

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

NOTICE OF PESTICIDE:

Registration
☒ Reregistration

(under FIFRA, as amended)

EPA Reg.
Number:

67869-15

Date of Issuance:

March 4, 2003

Term of Issuance:

Unconditional

Name of Pesticide Product:

N-1386 HG

Name and Address of Registrant (include ZIP Code):

Verichem Inc.
3499 Grand Avenue
Pittsburgh, PA 15225

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Document, EPA has reregistered the product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

The following label revisions must be made:

1. Delete the statements "Causes eye damage and skin irritation, May be fatal if inhaled" from the child signal word "Danger".

Signature of Approving Official:

Adam Heyward
Product Manager Team-34
Regulatory Management Branch II
Antimicrobials Division (7510C)

Date:

March 4, 2003

2. The following text must be added to the label immediately below the first aid statement:

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

The following statements are suggested types of information that must be included:

- technical information on symptomatology;
- use of supportive treatments to maintain life functions;
- medicine that will counteract the specific physiological effects of the pesticide;
- company telephone number to specific medical personnel who can provide specialized medical advice.

In case of emergency call (insert toll-free emergency number)."

3. Revise the Precautionary Statement to read as follows:

"Fatal if swallowed or absorbed through skin or inhaled. Corrosive. Causes irreversible eye damage or skin burns. Do not get in eyes, on skin or on clothing. Do not breathe spray mist. Wear goggles or face shield (safety glasses). Wear protective clothing (long sleeve shirt and long pants, socks plus shoes and chemical resistant gloves such as waterproof gloves). Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing."

4. Add the heading "Physical and Chemical Hazards to the label and text to read as:

Physical and Chemical Hazards

"Keep away from heat and flame" "Corrosive"

5. The header "General Directions for Use" must be changed to read "**Directions for Use**"

6. Revise the "Storage and Disposal" section to read:

<p style="text-align: center;">STORAGE AND DISPOSAL</p> <p style="text-align: center;">Do not contaminate water, food or feed by storage or disposal.</p> <p>"PESTICIDE STORAGE: Keep container tightly closed when not in use. Do not store near food or feedstuffs. Containers should be stored at room temperature in a dry, well ventilated area. Store away from flammable materials, source of heat and flame, and foodstuffs. Exercise due caution to prevent damage to or leakage from the container. Avoid prolonged storage at temperatures above 158°F/70°C.</p> <p>"PESTICIDE DISPOSAL. : Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance."</p> <p>"CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer . . . If burned, stay out of smoke.</p>
--

Refer to PR Notice 83-3 for detailed information.

7. See the enclosed Special Review and Reregistration Division dated January 10, 2003 for detailed information regarding Warranty language.

8. At the end of the ingredient statement include the word "Total".

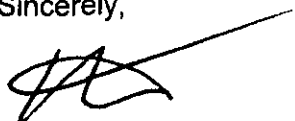

Total.....100%

Other Comments:

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your record.

Sincerely,

Adam Heyward
Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510C)

Enclosure

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE - Causes irreversible eye damage and skin burns. Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust, vapor or spray mist. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly after handling.

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in Eyes: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 15 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

NOTICE TO BUYER: Buyer assumes all risks of use and handling which are at variance in any way with the directions hereon. There are no quantities, which extend beyond the description on this label.

N-1386® Hexylene Glycol Slimicide/Fungicide

For use in the manufacture of products intended for the control of algae, bacteria or fungi in pulp and papermill process water systems, cooling water systems, secondary oil recovery injection water systems and as a preservative in adhesives.
