JUN 22 1994

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Moss-Kil Roof Strip

Name and Address of Registrant (include ZIP Code):

All American Metal Products
 4995 Labounty Road
 Ferndale, WA 98248

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 67771-1".
3. Submit two copies of the revised final printed label for the record before releasing this product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Moss-Kil Roof Strip is the long-term solution to moss and algae problems. With each rainfall, moss-killing zinc is released. Zinc is a proven agent for killing moss and fungus. MOSS-KIL ROOF STRIP is designed to last more than 25 years.

NOTE: This is a violation of Federal law to use this product in a manner not specified with the label.

Do not allow this product to come into contact with other strong acids or bases!!!
MOSS-KIL ROOF STRIP is easy to use. Just apply the zinc to the edge of the roof along all roof peaks, using a trowel, every one foot.

Moss-Kil Roof Strip is a non-toxic, non-flammable, non-volatile, non-corrosive, and non-hazardous product.
