Subject: Label Amendment – Revising physical and chemical hazards to remove aerosol language since this is not an aerosol product, add marketing claims and other minor edits
Product Name: Buggspray Insect Repellent
EPA Registration Number: 67867-4
Application Date: 09/29/2017
Decision Number: 534594

Dear Mr. Weekley:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 67867-4
Decision No. 534594

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Autumn Metzger at 703-305-5314, or Metzger.autumn@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is cursive and somewhat stylized, with the first name being more prominent.

OTHER INGREDIENTS...75.00%

KEEP OUT OF REACH OF CHILDREN

WARNING: See additional precautions on back panel.

1 FLUID OZ. (30ml)

Back Panel

[Provides effective protection from mosquitoes and biting flies: gnats, midges, black flies, deer flies, sand flies & stable flies. Also repels ticks, chiggers and fleas from treated skin. Due to human variability, user may experience an occasional bite within the protection time. The fine mist pump spray allows easy application to skin, hair & clothing. This clean, powdery scent smells great!]

PRECAUTIONARY STATEMENTS –

HAZARD TO HUMANS AND DOMESTIC ANIMALS - WARNING: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you.

FIRST AID:	
IF IN EYES	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
IF SWALLOWED	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.	

{Note: Space permitting the First Aid statements will be in grid format; otherwise a paragraph format will be used.}

PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Keep away from heat and open flame. Keep treated surfaces away from fire or flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product label. Hold container 4 to 6 inches away from dry skin or clothing and spray. Do not use as a space spray. Do not spray in enclosed areas. If used on the face, spray on hands first and then apply sparingly and avoid eyes then wash hands. Do not spray directly onto face. When using on children, apply to your own hands and then put it on the child. Do not use on children under 3 years old. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. For maximum protection, spread evenly with hand to moisten all exposed skin. Works on outer surfaces of clothing too! Do not use under clothing. Spray shirts, pants, socks and hats. For ticks and chiggers, also spray cuffs, socks and around openings in outer clothing. Will not damage cotton, wool, or nylon. DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX, OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH FACES, LEATHER AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES. Wash treated clothing before wearing it again. Do not keep product on longer than necessary. After returning indoors, wash treated skin with soap and water.

<p>STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Store in a secure, preferably locked storage area away from heat or open flame in an area that is inaccessible to children. PESTICIDE DISPOSAL & CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. If empty – Place in trash or offer for recycling, if available. If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.</p>
