U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg. Number: 67867-5
 Date of Issuance: AUG 13 2014

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product: Buggspray Insect Repellent for Biting Flies

Name and Address of Registrant (include ZIP Code):
 Bugg Products, LLC
 14505 21st Avenue N, Suite 214
 Plymouth, MN 55447-5602

~~Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.~~

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is reregistered in accordance with FIFRA section 4(g)(2)(C).

Note: Should you wish to retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA Section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after 12 months from the date of this Notice of the next printing of the label whichever occurs first, must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

FOR SUPERIOR PROTECTION

Buggspray

INSECT REPELLENT
for *Biting Flies*

DEET is a great mosquito repellent but fails when the biting flies get thick. This formula uses two fly repellents plus DEET to make it effective against a wide variety of insects. Due to human variability, user may experience an occasional bite within the protection time. This product is ideal for fishermen (with those ankle biters in the bottom of the boat), hunters, golfers, gardeners, & hikers.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Hold container 4 to 6 inches away from dry skin or clothing and spray. Do not use as a space spray. Do not spray in enclosed areas. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not allow children to handle this product. Do not apply more than 3 times per day to children ages twelve (12) and under. When using on children, apply to your own hands and then put it on the child. Do not use on children under 3 years old. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. For maximum protection, spread evenly with hand to moisten all exposed skin. For outer surfaces of clothing. Do not use under clothing. Spray shirts, pants, socks and hats. For ticks and chiggers, also spray cuffs, socks and around openings in outer clothing. Will not damage cotton, wool, or nylon. **DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX, OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES.** Wash treated clothing before wearing it again. Do not keep product on longer than necessary. After returning indoors, wash treated skin with soap and water. **STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. **PESTICIDE STORAGE:** Store in a secure, preferably locked storage area away from heat or open flame in an area that is inaccessible to children. **CONTAINER DISPOSAL:** If empty - Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS - WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children under 10 to handle this product. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Use of this product may cause skin reactions in rare cases. **FIRST AID: IF IN EYES -** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED -** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-858-7378. **PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE:** Do not use or store near heat or open flame.
