fl oz (3.5 Tbs) of **Glyfos Concentrate 18% Weed and Grass Killer** or 0.75 fl oz (1.5 Tbs) of **Glyfos Concentrate 27% Weed and Grass Killer**. Continue to add water slowly until full. Close container and shake to mix. Follow label directions for use. Do not reuse this container for any other product or purpose.

[64 fl oz container]

Add 4 cups [32 fl oz] of [water] [clean tap water] to this empty [container] [sprayer], then add 3½ fl oz (7 Tbs) of **Glyfos Concentrate 18% Weed and Grass Killer** or 1½ fl oz (3 Tbs) of **Glyfos Concentrate 27% Weed and Grass Killer**. Continue to add water slowly until full. Close container and shake to mix. Follow label directions for use. Do not reuse this container for any other product or purpose.

[128 fl oz container]

Add ½ gallon [64 fl oz] of [water] [clean tap water] to this empty [container] [sprayer], then add 7 fl oz (7/8 cup) of **Glyfos Concentrate 18% Weed and Grass Killer** or 3 fl oz (6 Tbs) of **Glyfos Concentrate 27% Weed and Grass Killer**. Continue to add water slowly until full. Close container and shake to mix. Follow label directions for use. Do not reuse this container for any other product or purpose.

[170 fl oz [5 L] container or Fast & Easy Pressure Sprayer]

Add 2½ L [85 fl oz] of [water] [clean tap water] to this empty [container] [sprayer], then add 10½ fl oz of **Glyfos Concentrate 18% Weed and Grass Killer** or 4½ fl oz of **Glyfos Concentrate 27% Weed and Grass Killer**. Continue to add water slowly until full. Close container and shake to mix. Follow label directions for use. Do not reuse container for any other product or purpose.]

### STORAGE AND DISPOSAL

[For refillable containers]

**Storage:** Use and store this product only in its original container. Store product in a secure storage area away from sources of heat or open flame. Protect product from freezing.

**Disposal:** Do not reuse container except for refill in accordance with refill instructions. To dispose of unused product and container, securely wrap original container in several layers of newspaper and discard in trash.

**Spill or leak:** In case of spill or leak, soak up with paper towels and discard in trash.

[Additional Storage directions for **Edger Sprayer** container]

Flip down spout to close. No need to disconnect trigger sprayer. Close nozzle on trigger sprayer. Snap sprayer back in place.

[Additional Storage directions for **Fast & Easy Pressure Sprayer**]

To store, make sure handle is all the way down. Slide lock to close position. Do not disconnect wand from handle. Snap wand back into place.

[Non-refillable container text]

**Storage:** Use and store this product only in its original container. Store product in a secure storage area away from sources of heat or open flame. Protect product from freezing.

**Disposal:** Do not reuse container. To dispose of unused product and container, securely wrap original container in several layers of newspaper and discard in trash.

**Spill or leak:** In case of spill or leak, soak up with paper towels and discard in trash.
