67867-4

JUL 09 1998

Term of Issuance:

Conditional

Name of Pesticide Product:

Buggspray Insect Repellent

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bugg Products
716 Mississippi Lane
Brooklyn Park, MN 55444

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide if accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to exclude use of it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 67867-4".

b. If you desire to reveal your ingredient(s), you must create a substatement to the inert ingredient declaration

Signature of Approving Official:

Date:

JUL 09 1998

page 2
EPA Reg. No. 67867-4

which depicts all of your inert ingredients on the front label. An example is as follows:

INERTS INGREDIENTS*%
Vanilla Fragrance

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion J. Johnson, Jr.
Product Manager 10
Insecticide Branch

Label accompanying product - Back Panel

Provides hours of effective protection from mosquitoes and biting flies: gnats, deer flies, sand flies, stable flies, black flies. Also repels ticks, chiggers and fleas from treated skin. The two-way pump spray allows easy application to skin, hair and clothing, while keeping hands repellent free. This vanilla scented formula is a pleasant, non-greasy alternative to other repellents.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product. Hold container 4 to 6 inches away from skin or clothing and spray. Do not use as a space spray. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent reapplication and saturation are unnecessary. For Maximum Protection: Spread evenly with hand to moisten all exposed skin. TO APPLY TO FACE: Spray palm of hand and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not apply over cuts, wounds, or irritated skin. WORKS ON CLOTHING TOO: Do not apply under clothing. Spray shirts, pants, socks and hats. For ticks and chiggers, also spray cuffs, socks and around openings in outer clothing. Will not damage cotton, wool, or nylon. DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX, OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES. Wash treated clothing. Do not keep product on longer than necessary. After returning indoors, wash treated skin with soap and water. STORAGE: Store in a cool, dry area away from heat or flame in an area inaccessible to children. DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS - WARNING: May cause eye injury. Harmful if swallowed. Avoid contact with eyes and lips. Do not apply to sunburned, damaged or irritated skin. Use sparingly on small children. Do not allow use by small children without close adult supervision. May cause skin reaction in rare cases. STATEMENT OF PRACTICAL TREATMENT: IF IN EYES - flush with plenty of water. If irritation persists, get medical treatment. IF SWALLOWED - call a physician or poison control center. Get medical attention. If you suspect that you or your child is reacting to this product, wash treated skin and call your doctor. PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Do not use or store near heat or open flame. Keep treated surfaces away from fire or flame until dry.

Contains: Alcohol, DEET, vanilla fragrance.
