December 22, 2017

Brian J. Weekley
President
Bugg Products LLC
14505 – 21st Ave. N. STE 214
Plymouth, MN 55447

Subject: Notification per PRN 98-10 – ABN and marketing claims
Product Name: BUGGSPRAY INSECT REPELLENT FOR BITING FLIES
EPA Registration Number: 67867-5
Application Date: 11/03/2017
Decision Number: 535720

Dear Mr. Weekley:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The alternate brand name “*Buggins Insect Repellent V*” has been accepted and will be placed in our records.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at hollis.angela@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is fluid and cursive, with the first name "Elizabeth" written in a larger, more prominent script than the last name "Fertich".

Buggspray Insect Repellent for Biting Flies

NOTIFICATION

67867-5

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

12/22/2017

Alternate Name: **Buggins Insect Repellent V**

- [Great against ANKLE BITERS!
- REPELS MOSQUITOES that may transmit West Nile Virus
- This Composite Formula effectively REPELS: stable flies, no-see-ums, deer flies, horse flies, & black flies (biting gnats)
- Also REPELS: chiggers, TICKS & fleas
- 25% DEET
- No Fragrance Formula
- FOR SUPERIOR PROTECTION]

ACTIVE INGREDIENTS:

DEET	25.00%
N-Octyl bicycloheptene dicarboximide (MGK 264)	5.00%
Di-n-propyl isocinchomeronate (MGK 326)	2.50%
OTHER INGREDIENTS	67.50%

KEEP OUT OF REACH OF CHILDREN

WARNING: **See additional precautions on back panel.**

1 FLUID OZ. (30ml)

[DEET is a great mosquito repellent but fails when the biting flies get thick. This formula uses two fly repellents plus DEET to make it effective against a wide variety of insects. Due to human variability, user may experience an occasional bite within the protection time. This product is ideal for fishermen (with those ankle biters in the bottom of the boat), hunters, golfers, gardeners, & hikers.]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Hold container 4 to 6 inches away from dry skin or clothing and spray. Do not use as a space spray. Do not spray in enclosed areas. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not allow children to handle this product. Do not apply more than 3 times per day to children ages twelve (12) and under. When using on children, apply to your own hands and then put it on the child. Do not use on children under 3 years old. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. For maximum protection, spread evenly with hand to moisten all exposed skin. For outer surfaces of clothing. Do not use under clothing. Spray shirts, pants, socks and hats. For ticks and chiggers, also spray cuffs, socks and around openings in outer clothing. Will not damage cotton, wool, or nylon. **DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX, OR OTHER SYNTHETICS (OTHER THAN NYLON), FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES.** Wash treated clothing before wearing it again. Do not keep product on longer than necessary. After returning indoors, wash treated skin with soap and water.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. PESTICIDE

STORAGE: Store in a secure, preferably locked storage area away from heat or open flame in an area that is inaccessible to children. CONTAINER DISPOSAL: If empty - Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS - WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children’s hands. Do not allow children under 10 to handle this product. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Use of this product may cause skin reactions in rare cases.

FIRST AID:	
IF IN EYES	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF SWALLOWED	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-858-7378.	

{Note: Space permitting the First Aid statements will be in grid format; otherwise a paragraph format will be used.}

PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Do not use or store near heat or open flame. Keep treated surfaces away from fire or flame until dry.
