	<p align="center"><b>U.S. ENVIRONMENTAL PROTECTION AGENCY</b>  Office of Pesticide Programs  Registration Division (7505P)  1200 Pennsylvania Ave., N.W.  Washington, D.C. 20460</p>	EPA Registration No.  <p align="center"><b>67867-7</b></p>	Date of Issuance:  <p align="center"><b>FEB 25 2010</b></p>
<p align="center"><b>NOTICE OF PESTICIDE:</b></p> <p align="center"> <input checked="" type="checkbox"/> Registration  <input type="checkbox"/> Reregistration </p> <p align="center">(under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</p>		Term of Issuance: <p align="center"><b>Conditional Registration</b></p> <hr/> Name of Pesticide Product: <p align="center"><b>BuggSlayer Insecticide RTU</b></p>	
Name and Address of Registrant (include ZIP Code):  <p><b>Bugg Products LLC</b>  <b>P.O. Box 129</b>  <b>Long Lake, MN 55356</b></p>			
<p><small>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</small></p>			
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(a) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data, and submit acceptable responses required for reregistration of your product under FIFRA section 4.</li> <li>2. For the proposed marketing claims on page 1 of the label, you must either: <ol style="list-style-type: none"> <li>a. delete the following statements: <ul style="list-style-type: none"> <li>- "Keeps killing carpenter ants for up to 4 months [16 weeks] when applied to non-porous surfaces"</li> <li>- "Keeps killing pharaoh ants, crazy ants and fire ants for up to 3 months [12 weeks]"</li> <li>- "Keeps killing German cockroaches [and cat fleas] for up to 12 months [1 year, 52 weeks, 365 days]"</li> </ul> </li> <li>OR</li> <li>b. to be consistent with the claims in the me-too product, you must amend the statements to read as follows:</li> </ol> </li> </ol>			

- "Keeps killing carpenter ants for up to 1 month [4 weeks] when applied to non-porous surfaces"
- "Keeps killing pharaoh ants, crazy ants and fire ants for up to 1 week"
- "Keeps killing German cockroaches for up to 12 months [1 year, 52 weeks, 365 days]"

3. From the list of proposed marketing statements on pages 1 through 3, you must delete the entire statement, or amend as directed, the following statements from the label because misleading and comparative statements are not permitted:

- "Water-based"
- "Kills on contact"
- *Delete* "on contact" *from* "Kills roaches, ants, and fleas on contact"
- *Replace* "controls" *with* "kills" in "[Also] controls termites, carpenter ants & carpenter bees"
- *Delete* "on contact" *from* "Kills mosquitoes and [deer] ticks on contact [with treated surfaces]"
- "Controls mosquitoes that may carry West Nile Virus"
- "Non-toxic"
- "Non-toxic to humans and pets"
- "Non-toxic to pets"
- "Non-toxic to children"
- "Non-toxic for indoor use"
- "Safe for use around pets and children"
- "For use around pets and children"
- "Non-toxic for use around pets and children"
- "EPA Registered"
- "Kills mosquitoes for up to 4 months [16 weeks, 120 days]"
- "EPA Registered (registration is in no way to be construed as an endorsement or recommendation of this product by the EPA)"
- "Penetrates deep into cracks & crevices to kill hidden bugs"
- "Even kills hidden bugs"
- "Protects home from invading bugs"
- "Keeps bugs out of your home"
- "EZControl"
- "Targeted Control"
- "Targeted Protection"
- "Targeted Action"
- "Targeted Killing Power"
- "Targeted Home Protection"
- "Targeted EZControl"
- "Targeted Indoor Killing Action"
- "Targeted Outdoor Killing Action"
- "Targeted Insect Defense"
- "Targeted Insect Control"
- "Targeted Insect Protection"
- "Targeted Insect Action"
- "Targeted Insect Killing Power"
- "Targeted Insect Home Protection"
- "Targeted Spray Control"
- "Targeted Spray Action"
- "Targeted Spray Protection"
- "Targeted Spray Defense"
- "Specialty Product"

- "Targeted Specialty Product"
- *You must add a footnote with the efficacy time duration for each respective pest in each statement, or delete in its entirety, the following statements:*
  - a. "Keeps Killing Targeted Insects"
  - b. "Keeps Killing Targeted Pests"
  - c. "Keeps Killing Targeted Bugs"
- "Dual Indoor & Outdoor Action"
- "Dual Indoor & Outdoor Control"
- "Dual Indoor & Outdoor Protection"
- "Dual Indoor & Outdoor Killing Power"
- "Dual Action"
- "Dual Control"
- "Dual Protection"
- "Dual Killing Action"
- "Dual Killing Power"
- "Advanced Killing Action"
- "Nothing Kills Bugs Better"
- "No Easier Control of Target Insects"
- "Nothing is more convenient"
- "Fast-acting formula"
- "Kills on Contact – Guaranteed"
- *You must add a footnote with the efficacy time duration for each respective pest in each statement, or delete in its entirety, the following statements:*
  - a. "Long-lasting residual control"
  - b. "Long-lasting action"
  - c. "Long-lasting protection"
- *Delete "controls" from "Kills [controls] bed bugs"*
- "Safe for use on mattresses and bed frames"
- *Delete "and controls" from "Kills and controls bed bugs"*
- "Protects Luggage from Bed Bugs"
- "Bed Bug Luggage Protection"
- "Rain-proof"
- "Rain-proof within 1 hour"
- "Rain-proof after it dries"
- "Complete Insect Killer"
- "Kills [flies] 25 times faster (than conventional (permethrin, bifenthrin, cyfluthrin) insecticides)"
- "Kills [lasts] [cockroaches] 10 times longer (than conventional (permethrin, bifenthrin, cyfluthrin) insecticides)"
- "Kills over 80 insects [pests]"
- "Kills over 100 insects [pests]"
- "Keeps bugs out"

4. On page 3 of the label, you must add the "Keep Out of Reach of Children" statement under the EPA Registration number to be located on the front label panel of the product.
5. On page 3 of the label, you must replace "NON-TOXIC to humans and pets" with "CAUTION."
6. On page 4 of the label, you must replace "NOTICE" with "CAUTION" under the Precautionary Statements section.
7. Under the Directions for Use section on page 4, move the following sentence out of the paragraph to be read as a stand-alone sentence:

“Do not use in commercial food handling establishments, restaurants or other places where food is commercially prepared or processed.”

8. Under the Directions of Use section, move all prohibition statements to the beginning of each paragraph for the following use sites/listed pests:

- Ticks and Fleas: “Do not spray animals directly...”
- Horse Stables: “Do not spray animals or humans, or apply to animal feed or watering equipment...”
- Webbing Clothes Moths: “Do not apply to clothing...”

9. Under the Outdoors section in the Directions for Use on page 5 of the draft label, the following statements must be moved to page 4 of the label above the General Information section:

“Do not water the treated area to the point of run-off.

Do not make applications during rain.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

- (1) Treatment to soil or vegetation around structures;
- (2) Applications to lawns, turf, and other vegetation;
- (3) Applications to building foundations, up to a maximum height of 3 feet.

Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches, and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications, only.”

10. On page 5 of the label in the section regarding pests on outside surfaces of buildings, delete “for control of building infestation to” to clarify the sentence.

11. On page 6 of the label, delete the following use sites under the section for Spiders:

- Boat lift canopies
- Boat lift covers
- Docks
- Dock and mooring lines or rope.

12. In the Storage and Disposal section on page 6 of the label, you must correct the Container Disposal statements to now read as follows:

“Container Disposal: Nonrefillable container. Do not reuse or refill this container. If empty: place in trash or offer for recycling if available. If partly filled: call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.”

13. On page 6 of the draft label in the Disclaimer of Warranties section, you must change the statement to read as follows:

“DISCLAIMER OF WARRANTIES: To the extent applicable by law, there are no other warranties, expressed or implied, of merchantability...”

14. On page 7 of the label, the following alternate brand names must be deleted:

- BuggSlayer MAX
- BuggSlayer TOTAL

- BuggSlayer HomeProtection
- BuggSlayer HomeProtect
- BuggSlayer NOW
- BuggSlayer ES
- BuggSlayer XT
- BuggSlayer Kwik Killer
- BuggSlayer Pro Pump
- BuggSlayer Siding Control
- BuggSlayer Instant Action
- BuggSlayer ReadyMix
- BuggSlayer Specialty
- BuggSlayer Specialty Defense
- BuggSlayer Specialty Control
- BuggSlayer Complete
- BuggSlayer Pro
- BuggSlayer HomeDefense
- BuggSlayer HomeGuard
- BuggSlayer ENVIRO
- BuggSlayer XL
- BuggSlayer XLT
- BuggSlayer HomeBarrier
- BuggSlayer Pest Prevention
- BuggSlayer EXT
- BuggSlayer Intelligent Defense
- BuggSlayer Intelligent Control
- BuggSlayer Pinpoint
- BuggSlayer Ready MAX
- BuggSlayer House Plant Control
- BuggSlayer Max 365
- BuggSlayer 365
- BuggSlayer Bed Bug Control

15. Revise the EPA Registration Number to read: "EPA Registration No. 67867-7" on page 3 of the label.

Two copies of the finished labeling must be submitted prior to releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A copy of your label stamped "Accepted with Comments" is enclosed for your records.

If you have any questions concerning this action, please contact Rosanna Louie at (703) 308-0037.

Enclosure:

- BuggSlayer Insecticide RTU Label, Stamped *Accepted with Comments*

**BACK LABEL****PRECAUTIONARY STATEMENTS**

**[PRECAUCION AL USUARIO:** Si usted no lee ingles, no use este producto hasta que la etiqueta le haya sido explicado ampliamente.  
**(TO THE USER:** If you cannot read English, do not use this product until the label has been fully explained to you.)]

**NOTICE**

Contact with product may result in transient tingling and reddening of the skin. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**Environmental Hazards**

This product is extremely toxic to fish and aquatic invertebrates. For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

**Physical or Chemical Hazards**

Do not apply this water-based product in or on electrical equipment due to possibility of shock hazard.

In case of Medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-800-858-7378.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ ENTIRE LABEL PRIOR TO USING THIS PRODUCT.

**General Information:** Hold container upright. Do not spray up into air. Apply to surfaces only as a spot and crack and crevice treatment. [Turn sprayer nozzle to "on" position.] Hold approximately 12 inches from surface to be sprayed. Squeeze trigger to spray until surface is slightly moist but not to the point of runoff. Over application may cause damage. Product is non-staining on water safe surfaces. Test in an inconspicuous area before applying.

Do not allow children or pets to contact treated surfaces until spray has dried.

BuggSlayer's long-lasting action keeps on killing *German Cockroaches* for up to 12 months [1 year] and *Flies* for up to 150 days [20 weeks; 5 months] after you spray. More frequent applications may be necessary on concrete surfaces. Check these areas in 4 weeks and retreat if insect activity continues. Contact kill gives you immediate results when spraying insects directly, while residual activity kills insects when they return to treated areas.

BuggSlayer is intended to be used in and around residences and their immediate surroundings such as (but not limited to): apartments, atriums, attics, automobiles, awnings, basements, bathrooms, bedrooms, boats, boat covers, boat interiors, boat lift canopies, boat lift covers, cabins, campers, canopies, carports, car covers, cat sleeping quarters, clothes storage, condominiums, crawl spaces, decks, dens, docks, dock lines, dormitories, driveways, eaves, foundations, garages, gazebos, homes, hotels, kennels, kitchens, lanais, living rooms, mooring lines, motels, parlors, patios, pet sleeping areas, play rooms, pole barns, porches, recreational vehicles, rooms, rope, siding, solariums, storage areas, storage barns, storage sheds, sun rooms, utility rooms, utility sheds, verandas, watercraft and yachts. Do not use in commercial food handling establishments, restaurants or other places where food is commercially prepared or processed.

**INDOORS:**

**Cockroaches (Including Adult and Immature Stages Of Both Non-Resistant and Organophosphate and Carbamate Resistant Strains), Ants, Asian Lady Beetles, Box elder Bugs, Centipedes, Crickets, Dermestids, Earwigs, Firebrats, Fleas, Palmetto Bugs, Silverfish, Sowbugs, Springtails, Stink Bugs, Ticks and Waterbugs:** Apply as a spot and crack and crevice treatment to areas where these pests crawl and hide, especially in hidden areas around sinks and storage areas, behind baseboards, around doors and windows, behind and under refrigerators, cabinets, sinks and stoves, the underside of shelves, drawers, bookcases, and similar areas. Cover all food handling surfaces and cover or remove all food and cooking utensils or wash thoroughly after treatment. Exposed food should be covered or removed. Repeat as necessary but not more than once per week. [**Roaches:** Spray in cracks and crevices, around baseboards and other hiding places.]

**Ants:** Spray ant trails and around doors and windows and other places where ants enter the house. Repeat as necessary but not more than once per week.

**Carpenter Ants:** For effective control, locate and treat nests and surrounding areas. Apply around doors and windows and other places where ants enter premises and where they crawl and hide. Spray into infested wood through existing openings.

100912

**Ticks [(Including Deer Ticks Which May Carry Lyme Disease)] and Fleas** on Surfaces: Remove pet bedding and destroy or clean thoroughly. Spray pet resting quarters. **Adult Fleas** and **Larvae** contacted by spray will be killed. Put fresh bedding down once spray has dried. Do not spray animals directly. For best results, pets should be treated with an appropriate flea and/or tick control product registered for use on pets before allowing them to return to the treated area. Spray rugs and carpets where infestations are bad. Delicate fabrics should be tested for staining in an inconspicuous area prior to use.

**Spiders:** Apply along and behind baseboards, to window and doorframes, corners, pipes, storage localities, attics, garages, crawl spaces and other areas over which these pests may crawl.

**Centipedes, Earwigs, Ground Beetles, Pillbugs, Sowbugs, Scorpions and Ticks:** Apply around doors and windows and other places where these pests may enter premises. Treat baseboards, storage areas and other locations where these pests are found.

[**Silverfish, Crickets, Spiders:** Apply to areas infested by these pests.]

**FLYING INSECTS: Houseflies, Gnats, Mosquitoes and Small Flying Moths:** Spray localized resting areas, such as under eaves, porches, inside surfaces of window and door frames, surfaces around light fixtures and cords, railings, etc. and anywhere these insects may rest. Insects coming to rest on treated surfaces will be killed.

**HORSE STABLES:** To Control **Stable Flies, Horn Flies, Houseflies, Face Flies, Horse Flies, Deer Flies, Mosquitoes and Gnats.** Apply thoroughly to surfaces until wet. Insects coming to rest on treated surfaces will be killed or repelled. Repeat treatment as necessary but not more than once per week. Do not spray animals or humans, or apply to animal feed or watering equipment.

**PANTRY PESTS - Grain Beetles (Rusty, Merchant and Saw-Toothed), Flour Beetles (Red and Confused), Chocolate Moths, Cigarette Beetles, Clover Mites, Cluster Flies, Drugstore Beetles, Elmleaf Beetles, Rice Weevils, Lesser Grain Borers, Spider Beetles and Tobacco Moths:** Treat exposed stages. Remove all food-stuffs, utensils and shelf paper from area to be treated. Discard used shelf paper and any infested foodstuffs. Apply spray to shelves and in cracks and crevices behind and under cupboards and cabinets. Allow to dry prior to replacement of shelf paper, food and utensils. Wash any exposed food handling surfaces and utensils before use.

**Carpet Beetles (Black, Furniture and Varied):** Spray on and under edges of floor coverings, under rugs and furniture and in closets or other localities where these insects are found.

**Webbing Clothes Moths:** Use this product as a crack and crevice treatment in closets and other storage areas where these pests are found. This is an adjunct treatment and will not control moth larvae already on clothes. Do not apply to clothing.

**Bedbugs and Lice:** Remove linens and bedding, wash and dry on high heat before reuse. Spray mattresses and box springs, especially tufts, folds and edges. Apply to the interior of the frame. Allow to dry before remaking bed. Also apply to and behind headboard, bed frame legs, carpeting near baseboards, furniture, upholstery, window coverings, draperies, and luggage. Allow all treated areas to thoroughly dry before use.

#### **OUTDOORS:**

Remove all exposed food and cooking utensils. Cover all food handling surfaces or wash thoroughly after treatment and before use. Do not use on edible crops. Do not water the treated area to the point of run-off. Do not make applications during rain. All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses: (1) Treatment to soil or vegetation around structures; (2) Applications to lawns, turf and other vegetation; (3) Applications to building foundations, up to a maximum height of 3 feet. Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors and eaves) are limited to spot and crack-and-crevice applications, only.

[Also, treat your yard with a product registered for yard application.]

For outdoor use only as an aid in controlling these insects. Point sprayer away from face. Hold sprayer on a slight downward angle, approximately 12 inches from surface to be sprayed. Spray with wind if breeze is blowing. Do not contaminate fish ponds or apply directly to water.

**PESTS ON OUTSIDE SURFACES OF BUILDINGS:** For control of building infestation to **Ants, Asian Lady Beetles, Box Elder Bugs, Clover Mites, Cluster Flies, Crickets Sowbugs (Pillbugs) and Stink Bugs.** Spray foundation of building where insects are active and may find entrance up to a height of 2 to 3 feet. Apply to outside surfaces of buildings where insects tend to congregate. Spray areas include (but are not limited to) screens, siding (including vinyl siding), window frames, eaves, porches, patios, garages and refuse dumps. Repeat treatment as necessary but not more than once per week.

**CRAWLING INSECTS: Ants, Cockroaches (including Asian Cockroaches), Centipedes, Crickets, Mole Crickets, Waterbugs and Silverfish.** Hold sprayer 12 to 18 inches from surface to be treated and spray in infested surface of patio or picnic areas, hitting as many insects as possible. Spray to slightly moisten the surface. Spray infested surface of patio or picnic area. Also spray legs of tables and chairs.

**Ants:** Spray freely around ant trails and hills. Spray around nests hidden under steps, brickwork, concrete, etc. Break apart accessible nests and spray freely on and around debris. Repeat as necessary but not more than once per week. [If nest can be located, spray surface of nest until wet.]

**Spiders:** Apply spray to outside surfaces of buildings, porches, screens, patios, window frames, eaves, garbage dumps, garages and cracks

and crevices along walkways or other areas where insects may congregate or crawl. For application on boats, boat covers, boat interiors, boat lift canopies, boat lift covers, docks, dock and mooring lines or rope: Apply on shore at least 30 feet from the water line and allow to dry thoroughly before moving these items to their intended usage area. Do not apply to boat hulls, outside of gunwales or dock/lift areas that may contact surface waters.

**Ticks [(Including Deer Ticks Which May Carry Lyme Disease)], Lone Star Ticks, Dog Ticks, Crickets and Fleas:** Apply thoroughly to infestation in bushes, grass or weeds.

**Wasps, Hornets, Yellow Jackets and Bees:** Spray nests and other surfaces where bees may rest. Aim spray at nest openings. Applications should be made late in the evening when insects are at rest [as product is not a "knockdown" killer].

**FLYING INSECTS: Houseflies, Gnats, Mosquitoes and Small Flying Moths:** Spray outside surfaces of window and door frames and other areas where these pests may enter the home. Also spray localized resting areas, such as under eaves, porches, surfaces around light fixtures and cords, railings, etc. where these insects may rest. Insects coming to rest on treated surfaces will be killed.

**Termites, Carpenter Ants and Carpenter Bees:** (for localized control only) Apply BuggSlayer to voids or channels in damaged wood of a structure, or to cracks, crevices and spaces in and between wooden portions of a structure or between wood and the foundation, in locations vulnerable to attack such as crawl spaces.

For **Termites**, the purpose of such applications is to kill workers or winged forms which may be present in the treated areas at the time of application. Not recommended as sole protection against termites. For active infestations, get a professional inspection. Such applications are not a substitute for mechanical alteration, soil treatment or foundation treatment but are merely a supplement. For severe termite infestation, contact a professional pest control operator in your area.

**HOUSE PLANTS:** To control **Aphids, Japanese Beetles, Lace Bugs, Leafminers, Mealy Bugs, Mites and Spider Mites** on house plants. Prior to spraying, remove plants from living and eating areas. Put in an area not likely to come in contact with pets, children or food. Plants can be returned to original location when leaves dry. If plants cannot be moved, cover or remove exposed food and food handling surfaces. Avoid spraying surrounding areas.

Apply spray to upper and lower surfaces of foliage. Avoid wetting blossoms if possible. Repeat applications as necessary but not more than once per week.

**FOR CONTROL OF ORNAMENTAL GARDEN INSECTS:** For use on roses, dahlias, asters and other ornamentals to kill **Japanese Beetles** hit by spray, as well as **Whiteflies, Aphids, Armyworms, Lace Bugs, Mealy Bugs, Exposed Thrips, Pavement Ants, Spiders, Spider and Red Mites, Clover Mites and Leafminers**.

Not for use on plants grown for sale or other commercial use.

May be used on plants, as well as a multi-purpose spray in small ornamental gardens and for spot treatments to prevent insects from spreading into large garden areas.

May also be used on other plants such as African violets, asters, azaleas, begonias, camellias, carnations, chrysanthemums, crassula, delphiniums, dogwood, English ivy, euonymus, fuschia, geraniums, grape vine, Kentia palm, laurel, marigolds, rhododendrons, rubber plants, snapdragons, stocks, wandering Jews and zinnias.

When spraying plants, do not operate closer than 18 inches. Use sweeping motion. Be cautious about wetting tender foliage, young plants and new growth. Do not spray plants when temperatures exceed 90°F. Over application may cause damage. **DO NOT apply to vegetable plants or other plants used for food.** Spray insects directly whenever possible. Repeat treatment as necessary but not more than once per week.

### STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry area away from [inaccessible to] children and pets and away from heat, sparks and open flame. [Protect from freezing.] [Store above 32°F.] [Do not transport or store below 32°F. (0°C)] If freezing occurs, allow product to thaw and shake well before using [use]. [Some product separation may occur on freezing which is reversible on shaking]. Freezing does not adversely affect [this product] [performance].

**Container Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

### IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

**CONDITIONS:** The directions for use of this product are believed to be adequate and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Bugg Products LLC. All such risks shall be assumed by the user or buyer.

**DISCLAIMER OF WARRANTIES:** THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY

OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, WHICH EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. No agent of Bugg Products LLC is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent permitted by law, Bugg Products LLC disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

**LIMITATIONS OF LIABILITY:** THE EXCLUSIVE REMEDY OF THE USER OR BUYER FOR ANY AND ALL LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID, OR AT BUGG PRODUCTS LLC'S ELECTION, THE REPLACEMENT OF PRODUCT.
